Administration

William O'Connell, Executive Secretary Evelyn Splaine, William Maloney, Administrator James Merriam, (rear) - Joanne Damish, Joseph Germano, William Hamilton (seated)

Board of Selectmen

(Town Hall 660-7277)

Joseph Germano (1993), Chairman - Joanne Damish (1995), Clerk - William Hamilton (1994) - William Maloney (1994) - William O'Connell (1995) Evelyn Splaine, Administrative Secretary

The 1992 election saw the return of Joanne F. Damish and the newly elected James O'Connell to the Board of Selectmen. Joseph P. Germano was elected Chairman and Joanne F. Damish was elected Clerk. Once again the Board extends its thanks to Clare Abril, our Licensing Secretary, and Evelyn Splaine, our Executive Secretary, for their loyal support. We also again thank Barbara Kaszanek for her support.

The Board continued to meet the challenges of fiscal constraints and the resulting frustrations that come with these constraints. Walpole continued to provide its residents with the necessary services they deserve. We thank the employees of the Town of Walpole for their loyal and creative support during these difficult times.

Walpole has continued on its path of progress in spite of declining revenues and increasing costs. The curbside recycling program has proven to be the success we had anticipated. We thank Robin Chapell and all the members of

the Health Department and the Volunteer Recycling Committee for their outstanding contribution of time and effort, which has made this program the success it has become.

The Board continues to focus its energies on all of the Town's issues in need of their attention. We have continued our unwavering fight against the sludge landfill in Walpole....."Walpole Will Not Budge, No Sludge!".

The Board once again thanks Jim Merriam, our Town Administrator, for his continued creative support on behalf of the Town of Walpole and the residents of the Town of Walpole. Mr. Merriam continues to explore every avenue available to the Town in an effort to balance the Town's budget, and we extend our appreciation for his heroic effort.

We thank all those loyal volunteers who support the various Town Boards and Committees.

Town Administrator

(Town Hall 660-7289)

James Merriam, Town Administrator - Jean St. George, Administrative Secretary - Patricia Joseph, Principal Clerk - James Conroy, Assistant Purchasing Agent

I respectfully report to you, good citizens of Walpole, of the significant events which have had an impact upon our community during 1992.

The Office of Town Administrator serves in the capacity of carrying out the policies of the Board of Selectmen as well as serving as a staff resource to many other Boards, Committees and Commissions. In addition, the office provides general supervision for most of the Municipal functions, including Centralized Purchasing, Personnel Administration and Budgeting. Our office encountered many challenges during 1992, and here is a list of the major ones:

DPW CONSTRUCTION

WEST STREET BRIDGES - were closed in March by Barletta Engineering under a contract by the State to replace both bridges over the railroad. Both bridges remained closed for the duration of 1992 with work resuming next Spring.

West Street Bridge

COMMON STREET - A new twelve inch water main was installed from Washington Street to the Center improving flows significantly. The project also included a new twenty four inch pipe through the intersection of Washington Street and a new asphalt road over the length of the entire project.

WALPOLE CENTER - Todesca Equipment Company, under another State Contract, started a full

depth reconstruction project in mid-June and worked until the winter shutdown in December. New storm drains were installed and a new base and binder course of asphalt was applied. Some new sidewalks were constructed. This project will also resume in the spring. Downtown merchants were kept updated through weekly Thursday morning meetings held at Town Hall.

CBD Construction

HIGH PLAIN & WASHINGTON STREETS - The intersection was redesigned as a State Project and bid in December for reconstruction which is scheduled for 1993.

PAVING - Our local DPW expended over \$400,000 of Chapter 90 Funds with a large paving contract by the Middlesex Group. The State also paved a section of Main Street.

WATER AND SEWER

The Commonwealth's Department of Environmental Protection recognized our Water System as the most improved for 1992. Included in the improvements were the activation of the 3 million gallon Duffy Storage Tank off Old Post Road in April. That same month Neponset Well Number One, our largest producer came on line.

In January, the Septage Receiving Facility was completed and activated. It is the only DEP approved Septage Facility in the Metropolitan area.

SCHOOLS

The Bird Middle School became handicap accessible when Consigli Construction completed a new elevator and renovated bathrooms in September.

In late August, Town Meeting authorized the Old Post Road School Addition and Renovation to proceed prior to receiving approval for State reimbursement. The 3.41 million dollar 12 classroom Addition was awarded to Seaman Bratko, who broke ground in December.

ECONOMIC DEVELOPMENT

In April, WS Development announced plans to construct a new Walmart Store at the intersection of Route One and High Plain Street. The Board of Appeals has closed their hearing and local permits should be issued soon. In October, CIBA Corning announced a major expansion at their Coney Street facility.

ENVIRONMENTAL

The former Multibestos property off South Street received permanent encapsulation including the installation of a major culvert where the Neponset River now passes through.

The U.S. EPA also required and the Town capped an old landfill off Robbins Road in October that had small piles of asbestos.

The Town's Recycling Program grew with the construction of a Recycling Center at the DPW Yard. Residents are now recycling over 100 tons

of newspaper, glass, tin and plastics monthly as well as removing Christmas trees and leaves from the waste stream.

Foxboro Stadium's Summer concerts generated loud music that disturbed the peace in Walpole. The Selectmen engaged Acentech, who measured a Guns'n Roses concert and the results provided evidence that the noise exceeded acceptable decibel levels. This information was forwarded to Foxboro officials in order that they would better control future concerts.

The Massachusetts Water Resources Authority continued to press for the construction of their landfill next to Cedar Junction. Town officials and citizens continued their vehement opposition for the sixth consecutive year in hopes of a reversal of fortune. The Commonwealth's Department of Environmental Protection held its site assignment hearing at the Johnson Middle School in December. Their decision is not expected until next Spring.

Meanwhile, Senator Christopher Lane successfully steered an amendment requiring the MWRA to drill nine additional wells which should better define the Neponset Sole Source Aquifer. Simultaneously, we have encouraged the MWRA to seek alternate landfill proposals on a nationwide scale, which they have undertaken. Our community's fight against the MWRA landfill was finally joined by the Department of Corrections Officials, who now for the first time have publicly opposed this site for a residuals landfill.

FINANCIAL

All five Municipal contracts were settled and ratified this year. The Fire Department's full time complement finally reached its goal of five men per shift which provided expanded coverage and reduced overtime costs.

I continued to serve as the Massachusetts Municipal Association's member to the Statewide Telecommunications Board whose mission is to construct a new Enhanced 911 Emergency Telephone System. We also formed a local E911 Committee to prepare for this new system.

In June, we installed a new Centrix Telephone System which included all School and Municipal offices. This saved the School, Police and Fire budgets significant dollars and eliminated the Town Hall's central switchboard.

One of the most innovative tasks this year was to work with OMEGA Associates and the Youth Soccer Association with a "goal" of building new soccer fields off Mylod Street. This proposal included land swaps, rezoning and new trails along Bird Pond. The Conservation Commission has played a major role in these negotiations. At the end of the year, we await a Home Rule Petition to be passed in the Legislature.

LEGISLATIVE REPRESENTATION

1992 also provided major changes in representation at both the State and Federal levels. Representative Frank Woodward resigned after sixteen years and was appointed by Governor Weld to an Administrative Judgeship. In November, JoAnn Sprague was elected as our new State Representative. At the same election, Marian Walsh was selected as our new State Senator, defeating Christopher Lane.

Due to national population shifts, Massachusetts lost its eleventh Congressional seat. Through redistricting, our community is now represented in the 9th Congressional District, whose seat is held by John Joseph Moakley.

BLIZZARD

The year ended with a major snowstorm in December with an accumulation of approximately sixteen inches.

A special thanks to my office staff, Jean St. George, Patricia Joseph and Jim Conroy, who make all this possible. Blessings to Dot Jackson, our Personnel Administrative Assistant, who retired in June with a very long and distinguished career. The Town is very fortunate to continue with this level of high quality personnel administration with the appointment of Valerie Donohue to this position. In fact, the Town is blessed by a talented pool of Municipal and School employees, who are striving daily to serve you "the customers" to the very best of their ability.

As always, I believe that it is a privilege to serve you as Town Administrator. While difficult at times, this position is extremely rewarding. I thank the Board of Selectmen for their continued guidance and leadership as we fulfill our mission together.

Board of Appeals

(Town Hall 660-7250)

Ira A. Levy, Chairman - Gerald F. Blair, Vice Chairman - Harold L. Paul, Clerk - Daniel J. Cunningham - Robert W. Lee - Russell W. Olson, Associate - William F. Duffy, Associate Joan Geraghty, Admin. Sec.

The Zoning Board of Appeals is a permit granting authority appointed by the Board of Selectmen and has all of the powers and duties prescribed under Chapter 40A of the Massachusetts General Laws, as amended and as allocated under Section 8 of the Zoning By-Laws of the Town of Walpole. The Board of Appeals may:

1. hear and decide applications for Variances with respect to land or structures,
2. hear and decide applications for Special Permits,
3. hear and decide applications for Site Plan Approval, and
4. hear and decide appeals from decisions of administrative officials of the town made under the Zoning By-Laws.

In granting any of the above, the Zoning Board of Appeals must act within the time constraints and specifications of the General Laws

and the Zoning By-Laws. The Board of Appeals may impose conditions, safeguards, and/or limitations as part of its approval of any application. The Board holds public hearings for all applications and makes its decisions only after the public hearing is closed. The Board is responsible for providing public notice of all hearings. This is done by publishing a legal notice in the local newspaper. In addition, notice is sent by mail to the petitioners, abutters, and owners of land adjoining the land of abutters within 300 feet of the property line. A copy of the notice is also sent to various other town boards, as appropriate. The hearings held by the Board of Appeals are open to the public. Any person, whether entitled to notice of the meeting or not, may appear in person, by agent, or by attorney to be heard. Written testimony may be submitted to the Board at any time prior to the close of the public hearing.

All decisions of the Board are in writing and are filed with the Town Clerk and with the

Building Inspector. Notice of the decision is also provided to applicants, anyone who was entitled to notice of the public hearing, town departments, and boards as appropriate, and to any other interested party who specifically requests such notice.

The Board consists of five regular members, and currently two associate members. Associate members may vote (as appointed by the Chairman for any specific case) in the absence, inability to act, or conflict of interest on the part of any regular member. Decisions of the Board require a four out of five approval. A liaison from the Engineering Department may also be in attendance at public hearings as a resource.

Board members usually attempt to view the site in question prior to a public hearing. The Board takes each case on its own merit and deliberates extensively to assure that a proper decision is finally developed.

The Board normally meets on the first and third Wednesday of the month at 7 P.M. in

the Main Meeting Room of Town Hall. Applications, information, or any other assistance regarding zoning may be obtained from the Board's Administrative Assistant or from the office of the Building Inspector. Copies of the current Zoning By-Laws may be purchased at the office of the Town Clerk for a nominal fee.

The following statistics summarize the Board of Appeals activity for 1992:

Variance Decisions	49
Special Permit Decisions	33
Amendments/Appeals	2
Determinations/Reviews	1
Remands	0
Site Plan Approval Decisions	20
Meetings Held	31
Total Cases	51

The Board would like to thank their Secretary, the Building Inspector, the Engineering Department and other town boards for their assistance during this past year.

Zoning Bylaw Study Committee

(c/o Town Hall)

Robert W. Lee (1993) - David I. Conley (1993) - John Conroy (1993)

There was no activity in 1992 but the Committee was re-activated for early 1993 deliberations.

Cable Television Advisory Committee

(c/o Town Hall)

Guy H. Giampapa (1994), Chairman - David Doe (1994, Clerk - Donald LeBlanc (1994) - Michael Power (1993)

The Board of Selectmen serve as the Issuing Authority for cable television in the Town of Walpole. The Cable Television Advisory Committee is appointed by the Board of Selectmen to serve as its watchdog for cable. The Committee is available to hear any and all unresolved complaints regarding Massachusetts Cablevision Industries.

Cablevision Industries requested permission to remove the Technical Supervisor from the Walpole Office to a newly constructed facility in Foxboro. The Committee discussed the benefits of a Technical Supervisor at the Walpole office and his support to our local organization programming were noted to be of value. It was also noted that the cable license issued to Cablevision Industries

by the Town of Walpole does provide for a Technical Supervisor based in Walpole. The Committee voted not to relinquish the Technical Supervisor assigned to the Walpole system exclusively as provided in the section under "Local Origination Staffing", Section 20 (page 15) of the final license issued to Massachusetts Cablevision Systems by the Town of Walpole.

The Issuing Authority being advised of the recommendation, voted not to amend the license and retain the Technical Supervisor in the Walpole office.

In the event of a complaint against Cablevision Industries, the Walpole Cable Television Advisory Committee urges subscribers to contact the Board of Selectmen for further action.

Computer Study Committee

(c/o Town Hall)

Cynthia D. Moore, Chairman - William Abbott - Patricia McGrath - Valorie A. Donohue - Francis X. Foley - John Foster - William Hamilton - William Lestan - Edward Hartman

There was no activity in 1992 but the Committee was re-activated for early 1993 deliberations.

Enhanced 911 Committee

(2 Stone St. 668-0260)

Stephen Smith, Chairman - Joyce McCormack, Clerk - Stephen Sullivan - David Doe - James Merriam

At the request of Chief Anderson of the Fire Department the Enhanced 911 Committee was formed on March 20, 1991. Enhanced 911 was passed into law on December 11, 1990, and was subsequently signed by Governor Michael Dukakis as Chapter 291 of the Acts of 1990. Under this law every community is entitled access to the network at no cost to the city or town. The members were appointed by the Board of Selectmen.

All members were sworn into office by the Town Clerk for an indefinite term with no compensation from the Town. This committee has the expertise from representatives of the Police and Fire Departments. Representing the Police Department is Lieutenant Richard Stillman and from the Fire Department is Chief Leonard Anderson.

The Enhanced 911 committee has been charged with duties that were handed down by the Board of Selectmen. As part of these duties,

the committee looked at a proposal by NYNEX to locate cellular equipment at the High Street water tank. This committee also looked at a proposal to cable all telephone lines by the Town. In addition we looked at changing the town's telephone lines to Centrex.

Enhanced 911 capability is automatic location and identification by telephone number and street address. It will be extremely important that all telephone and addresses be accurate.

Due to many meetings and hours spent on this project the town was one of the first few to submit its municipal plan. When this plan was submitted on January 11, 1993, it put Walpole as one of the first in the area.

Under the guidance and with the assistance of the Statewide Emergency Telecommunications Board, we hope for implementation in a relatively short time period.

Insurance Advisory Committee

(Town Hall -Selectmen's Office)

James Merriam - Robert Hoey - William Maloney

The Insurance Advisory Committee was inactive in 1992. In early 1993 it was reactivated with one member being the Town Administrator,

one being from the Selectmen and one from the Finance Committee.

MBTA Advisory Board

(668-3283)

Robert I. Stewart, Agent

The Massachusetts Bay Transportation Authority Advisory Board through its agent,

appointed by the selectmen, monitors and represents Walpole in matters related to public trans-

portation provided by the MBTA.

At the end of the year, plans for the "Ride" for qualified disabled persons starting in the Spring of 1993 are well underway. Notice will be given in the local papers as soon as the dates are set. Sunday commuter rail service continues and is being monitored closely. Our so called South Side Service, Boston to Forge Park, continues to show more ridership than other areas. Bus service from Forest Hills to Walpole Center will continue, but it is imperative that we take advantage of this desired service. Senior citizens, in particular, should avail themselves of this for inexpensive transportation to shopping, medical services and entertainment centers. This

service is also monitored and, as the old adage goes, "we best make use of it, or we lose it".

Meetings of the MBTA Advisory Board are well attended. Its membership includes Mayors and Administrators from many cities and towns. Many meetings are quite spirited, especially when budgets are discussed. New lines to the South Shore are being planned as well as to the West of Boston. The South Side Forge Park line will eventually be extended to Bellingham and Milford.

Information may be obtained from the number above. Schedules of trains and busses may be obtained from Union Station and the bus drivers.

Metropolitan Area Planning Council

*60 Temple Place
Boston MA 02111
617 451-2770*

David C. Soule, Executive Director

In 1992, MAPC kicked-off a joint services initiative designed to educate and inform member communities on new and cost effective ways of doing business. Municipal information networks systems, service sharing, cooperative purchasing and regional dispatch opportunities were explored.

MetroPlan 2000 1992 activities included the Council's formal adoption of the housing, land resources, and transportation elements of the plan; development of a Capital Investment Program (CIP) to examine priorities for public infrastructure investments in the region; and initiation of the Concentrated Development Center (CDC) nomination process.

The MAPC also began an Overall Economic Development Program (OEDP) in 1992 that is expected to result in substantial new investments in the metropolitan region from the Economic Development Administration as well as other federal and state sources.

MAPC's 1992 staff support to the Three Rivers Interlocal Council (TRIC) subregion, of which Walpole is a member, included presentations on the 128 buildout and land use analysis; facilitation of the Dedham Common Mall proposal review; participation in the subcommittee formed to make recommendations to the Dedham Planning Board on the Mall site; and facilitation of TRIC's review and comment on MetroPlan 2000's

Capital Improvement Program, the Strategic Metropolitan Transportation System, and the Fowl Meadow and Ponkapoag Bog Area of Critical Environmental Concern. TRIC also served as the corridor advisory committee to the Route 1 South Corridor Planning Study.

Last year's Data Center services to communities included development and distribution of Community Employment Forecasts used in long range highway, transit, water and sewer planning; sponsorship of the Boston Area Census User's Conference featuring workshops on census data applications, review of major demographic patterns, and information on how to use new 1990 census information; development of the community profiles, a two-page summary of the first release of the 1990 census information; and analysis of the Fiscal 1993 State Budget to help inform communities of the difference between the governor's senate and house program appropriations.

MAPC's 1992 transportation planning efforts included development and distribution of the Regional Transportation Program (TIP) for the fiscal years 1993-5. The document was distributed to all member communities and to ensure local input into the process MAPC sponsored two information sessions on TIP in July and again in December. Because the Intermodal Surface Transportation Efficiency Act of 1991 requires a reclassification of roadways, in 1992 MAPC also provided member communities with maps of

proposed functional classifications. All communities were offered an opportunity to comment.

MAPC's technical assistance on the new National Affordable Housing Act included preparation of local Comprehensive Housing Affordability Strategies (CHAS), the HOME program and

consortia formation. On behalf of its communities, MAPC also participated in EOCD's Housing Policy Commission; supported the Housing Bond Bill; and sought a state CHAS consistent with MetroPlan 2000 and beneficial to MAPC communities.

Prison Advisory Committee

(1068 Main Street, PO Box 102, 668-5500)

James M. Brady, Chairperson - William Hamilton - Fred Kudryk - Phyllis J. McLean

The Walpole Prison Advisory Committee was formed in June of 1990. Members of the Committee were appointed by the then Commissioner of Corrections George Vose, to serve as a liaison between the Town of Walpole and the Department of Corrections concerning issues as they affect Walpole, the host community. The Committee has had regular meetings with Department of Corrections' officials encompassing a variety of issues which include the Department's response to the Massachusetts Water Resources Authority proposal to site a sludge facility immediately adjacent to the prison colony in Walpole and Norfolk, as well as the Department of Corrections programs at the Pondville Pre-Release

Center. At the request of the Committee, Governor Weld ordered the Department of Corrections to undertake a comprehensive study as to how the MWRA's proposed sludge dump would impact the prison colony during the construction and operation of the proposed facility. The report raised many significant issues as to the MWRA's choice of the Walpole sludge dump site.

The Committee also requested that the Governor issue a temporary order in 1992 prohibiting sex offenders from working within the Town of Walpole and has requested that the order be made permanent in nature. The Committee continues to keep watch on these and other issues that affect the Town.

Annual Town Report Committee

(Town Hall -Selectmen's Office)

Ann Bruce, Chairman - Ralph Knobel

The purpose of the Town Report Committee is to gather the data from all of the various departments and Committees of the Town and present it in this document you are reading. We want to thank all of the people who have provided data and cooperation in the preparation of this book. We solicit any suggestions for next year's book and will appreciate any corrections to be sure they are not repeated.

The Town Report Committee committed to a new approach in developing this report with the objective of simplifying its own task, providing the report as early as possible and reducing the production costs. This new approach was to ask that the various Departments/Committees provide not only hard copy, but to include computer disks of that copy. This allows rapid editing and

conversion to final format that becomes "camera ready" for production. Approximately 2/3 of this report was prepared in this manner. We want especially to thank Jerry Romelczyk at the Library (for converting Mackintosh disks to MS DOS), Philip Knobel (for scanning conversions) and Cindy Moore at the Town Hall for their invaluable technical assistance in converting data as well as Evelyn Splaine and Clare Abril for coordinating the collection of material.

Unfortunately, not all Departments/Committees have access to the equipment to provide disks and variations in the kind of equipment present a conversion problem. With this year's experience it is hoped future years will become more efficient.

Street Name Committee

(c/o Town Hall)

Julia Cesareo

There was no activity in 1992.

Industrial Finance & Development Committee

(c/o Town Hall)

Paul E. Crockett (1996) - Kenneth G. Fettig (1997) - Victor H. Scena (1997) - Jon Rockwood (1998)

There was no activity in 1992, however, the Committee has been re-activated for 1993.

Sidewalk Committee

(c/o Town Hall)

Francis Curran

There was no activity reported in 1992.

Permanent Building Committee

(c/o Town Hall)

Ronald Fucile (1994), Chairman - Philip Wild (1993) - Kenneth Dow (1993) - Jack Conroy (1994) - Paul Teich (1995) - Dolores Efthim (1992)

The Permanent Building Committee oversees the construction of public buildings and major improvements to land associated with building projects. It operates in coordination with the Board of Selectmen and the Town Administrator. The oversight to building projects provided by the Committee include selection of architects and contractors, review of architectural plans and specifications for cost-effectiveness in the context of Town needs, selection of project representatives (clerks of the works), review of the progress of work in light of promised performance, authorization of change orders, review of billing, authorization of payment to architects and contractors, enforcement of work schedules and liaison with governmental entities that will utilize building space. The Committee meets as needed, and its schedule varies across projects and often varies across different phases of a single project. In general, it meets on the second Tuesday of each month.

The activities of the Permanent Building Committee during 1992 were principal involved

with two projects as follows:

Bird Middle School Handicap Accessibility Project:

Served as design review board in review of proposals by firms for preparation of designs and bid documents for handicap access and toilet facilities. Furnished rank-order of firms to Town Administrator for negotiations. Following selection of architect, served as design advisory committee in review of concepts, preparation of bid documents, award of contract and monitoring of construction. The project was completed for use at the beginning of the school year in September.

Old Post Road School Addition and Renovation:

Prepared information for presentation to Special Town Meeting to reactivate project. Following RTM approval, negotiated contract with architect for re-start of project, updating and finalization of bid documents, bidding for construction and construction administration. The contract for construction was awarded, construction work started in December and is scheduled for beneficial occupancy in September 1993.

Downtown Business Association

(668-2029)

Jeff Davis, President

In the Spring of 1992 the Downtown Business Association was formed. The Association is open to all businesses located in the downtown area. The purpose of the Association is twofold; first, to deal with the issues related to the Central Business District Reconstruction and, secondly, to promote patronage of downtown businesses.

The greatest concern was the impact that the reconstruction project would have on the daily business and shopping routines and what could be done to minimize the effect of the project. As part of the cooperative effort to expedite the project, weekly meetings were held with Town officials and the construction company management to discuss day to day detailed problems and to make suggestions to enhance the appearance

and functionality of the final downtown area. Leaving the sidewalks and streets in a usable condition during the winter construction shut-down was planned as best as possible along with the Town personnel.

Our first annual "Lighting of the Town Christmas Tree" was a tremendous success. We look forward to continuing this event. We are also planning a fun event this summer when the project is completed.

We would like to thank the Board of Selectmen, Mr. Jim Merriam and Superintendent of Public Works, Mr. Martin Feeney for their support, understanding and efforts. Most of all we want to thank the people of Walpole for their patronage, patience and understanding.

Master Plan Implementation Committee

(c/o Town Hall)

There was no activity reported in 1992.

Voter Location Committee

(c/o Town Hall)

Janice A. Young - John W. Farrell - Ernest A. Manocchio, Jr. - Joseph C. Moraski - Stephen E. Sullivan

The Voter Location Committee was formed (in 1993) for the purpose of investigating possible changes in polling sites and matters related thereto.

Richard E. Mattson, Jr.
Gerard E. Murphy

There were two additions to the department in 1992. Peter M. Carter was appointed on January 17, 1992 and Paul G. Carter was appointed July 7, 1992. Both men have been on the call department since 1987. Unfortunately we also lost a member this year. David C. Silvi was granted a disability retirement on November 27, 1992. Dave had been a member of the call force from February 17, 1972 until September 1, 1974 when he was appointed as one of the original members to the permanent department. On October 9, 1990 David was honored as Firefighter of the Year at the State House in Boston for his rescue efforts in the Boston Edison manhole explosion.

Emergency medical calls for ambulance service in 1992 amounted to 789. The department supplied mutual aid ambulance to surrounding towns 20 times and received mutual aid 61 times. A total of \$132,004 was billed and \$96,557.87 was collected in 1992. All monies collected as a result of ambulance billing are deposited in the Ambulance Revolving account. The original intent of this account was to provide funding for a new ambulance when necessary, (five year basis). In recent years this account has also been used to cover all expenses incurred in operating the ambulance service including Fire and Police yearly stipends, F/Y91 - \$55,250, F/Y92 - \$58,013, F/Y93 - \$53,080 and F/Y94 - \$58,500.

The Advanced Life Support Service operated by the Paramedics out of Norwood Hospital responded to 409 medical calls and were utilized in 208 incidents this year.

The department responded to 87 motor vehicle accidents, several of which were serious, including three fatalities. Boston Med Flight was used once for transport to Boston and was unable to respond due to weather conditions on two other occasions. The department experienced

several serious structure fires, several of which were caused by arson, and at least two were caused by malfunctioning electrical appliances. These fires resulted in a significant dollar loss. Again this year, one incident presented a serious life and safety threat to the firefighters because of the presence of a large amount of gasoline in plastic containers placed throughout the structure.

A major fire occurred in a commercial building on Main Street in June resulting in a loss of more than \$750,000. Norwood, Norfolk and Wrentham provided mutual aid. Several firefighters were treated for heat exhaustion at this incident.

Firefighters Peter Carter and David Kehoe graduated from the seven week recruit Firefighting Program at the State Fire Academy in Stow. In addition, to the department's regular training sessions, many members continue to attend classes and seminars provided by the Academy. Mandatory 24 hours yearly training in Hazardous

Materials Incidents continued. Firefighter Timothy Bailey, member of District 4 Haz-Mat Incident Control Team, responded to five incidents in the district.

Starting in November and continuing into 1993, Michael Costello, a Walpole High School Junior, was involved in an internship program at the Fire Department in conjunction with The Education Cooperative. This involves approximately 60 hours of internship at the station learning about firefighting and emergency rescue operations. Michael will receive credit for this internship.

The department again hosted the Annual Night Before the 4th celebration for the 35th year, which continues to be a well-attended and received event. The performance put on by the Christian Life Center Chorus was a great success. We appreciate their generosity and that of all those volunteers who devote their time and efforts in order to stage this celebration.

During 1992, the Fire Department continued its Public Fire Safety Education Program in the schools and the community. During National Fire Prevention Week, which is observed in October, Lieutenant Manocchio along with Firefighters Timothy Headd, James Carr and David Kehoe visited all schools and held an outdoor assembly with all students through the sixth grade. The assembly consists of a fire safety lecture and a demonstration of a fire truck, always a favorite with the children. In addition, we visit many private day care and pre-school centers or groups come to the station for a tour and visit. These very young children receive a "Smokey Bear" lesson that teaches "Don't Play With Matches". These programs combined reach over 2000 children in our community. The department also hosted a traditional Fire Prevention Week Open House which attracted several hundred visitors,

Fire Prevention and Education

both young and old. The local firefighters, who volunteer their time for Open House, conduct numerous demonstrations and offer a number of displays that the public find of great interest. Refreshments, balloons and fire safety literature are available for the visitors and children were delighted by Firefighter David Silvi, who performs as "Silky" the Clown.

Another part of our education program is a unique Fire Science Program which is conducted for all 5th grade students. The program which was developed by Lt. Ernest Manocchio many years ago, consists of a classroom period during which the children learn fire science and how to apply the principles to fire safety in their daily lives.

Many industrial and commercial concerns were also visited and instructed in Fire Safety and in the use of fire extinguishers.

The department was able to make two major improvements this year as a result of Prison Expansion Grant Funding. We replaced twenty-four older model self-contained breathing apparatus units with new 4.5 psig sets including the new voicemitter mask which greatly enhances communications. We also purchased and installed an Ingersoll-Rand High Pressure Air Station enabling us to refill our air cylinders at our own station, thus saving a great deal of time and expense.

The amount of fees collected for the year were:

Ambulance	\$96,557.87
Smoke Detectors	\$ 4,740.00
Underground Storage	\$ 1,180.00
Tank Truck Inspections	\$ 45.00
Oil Burner Permits	\$ 910.00
Flammable Storage Permits	\$ 172.00
Blasting Permits	\$ 50.00
Fire Reports	\$ 309.40
Burning Permits	\$ 130.00
Master Box Fees	\$10,320.00
Total	\$114,414.27

This total compares to \$85,620.51 in 1991. There were a total of 2,442 incidents for the year, this figure does not include car lockouts. It compares with 2,323 in 1991.

Fire Alarm Division

(2 Stone St. 668-0260)

Leonard Anderson, Chief - Stephen H. Smith, Deputy Superintendent - Barbara A. Kaszanek, Secretary - William Connolly - John W. Mattson - Gerard E. Murphy - Arthur H. Thomas

The Fire Alarm Division continued with alarm box testing and repair, pole line maintenance and repair, radio and interstation intercom

operations and maintenance with daily circuit testing with proper record keeping, which is required by law.

Pole maintenance continues to be a high priority as Boston Edison replaces poles as part of their ongoing replacement program.

This division was busy with numerous projects that the Town has undergone and is still ongoing.

1. We are still working on the West Street bridges and will probably be doing so for the remainder of 1993.

2. The Central Business District construction took up numerous hours planning as well as recabling the entire downtown area. This work was not an easy project. There is still a significant amount of work to be done, all of which should be completed next year.

3. The town purchased a solid state Form 4 Fire Alarm Control Panel. This replaced a 1920 vintage panel which was in need of replacement. When this was installed it was also required that all Fire Alarm Boxes be re-timed to a fast time mode. This means that approximately 150 boxes

had to have this done. This division did this in minimal time and will not have to have this done again. As a result of this changeover, no box will transmit its code number into the fire alarm whistle system. All boxes transmit its code into the decoder which then transmits Box 331 only. When the department is assured of full time dispatcher coverage, the automatic transmit feature will be eliminated and all incoming boxes will be re-transmitted on a selective basis. In short, dependence on the fire whistle system, which has been in service since 1888, will be substantially reduced.

4. In December of this past year we experienced a snow storm that completely devastated the Fire Alarm wires. This storm lasted about three days but would be felt by us for weeks to come. We still have work to be done to make the temporary repairs permanent.

We now have 79 master boxes on the system as well as 84 street boxes for a total of 163 boxes. We collected \$10,320 in master box fees.

Another Serious Fire

Police Department

(Main Street 668-1095)

Chief Joseph Betro - Lieutenant Richard B. Stillman - Jean Fontes, Chief's Secretary

Changing of the Guard

The following is a list of the full-time members of the Walpole Police Department. Chief Joseph Betro would like to thank every one of them for their help and support in his transition to Chief of Police.

Sergeant William Wall
Sergeant David Gormley
Detective Sergeant Scott Bushway
Sergeant William Fitzgibbons
Sergeant Robert Anderson
Detective Mark Dalton

Detective William Bausch
Patrolman Robert Ela
Patrolman Harold Hope
Patrolman Harry Tominey
Patrolman Scott Parsons
Patrolman Jan Shultz
Patrolman William Djerf III
Patrolman John Piasecki
Patrolman Timothy Songin
Patrolman Owen Forrest
Patrolman James Dolan
Patrolman Charles Kelly

Patrolman Daniel Moynihan
Detective James Donahue Jr.
Patrolman Martin McDonagh
Patrolman James Kannally
Patrolman Steven Giampa
Detective Richard Burke
Patrolman Russell McLauchlan
Patrolman Kenneth Scanzio
Patrolman Peter Salzberg

Patrolman Steven Kenney
Patrolman Shawn Ryan
Patrolman David Sullivan
Patrolman Steven Palmer
Patrolman Richard Ryan
Patrolman Fred Leland
Patrolman Warren Goodwin
Dispatcher Joyce McCormack
Dispatcher Janet White

1992

On January 31, 1992, Armando J. Betro retired after 18 years as Chief of Police and a career spanning 42 years on the Walpole Police Department. Armando was sworn in as a Patrolman in 1949. He was promoted to Sergeant in 1961 and Lieutenant in 1968. He became Walpole's fifth Chief of Police in 1974. During his tenure as Chief Armando engineered a number of significant changes in the police department to improve the quality of service to the community. In 1949, when Armando started his career, there were nine police officers including the Chief. Today there are 37 police officers, over 20,000 residents and far more complex police problems. The police department and the town of Walpole owe Armando a debt of gratitude.

On February 1, 1992, Joseph Betro was appointed as Chief of Police. Joe has been a police officer in Walpole for 32 years, first appointed in 1960. He was promoted to Sergeant in 1963, assigned as Detective Sergeant in 1978 and promoted to Lieutenant in 1987. The Chief has been working hard to accomplish a number of goals he has set for himself and the department.

In February, there was a fatal motor vehicle accident that claimed the lives of two High School students. This accident, in every manner, was a tragedy and has had a lasting impact on the officers who responded.

In April, the department received two new marked cruisers with a completely different look. The 1992 Ford Crown Victorias are significantly changed from previous models requiring a new color scheme. In November we acquired two additional models of the same style.

In May, the department participated in Bird Park's 'Day in the Park', which gave us an opportunity to showcase our new cruiser and provide information on a number of safety matters to the public.

DARE Officer Harry Tominey

Also in May, the entire department became involved in the Central Business District project in varying capacities. This project created a number of challenges to the police department and everyone worked very hard to make it proceed with as little impact on the public and the merchants as possible. There were some snags but the department hopes that the relationships developed between the police and the public will continue to grow and together Walpole will profit.

In July, David C. Hall, a Polaroid representative, donated Polaroid cameras and film to the police department. These cameras were put in each cruiser so officers could document on film evidence, accident scenes, etc. that may not have required 35mm shots. This enhanced our reporting as we now have photos as well as narratives.

In August, the department purchased Pepper Mace and PR-24's (specialized police batons) for every officer. Each officer underwent

a number of hours of training to become certified in each of these intermediate force weapons.

In September, the Law Enforcement Television Network, LETN, went on line at the station. Officers receive nationally accredited training through satellite transmitted video. These are broadcast nationally and keep officers up-to-date on the latest techniques in law enforcement.

Officer Sullivan getting information from resident for glass etching program

In October, the Chief organized an auto glass etching program designed to deter car theft. A number of officers, dispatchers and civilians volunteered to assist the Chief in this program which turned out to be a big success. Over 140 cars had the glass etched with the vehicle identification number. This program, sponsored by the Governor's Auto Theft Task Force, is a proven deterrent to car theft and reduces auto theft insurance premiums.

Also in October, Fred Leland returned to this department after 15 months with the Charlotte County Sheriff's Department. Fred resigned from this department to relocate in Florida, but fortunately for us he decided to return to New England and Walpole.

In other news, Officer Peter Salzberg was assigned as the Domestic Violence Officer for the department. In this capacity he acts as a liaison with the District Attorney's Office and other organizations to keep this department in the forefront of domestic violence enforcement. This depart-

ment will continue to have a strong commitment to empowering those who are victims of this devastating crime, and to prosecute those who perpetrate it.

Traffic and Safety

Traffic/Safety Officer Goodwin was asked to sit on a newly formed Safety Committee formed by School Committee member Gene Reilly. The committee make up is from members of the School Committee, School Administration, residents of the town, a representative from the bus company and members from the High School student body. The committee was formed to deal with specific safety problems in and around our public school buildings. So far the committee has addressed a problem of speeding cars through the parking lot of the high school by installing "Speed Bumps" and has disseminated information throughout the schools and the local newspapers about "Parent Responsibilities For The New Driver".

The Safety Officer met with the principals of all the schools and representatives from the school bus company to improve traffic patterns at each of the schools. Officer Goodwin worked with the School Administration and the DPW at the Boyden and Fisher Schools and instituted a new traffic pattern for busses and parents as well as a new "Student Drop Area" at the Old Post Road School where parents can safely drop their children off in the morning to attend school.

The department wants to take this opportunity to commend the school crossing guards. They should be applauded for their enthusiastic efforts to create a safe environment for the children in Walpole.

The following is a list of the crossing guards and the locations they direct:

Mary Tarchea: Main & Front St.
Betty Butler: East St. behind the Bird Middle
Janet Sweeny: Washington St. at the Bird Middle
Mary Ellen Vargas: East & Elm St., Main & Gould
Deborah Hartnett: Elm St. at the Railroad Station
Lot, East & Diamond St.
Lorraine Mackun: Washington St. at Boyden
Charles Day: High Plain & Washington St., High
Plain & Old Post Road
Frank Guida: Main & East St.

Detective Division

Last year was a very productive year for the

Traffic Officer Warren Goodwin

Detective Division. Although there are many goals and projects already planned for 1993, last year saw many projects and investigations successfully accomplished.

Among the more notable events of 1992 are the following:

- A continued participation as members of an 11 town detective association, known as the Norfolk County Detective's Association. Resources are partially funded with grant money that is used primarily for a pool of investigative equipment. Detective Sergeant Bushway and Detective Bausch, who is the primary drug enforcement investigator, attend regular association meetings. Detective Bausch is responsible for statistical data on all drug arrests, and types and amounts of drugs seized. We have assisted Detectives in area towns in various drug investigations and search warrant executions.

- The Detectives are members of New England State Police Information Network, (NESPIN). This is an information clearing house that has been of assistance in the past year.

- The Detectives attend the monthly area detective meeting with other detectives from area towns. Information about various crimes is shared and often cases are solved right at the meeting.

- All the Detectives participated in the vehicle

identification etching program developed by the Chief.

- Using a court ordered wire tap warrant, our Department saw the successful investigation and prosecution of a major arson fire.

- Detective Sergeant Bushway continues to be the designated "Civil Rights Officer" of the police department. Scott attends various civil rights and hate crime seminars and is actively involved in reported Civil Rights violations.

Lt. Richard Stillman and Sgt. William Wall

- In 1992, there were numerous drug arrests and search warrants executed. All our detectives work together during these investigations and have seized cocaine, marijuana and "angel dust" pursuant to these warrants. Detective Bausch has been particularly successful in having a significant impact on drug dealing in Walpole.

Drug Abuse Resistance Education

Chief Joseph Betro, Dr. Thomas Cibotti, Superintendent of Schools, and the Walpole School Committee have implemented the DARE program in the school system this past September. Patrolman Harry Tominey has worked with the administrators and teachers of the Walpole school System to incorporate the DARE program into the school's curriculum.

The DARE Officer creates an ongoing relationship with the Police Department, School Department, and the children of the community. DARE teaches our children from kindergarten through high school that popularity can be found

in positive behavior, that belonging need not require them to abandon their values, that self confidence and self-worth come from asserting themselves and resisting destructive temptations.

DARE teaches them not just that they should refuse drugs and alcohol, but how to do so. DARE gives our children the tools they need to build better, fuller, more satisfying lives.

1992 Police Statistics

	1992	1991
Arrests	393	465

ARRESTS FOR 1992

TOTAL ARRESTS 393

Animal Control Officer

(Town Hall 660-7327)

Mario R. Centimore, Jr.

The Animal Control Officer, appointed by the Selectmen, is charged with the responsibility of enforcing the rules and by-laws concerning dogs and warm blooded animals and the licensing of all dogs in the Town. All dogs must be licensed every year, starting January 1. After May 1, a late fee is charged.

The incidence of rabies in Massachusetts is increasing (e.g. 16 in the Fitchburg area alone) highlighting the need for all cats and dogs to get rabies shots. The "high-risk" animals are bats, foxes, raccoons and skunks, however, in view of the raccoon epizootic, some limited spill-over into ordinarily low-risk animals can be anticipated,

another reason to keep cats at home and leashing dogs.

() 1991		

Civil Defense

(c/o Town Hall)

Roger F. Turner Jr., Director - Dave Doe, Deputy Director - Phil DuBois, Deputy Director

Walpole Civil Defense is comprised of a small group of dedicated volunteers. In reality, we are a unit in training for a major emergency.

Our organization operates under the guidance of the Massachusetts Emergency Management Agency and receives legal authority from the Massachusetts General Laws Ch. 639 of the Acts of 1950 and Amendments. The legislation is often referred to as the Civil Defense Acts of 1950. The Acts are directly traceable to federal legislation. Federal, state and local organizations all work toward the general concept of Emergency Management and today, in keeping with our ever changing times and mission, our organization encompasses the total Emergency Management concept.

The primary mission of our organization is much like that of the Federal and State organizations - to assist in the mitigation of all types of disasters. On the local level, organizations are structured for community needs and requirements, the desires of public safety officials and the interests of the local volunteer staff. In Walpole, your EMA (Civil Defense group) consists primarily of Auxiliary Police, Communications, and Rescue.

Your Auxiliary Police unit, under the direction and control of the Walpole Police Department, receives training in the classroom and participates in numerous town functions such as Night Before the Fourth, Village Fair, road races and the like. The communications group is primarily made up of FCC licensed Radio Amateurs and persons with the appropriate professional and technical skills. The group continues to keep up local and long-distance communications equipment, participation in communication exercises on the state and local level and is developing new skills in the area of digital communications. The Rescue group consists of Massachusetts Certified Emergency Medical Technicians (EMT). Our EMTs continue to maintain their certification, conduct or assist in CPR and First Responder Courses and participate along with the auxiliary unit. Other EMA activities include working on the Comprehensive Emergency Management Plan for the town, allocating Radiological Monitoring Equipment, maintaining the eligibility of the town for federal funding as a result of a disaster, working on SARA plans and the coordinating of the volunteer effort during time of disaster.

Your EMA organization is active during a declared emergency or in anticipation of such a

condition, such as a winter storm or hurricane. During this time, the organization maintains a degree of operational status depending upon circumstances. It is in continuous contact with town departments and maintains two way radio communication with our counterparts at the state EMA area headquarters in Bridgewater.

During the December winter storm, your organization made plans to open emergency shelters, setup emergency transportation and coordinate the services of volunteers.

Walpole EMA is always looking for good people who can assist in the day-to-day operation of the organization or who will join the group of dedicated people who participate during the time of need.

Walpole Civil Defense is in the process of formulating plans to establish a new group under the EMA umbrella. This new group will be the new backbone of EMA organization. It is our plan that this new group will be very talented, flexible and devoted to the cause of EMA. Training will be provided in a wide range of public safety subjects.

If you are that special person interested in public safety and have a wide range of interests, will devote the time and effort and are otherwise eligible, you will receive a wide range of training. This training will include CPR on an annual basis, first aid, radiological monitoring, shelter management, search and rescue, hazardous materials, public safety issues, crowd control, communications and a wide range of disaster related subjects. You may also be eligible to attend other seminars and programs.

On behalf of the town, I must express our sincere appreciation to not only our loyal, regular members who have given so much, but to that very special group of people who assist during the time of emergency. I fully believe that the only way any of us will be able to survive during the time of need is in a coordinated effort of neighbor helping neighbor.

If you are interested in participating in our activities, contact us by writing to Civil Defense, Walpole Town Hall, Walpole, MA 02081. In the event of a declared emergency, you may call 668-1099 and the dispatcher will contact us.

Handicapped Access Committee

(Town Hall)

Harold Paul (1995), Chairman - Catherine Trombly (1995), Secretary - David Conley (1995), A.D.A. Coordinator - James Clerici (1995) - John Saunders (1994) - Brian Connolly (1995)

The Committee has been very active, meeting every week for the first six months of the year because of the new federal laws. The Americans with Disability Act (also known as A.D.A) started in the fall of the year. The Committee has been working to help the Town coordinate all the paper work that is required to ensure compliance with the new law. This entailed a detailed breakdown of all Town facilities and their condition to show what has to be accomplished by 1995 to meet the A.D.A.

Work has also been done so that both Town government and the School Department have processed the proper paper work for hiring practices for the handicapped. Paper work was

sent to all malls, restaurants, businesses, etc., wherever handicapped parking is required with the new regulations, and also requesting that all handicapped spots be painted blue to help deter people from abusing these spots.

This Committee still hopes to see the five year plan for 3 more buildings implemented, 1 in 1994, 1 in 1996 and 1 in 1997.

The Committee thanks the Town, especially the Police Department, in helping to enforce the laws for the disabled. The Committee is happy to say, at the present time, that there is accessibility to handicapped students in every grade of the school system.

Board of Health

(Town Hall 660-7321)

Joanne Muti, Chairperson - Charles Jones, Clerk - Susan Fitzgerald - Edward (Ted) Maloney - Robin Chapell, Health Agent - Linda Shea, Deputy Health Agent - Gail Nixon, Sanitarian - Patricia O'Connell, Administrative Secretary

The Board of Health and Health Department has had a very busy and productive year as they continue in their efforts to promote good public health, prevent disease and protect the environment.

The Board wishes to express their thanks to former members Phil Ross, John Willis, Rob Adler (associate) and Joseph Hughes (associate) for all the time and energy they devoted to the Board. Joanne Muti, is serving her second term as chairperson. Charles Jones is the Boards clerk. Susan Fitzgerald and Edward (Ted) Maloney are also members of the Board. Collectively the members bring valuable knowledge and professionalism to the Board. The Department Head and Health Agent is Robin Chapell. The Health Department personnel Linda Shea, Deputy Health Agent, Gail Nixon, Sanitarian and Patricia O'Connell, Administrative Secretary, have been tireless in their efforts to carry out the Department's everyday functions and the many new tasks during this year. If you have any Board of Health concerns please contact the office at 660-7321.

1992 is the year the Town of Walpole had two asbestos sites finally contained! The Town worked closely with EPA on both the South Street and Robbins Road sites to remedy the unhealthful situations. This Department worked closely with DEP's Circuit Rider program and made inspections with the State to some Walpole facilities that have floor drains to make sure they were in compliance and not discharge into the ground. Hopefully this program will continue and alleviate certain threats to Walpole's groundwater resources. The Department continued to work closely with other nearby towns' health departments to collectively run seminars to educate managers and lifeguards of semi-private pools with the goal of providing better safety, sanitation and pool care for the users in these communities. We also educated mobile food operators with the goal of providing better handling of food and better sanitation practices to lower the risk of food-borne illnesses.

Our department also provides Right-to-know Training for Municipal employees. We also rou-

tinely inspect all asbestos building materials in the schools to make sure of its integrity to ensure the safety of all occupants of the school buildings.

The need for a good preventive health program has long been widely recognized. In keeping with this objective the Health Department contributed to the Walpole High School Health Fair and to "A Day in the Park," providing information on a variety of topics. The Walpole Board of Health was able to reinstate some funding for SCNARC, Norfolk Mental Health, Center for Community Counselling and Education and the Walpole Visiting Nurse Association. Further, the Board, in contract with the State, provides a wide variety of biological supplies including vaccines and diagnostic test kits to Walpole physicians, the school department, pediatric clinics and industrial medical departments.

The threat of a rabies outbreak in Massachusetts was taken very seriously in Walpole. Both the Health Agent and Animal Control Officer attended many meetings and put procedures in place just in case Walpole was affected. The Board of Health sponsors a rabies clinic every year. Dr. Goodband ran the clinic for the town. This year we encouraged cat owners to vaccinate their cats during our clinic and were very successful; 109 dogs and 95 cats were vaccinated this year.

Education is always one of the primary goals of the Board of Health. This year we concentrated a lot of our efforts on providing information on septic system maintenance. In conjunction with the Sewer and Water Department we mailed flyers to homeowners that have septic systems, with information on how to take care of them properly. The flyers emphasized that systems need to be pumped regularly. In addition the Health Department produced a cable show on septic maintenance that was aired multiple times.

The Board of Health continues to review Notice of Intents, preliminary and definitive plans. It oversees groundwater monitoring programs, a mandatory sewer hook up program, an underground storage tank program and a toxic and hazardous materials program.

The health department makes every effort to investigate all legitimate complaints. Follow up action varies from the issuance of orders, ticketing, to taking court action.

The first step in the control of 10 communicable diseases is its rapid identification followed by prompt notification of the local health authority by the medical profession. Reporting of these diseases is required by law and essential in order that appropriate control measures may be implemented should the situation warrant such action.

Communicable Diseases

(Reported)	1991	1992
Animal Bites	22	7
Chicken Pox	62	113
Hepatitis	0	0
Meningitis	8	1
Salmonella	2	8
Fifth Disease	25	1
Streptococcal Infections	0	0
Scarlet Fever	3	0
Pertussis	1	0
Mumps	2	0

Inspections have been a major activity of this department. The goal of housing inspections remained constant - to insure housing that is dry, safe, warm, clean and free from disease carrying vectors such as insects and rodents.

The goal of food and retail establishment inspections are to make sure that the establishment is clean and food is prepared properly to prevent food-borne illnesses. Throughout the year a number of complaints relating to housing and food were reviewed and investigated.

We wish to thank all the agencies, town departments, other town boards and the Walpole Recycling Committee for all of their help and cooperation throughout this past year.

Recycling Committee

(Town Hall 660-7321)

Robin Chapell, Chairperson - Chris O'Leary - Paul Peckham - Florence Subdquist - JoAnn Sprague - Bob Moody - Nancy Farris - Barbara Beech - Mary Lou Scimone

1992 is the year Walpole started Curbside Recycling! Since curbside began, Walpole has recycled 1,113 tons of newspaper, glass, metal and plastic. Over 5,500 free recycling bins have

been distributed to residents. The Recycling Committee and Health Department continue to promote recycling through school programs, "Walpole Recycling" flyers, participation at "A Day

in the Park" and presenting "Recycling Appreciation Awards. Awards were given to:

Stop & Shop Corrugated Facility in July for letting residents and businesses recycle corrugated cardboard at no charge at their facility on South Street.

Resident Marsha Nuovo in August for volunteering countless hours in tidying the permanent newspaper bin.

Resident and Senior Citizen Mr. Larramee in September for his dedication and participation in

the Town's recycling program.

Blessed Sacrament School's Ecology Club in October for the many recycling activities they established in their school.

League of Women Voters in November for their efforts in helping to promote recycling in Walpole.

THE WALPOLE TIMES in December for their efforts in informing Walpole residents about the numerous recycling programs sponsored by the Town and for providing the 1993 Curbside Recycling Calendar.

THE SOUTH NORFOLK COUNTY ASSOCIATION FOR RETARDED CITIZENS, INC.

(508-359-5546)

Robert Mordini, President - Marie Pacella, Secretary - David J. Thomas, Treasurer - Marjorie Lacroix, Recording Secretary

With funding through the Walpole Board of Health, The South Norfolk County Association for Retarded Citizens ("SNCARC") provides and supports services to citizens of Walpole who are mentally retarded. The Association is a non-profit, membership-based organization of more than 500 members, governed by family members of those we serve, including community residents on the Board of Directors.

The Association's work is grounded in its Mission Statement: "The Association is committed to securing for all people with mental retardation the opportunity to choose where and how they learn, live, work and play. This commitment is further extended to reducing the incidence and limiting the consequence of mental retardation through education, research, advocacy and the support of families, friends and community."

There are seven types of programs

1. Vocational training through Lifework Employment Services in Norwood, serving Walpole residents;

2. Lifeworks Day Habilitation and NCE Pre-vocational program in Norwood, serving Walpole residents;

3. Community Residential Facilities serving Walpole residents;

4. Family Support/Advocacy to all Walpole families who request;

5. Social-Recreational and Special Olympics for people with disabilities;

6. Respite Care in Walpole families' in their homes, plus after-school, weekend and summer camp programs for Walpole children;

7. Elder Services to Walpole citizens who are elderly and disabled.

Walpole residents desiring these services for their family member with mental retardation or other developmental disability should contact the South Norfolk County Association for Retarded Citizens at (508) 359-5546, or (617) 762-4001. The Association welcomes visits from interested persons to its community-based programs.

Visiting Nurse Association

(33 West Street 668-1066)

Teresa Fannin, President - Elizabeth Malone, Vice President - Charles M. Boothby, Treasurer - Anne Kirby, Secretary Management: Barbara E. Cade, Executive Director - Barbara J. Lawless, M.S., R.N., C., Director of Clinical Services - Robert P. Bois, Financial Manager - Lucinda C. Williams, Office Manager Clinical Supervisors: Sandra Kershner, R.N., B.S.N., C., F.N.P., Nursing Supervisor - Janet Dorion, P.T., Rehabilitation Supervisor - Judith Hazlett, R.N., Home Health Aide Supervisor

The Walpole Area VNA has experienced a continuing 30% growth in overall visits in 1992. The total number of visits was 50,000 in 1991 and was approximately 60,000 in 1992. The clinical staff has increased accordingly. Referrals have increased by 25-30% most significantly from the Boston hospitals. Despite this growth, overall operations of the WAVNA continue to be efficient and effective.

The office, located at 55 West Street has two office treatment rooms, a pleasant waiting area and a large and comfortable classroom. The classroom is an excellent area for the childbirth education classes, other classes and educational programs. There is ample parking with two spaces reserved specifically for our office patients. The building itself is handicap accessible.

The agency is fortunate that it has been able to recruit staff to keep pace with increased visits. WAVNA has been able to recruit therapy staff to meet patient needs at a time when many hospitals and other VNAs are forced to establish waiting lists for patients requiring therapy. Also, there is no waiting list for home health aide services.

In addition to established services, WAVNA increased its offerings of childbirth education classes, breast-feeding classes, prenatal and postnatal exercise classes and cholesterol screenings. A new class, Infant/Toddler Safety and CPR has been very popular, especially with new parents. Office hours are held daily, Monday through Friday.

The Mental Health Program, started in November of 1991, completed its first full year of operation. This program offers psychiatric nursing care to clients with mental health problems who are having difficulty coping and are unable to access existing services. ALL ages of the population are served. Working under the plan of care provided by the referring physician or psychiatrist, the VNA psychiatric nurse establishes a care plan based on patient mental and physical health needs,

participates in the VNA interdisciplinary team to provide total patient care, promotes mental health education and the prevention of mental illness and communicates regularly with the physician regarding patient condition and progress.

WAVNA continues to provide programs in health promotion to all age groups in addition to traditional home health services. The four major components of the Health Promotion Program are:

1. Health Maintenance for the Elderly - Promotion of good health and maximum functioning for all residents over 60 years of age. Elderly residents who are homebound and have multiple chronic illnesses or conditions but do not qualify for skilled care in the Home Health Program are seen on a periodic basis by a nurse at home. The goal of this program is to assess changes in physical condition, prevent complications and prevent unnecessary hospitalizations. Ambulatory residents are seen at the office for physical assessment and health counseling or at the senior citizen clinics held at the drop-in center the fourth Monday of every month, the third Friday of every month at Neponset View and the second Tuesday of every month at Diamond Pond Terrace.
2. Maternal/Child Health - Promotion of the health and stability of the family during the periods of reproductive maturation, pregnancy, childbirth, the postpartum period and the child rearing years. Services are provided by a maternal child health nurse specialist through home visits. Infant car seats are also available for rental.
3. Communicable Disease - Prevention and control of communicable disease through case-finding and education and provision of follow-up care consistent with public health practice. In addition to following up on reportable diseases through home visits or telephone consultations, the VNA provides vaccinations and various tests during office hours.
4. Public Health - Promotion of good health

awareness for the prevention of serious illness. Periodic cholesterol, hypertension and diabetes screening are held, in addition to regular testing during office visits. In 1992, the VNA conducted cholesterol screening during the Walpole Village Fair and at New Pond Village. The annual flu clinics were held in November. There was a significant increase in numbers of people attending flu clinics.

The Town of Walpole Public Health statistics for 1992 are as follows:

SERVICE	VISITS	
	1992	1991
Home Visits/Health Maint.	300	256
Maternal/Child Health Visits	100	90
Office Visits	951	959
Communicable Disease Follow-Up	5	11
Senior Citizen Clinics	309	363
Flu Clinic	1438	802

Norfolk Mental Health Association

(617-769-3120)

Thomas F. Doherty, Ph.D. Executive Director - Henry S. Goodhue, Director of Finance

The Norfolk Mental Health Association is a private non-profit corporation governed by a citizen Board of Directors who represent each of the twelve towns in its service area: Canton, Dedham, Foxboro, Medfield, Millis, Norfolk, Norwood, Plainville, Sharon, Walpole, Westwood and Wrentham.

The major programs of the Norfolk Mental Health Association available to Walpole residents are:

CUTLER COUNSELING CENTER has a fully licensed staff of social workers, psychologists and psychiatrists bringing together a rich variety of skills and experience to provide a wide range of services to children, adolescents and adults of all ages. In order to be most responsive to individual needs and community concerns, Cutler Center is organized into specialized programs offering services in the following areas: Intake and Emergency; Family and Children; Alcohol and Substance Abuse; Chronic Care; Psychiatry; Adult; Senior Care; Psychological Testing; Assertiveness Training; Separation and Divorce; and Families of Substance Abusers. In the Alcohol and Substance Abuse Program, a significant affiliation has been forged with NORCAP Center providing a most comprehensive approach to the treatment of substance abuse. Each program offers specialized groups and services, such as the Parent-Toddler Program, an educational and supportive experience for parents and their children from birth to age 3; and the Gym Program, a unique blend of counseling and physical activity for children between the ages of 5 and 15.

Other Programs include the Widowed Lifeline offering comfort, understanding, and friendship to men and women at any stage of widowhood; Project HIRE, a sheltered vocational rehabilitation facility for people with emotional, developmental or physical handicaps. Programs include diagnostic evaluations, electronic skill training, work adjustment training and counseling, sheltered, long-term employment, and transitional employment and job placement; Parent-Aide Program, offering trained and supervised volunteer aides who provide one-to-one help to clients in the community, families and individuals in crisis, victims of domestic violence and parents at risk of abusing and neglecting their children; Community Education Programs: The staff of Cutler Center is available to provide talks, workshops and consultation on a wide variety of mental health related topics. These services are available to community agencies, civic organizations, business and industry, schools and the court system. In addition, community education programs on such topics as stress management, assertiveness training and clinical issues are held periodically throughout the year.

Cutler Counseling Center currently has offices in Norwood and Wrentham with the Wrentham office providing the full range of services offered by the Norwood Office.

During Fiscal Year 1992, Cutler Counseling Center provided direct services to approximately 284 people from Walpole. The direct value of these services was 156,239 of which the town of Walpole allocated -0-.

In the past year, people from Walpole who came to us for assistance were often referred by friends, neighbors, family, clergy, school, physicians or community agencies. The most common requests for help concerned such problems as depression and anxiety, difficulties in marriage or family relations, school or behavior-

related problems, and acute or chronic mental illness.

The Norfolk Mental Health Association Board of Directors includes John Sheehan from the Town of Walpole.

Mosquito Control Advisory Committee

(c/o Town Hall)

Linda Shea - John Smith - Joseph M. Hughes - John Cunniff

The Mosquito Control Advisory Committee is formed to study mosquito control and the best

approaches to apply controls. There was no activity reported in 1992.

Department of Veterans Services

(Town Hall, Room 125, 660-7325)

Mario R. Centimore, Jr., Director-Agent - Trudy Bradley, Senior Clerk

The office of Veterans Services provides assistance to veterans and their dependents in accordance with Chapter 115 of the General laws of the Commonwealth of Massachusetts. The

office is available to serve the veteran who is applying for State/Town benefits or who needs information to reach federal offices for services offered by the Veterans Administration.

Recreation Department/Committee

(Town Hall 660-7354)

Dominic A. Baldassari, Director - Joseph LaVita, Chairman - John Eldracher, Vice Chairman - Helen Parlon - John Norton - Frank Brown - Associates Mary Reynard - Ann LaSalle - Diane Justin - Terri Thornton
Sue Abate, Principle Clerk

The Recreation Department leisure time programs offered for 1992 showed a significant increase in participation. Pools, playground and softball showed a 10% higher participation than the previous year. Our economic situation, with less traveling, meant high numbers in all programs.

Programs offered by the department consisted of Red Cross swimming lessons, tennis instruction for all ages, girls softball league, basketball, gymnastics, village music workshop, ice skating, line dancing, arts and crafts and a day camp for developmentally delayed children during the summer. Youth Connection, membership required, for Junior and Senior High School

students meets semi-monthly for dances and game room activities on Friday nights, 7-10PM, with adult supervision and high school mentors.

Recreation Booklets are available at the Recreation Office and the Town Clerk's Office. These booklets have descriptions and information regarding programs offered by the town and also by private organizations.

We would like to commend these organizations and all our volunteers for their participation in helping our youth programs. The Director and the Recreation Committee will continue our efforts to plan and provide new programs to meet the needs of all our citizens.

Fair Housing Committee

(c/o Town Hall)

Joseph M. Hughes - Linda Johnson

There was no activity reported in 1992.

Housing Authority

(8 Diamond Pond Terrace 668-7878)

James J. Armstrong (1993), Chairman - Joseph P. Betro (1996), Vice Chairman - Ernest A. Manocchio (1994), Treasurer - Jay Delaney (1995), Asst. Treasurer - Barbara H. Lorusso (1996) (State Appointee), Asst. Treasurer - Joanne Taylor - Executive Director

The Diamond Pond Terrace office is open from 8:30 AM to 4:30 PM, Monday - Friday. The Commissioners meet at the office at 7:30 PM on the first Monday of each month.

The Executive Director, Joanne Taylor, is in charge of the day-to-day operation of the Authority. She is assisted by Marsha Nuovo who is in charge of applications and rent determination for the 118 elderly units and the 12 family units which the Authority owns. Michael Tracey and Rick Henri take care of all phases of the leased housing programs, both State and Federal.

In 1992 the Authority assisted 69 families with their rent in the private sector under the federally funded Section 8 Program as well as 28 families under the state funded Chapter 707 Program. This past year the State legislature drastically reduced the funding for the 707 program which mandated that the Executive Office of Communities and Development restructure the program, which is now called the Mass Rental Voucher Program. The new program is geared only to people of very low income (200% of the federal poverty level). The amount of assistance to each family was reduced under the MRVP and the program is frozen, the waiting list is closed and no new certificates may be issued.

The waiting list for the Section 8 Program is presently closed but will be opening in the first part of 1993 as the Authority received a new allocation of 25 certificates in late 1992. At this time, the Authority is uncertain as to how long the waiting list will remain open.

The general process to obtain any form of public housing assistance is to complete and file an application. If determined eligible, the applicant's name will be placed on a waiting list and as apartments or certificates become available they will be offered to the person or family at the top of the waiting list. Any questions regarding the various programs, the application process or eligibility should be directed to the administrative staff at the Authority office.

On June 20, 1992 the Authority, in con-

junction with the tenants at Diamond Pond Terrace, dedicated a flag pole in memory of John F. Wade who had been the maintenance supervisor for more than ten years and who had died

Flag pole Dedicated to John F. Wade

very suddenly in 1991. The flag pole was a very appropriate memorial for John who was a Viet Nam veteran. The dedication was attended by a large number of people including his family and friends, the tenants, Commissioners and staff.

The Authority would like to express its continued appreciation to the many town boards and departments who assist us and our elderly tenants particularly, in so many ways throughout the year.

Housing Partnership Committee

(c/o Town Hall)

James Dugdale - William T. Hamilton - Cheryl Chase - Margaret M. Spenser

There was no activity in 1992.

Council on Aging

(Town Hall 668-3330)

Chairperson: Margaret Oram Director: Barbara P. Foley Vice Chairperson: Leo Tetreault Outreach: Conchita L. Geyer Treasurer: Margaret M. Cherven Secretary: Emily Conrad Secretary: Mary E. Rich Members: Charlotte Luippold - Aurelia Newell - Edith R. Oblachinski - Russell Quist Associate Members: Eleanor Bailey - Helen Valentine - Mary Neault - Eleanor Hughes - Susan Maguire - Frances Palmieri - Elaine Platukis - Sr. M. Catharine Murphy OSF - Dolores A. Efthim - Florence Sundquist - Louise D'Espinosa ex-officio

The council on aging continues to provide services and programs to that portion of the Town's population which shows the greatest increase. Currently, in Walpole, we have 3,890 persons designated as senior citizens (a 63% increase since 1980 and 20% increase since 1990 federal census) and of these, 1,260 are between 70 and 80 years of age with 708 over the age of 80.

The Council on Aging was established by the Town of Walpole on April 28, 1969 in response to the legal mandate of the Commonwealth of Massachusetts created by Chapter 495 of the Acts of 1956 and made part of the General Laws Section 8B of Chapter 40. The Council on Aging is an agent of Town government and operates according to Council on Aging by-laws.

The philosophy of the Council is to promote wellness and independent living. It is our goal to respond to the needs and wishes of those we serve. Toward this end we encourage participation and offer a variety of programs. Functioning within the Council on Aging framework are two other organizations: (1) the Senior Citizens Club providing a great many social activities and (2) The Friends of the Walpole Council on Aging, Inc. The latter organization was founded in 1979 under the leadership of Mae Harrington with the original purpose being to provide a bulk mailing rate for the Council's monthly newsletter. Since 1979 the function of the "Friends" group has greatly expanded to include spearheading two van fund raising drives, purchase and maintenance of an automobile for medical appointments, organizing trips, and in 1991 funding the program portion of the FY 92

Council on Aging budget.

In 1992 the "Friends" group, with the assistance of several local builder/contractors, made plans to institute a Home Repair Assistance Program which will be implemented in 1993. In an effort to create an ongoing fund raising mechanism and with the counsel of our volunteer advisors, Walt Tillinghast and John Connor, along with the generosity of Guy Giampapa of Walpole Cable TV, plans have been developed for a Telethon. Others offering expertise and assistance in the planning stages have been Nancy Jarvis of Jarvis Real Estate and Martha Gallacher of Downtown Businessmen's Association. It is planned that this will become an annual event and the proceeds will be used in the immediate future to do a major refurbishing of the Senior Center, purchase materials needed for the Home Repair Assistance Program and to replace the car used for medical appointments.

A wide range of activities and services is available to Walpole's senior citizens including: an active walking club, line dancing classes and fitness programs, whist parties, day trips, craft classes, various health clinics and medical screenings under the auspices of the VNA and/or area professionals. Additionally, senior citizens have available: transportation provided by a 20 passenger mini-bus and an automobile, newsletter, a nutrition program and home delivered meals provided through HESSCO Inc. and funded by the Older Americans Act, seasonal fuel assistance and surplus commodities.

The Council and the "Friends" group joined SHARE New England in March 1992 to

provide registration and food distribution in Walpole. To date 279 families have participated. One area of the Council on Aging that we are most proud is our Outreach program under the direction of Mrs. Conchita Geyer. While carefully carrying out the challenging tasks of providing for the needs of Walpole's homebound and frail elderly, she has with professionalism and compassion brought together elderly individuals and a variety of community services. She also brings continuity into the lives of Walpole's elderly in nursing homes and hospitals and attempts to coordinate the requests for services from the families of the elderly.

Walpole is recognized for having one of the most successful Councils on Aging. Credit goes to an active Senior Club, involved Council Members (7 regular and 11 associate members),

an active "Friends" group, and extraordinarily caring attitude of full time director, Barbara Foley. The Council is the beneficiary of an enormously active volunteer force which in 1992 amounted to 12,949 hours. If this were to be given a monetary equivalent, it would amount to \$75,748. The population served by the Council on Aging is unique not only due to its longevity, but also because most remain taxpayers in the community, they subsidize their own services. Currently, Walpole senior citizens are paying approximately \$18,518,857 in taxes. These dollars in combination with the funds paid for programs by the "Friends" make the Council on Aging a very cost effective program.

To all who support the Council on Aging in many ways, we extend our sincere appreciation.

Center for Community Counseling & Education

(32 Common Street 668-3223)

Rita Johnson, Executive Director

The Center for Community Counseling & Education (formerly known as F.A.C.E.) is a private non-profit, community-based, multi-service center licensed by the Department of Public Health. Services include: outpatient counseling for individuals and families, information and referral, advocacy, and consultation and training. Most commercial insurances and medicaid are

accepted and a sliding fee scale is available. Whenever possible, clients are seen regardless of their ability to pay for service. Services are available to people wherever they fall along the developmental life span; from children as young as four years old, up to and including senior citizens. For more information contact the office listed above.

Heritage and Natural Resources

Town Forest Committee

(Blackburn Hall 660-7354)

Jeffrey Mattson, Chairman - Tom Connolly, Clerk - Leroy Jones Advisors: Nancy Jarvis - Robert Moody - John Cunniff, - Jeffrey Rice

Massachusetts General Laws Chapter 45, Section 21, permits the Walpole Board of Selectmen to appoint a special Town Forest Committee to manage and care for the Walpole Town Forest. Highlights include:

BOYDEN SCHOOL PLAYGROUND COMMITTEE - In April, the committee held a walk-a-thon in the Town Forest to help raise money for a new playground. The walk-a-thon was well attended by young and old and resulted in \$3,000 for the new playground;

DUFFY POINT - In 1991, the Town Forest Committee began its plans to dedicate a section of the Town Forest to Bernard J. Duffy, Jr. On May 5, 1992 the Committee dedicated a section overlooking the Neponset River in his memory.

FATHERS DAY MEMORIAL TREES - The Committee embarked on a project to plant 100 trees in an area which had been decimated by recent storms of its lush vegetation. In May, the Committee sold 100 trees for Fathers Day which helped revive this area.

CLEAN-UP OF TOWN FOREST - During the winter, numerous clean-ups were held on the south side of the Forest with inmates of the Pondville Correctional Center as volunteers.

The Town Forest Committee meets on the first Monday of the month at 7:30PM in the basement of Blackburn Hall. The Committee is extremely indebted to the many volunteers who have made the Forest a valuable, attractive property again.

Cultural Council

(668-8398)

Ellen Goetz (1995) - Judy Donovan (1995) - Tom Noonan (1993) - Karen Tracey (1995) - Priscilla Perkins (1994) - Kenny Paul (1995)

The Walpole Cultural Council is the local representative of the Massachusetts Cultural Council. Our objectives are to promote the Arts, Humanities and Natural Sciences within Walpole and ensure that culture is made readily accessible to all Walpole citizens.

We held our annual grant review meeting on December 1, 1992 at the Walpole Town Hall. The council members voted on each grant proposal that was submitted to the Walpole Cultural Council. A total of \$4,885.00 was made available to the Walpole Cultural Council from the Massachusetts Cultural Council. The entire amount was disbursed among thirteen (13) grants including: a literary artist in residence program, student ticket subsidy for performances at the Boston Symphony Orchestra, performances by the Neponset Choral Society, a performance of "George M" by the Actors Collaborative, the construction of a public sundial at Walpole High School, etc.

The council is always looking for new members as we are mandated to have a minimum of five active members. Anyone interested should contact Kenny Paul at 668-8398.

The money dispersed during 1992 was approximately \$1000 more than that available in 1991, but significantly less than the \$13,000 which was disbursed in 1988.

During the next year, the council will be more actively soliciting the community's input regarding the type of activities we should be funding in the future. A public hearing will be held in the Fall of 1993 following the October 15 grant deadline, but prior to the council meeting, to vote on each grant. The council is encouraging individual artists to apply for grants as long as there is a public benefit to the project such as a performance, exhibit, public sculpture, etc.

Celebration Committee

(c/o Town Hall 660-7277)

Russell Kitteredge, Chairman - Michael Wright - Harold Brown - Francis Brickley

The Celebration Committee, appointed by the Selectmen, plans and oversees celebrations and observances for the Town.

This year two were held: Memorial Day,

May 25, 1992, parade and observance; Veterans Day, November 11, 1992, observance at the Memorial Stone in the center of Walpole.

Historical Commission

(c/o Town Hall)

James J. Lynch (1994), Chairman - Joan Eppich (1993) - Michael Peck (1995) - Stephen Stone, D.M.D. (1994) - Katie Ayres Birtwell (1993), Associate

At a special Town Meeting, held on April 29, 1970, the Town of Walpole voted to establish a local Historical Commission, as outlined by Section 8D, Chapter 40 of the Commonwealth of Massachusetts General Laws as regarding establishing local Historical Commissions. The Commission consists of five regular members and three associate members appointed by the Walpole Board of Selectmen.

The Walpole Historical Commission is an agent of the local government. Our most important goal is the preservation of the community's historic places. The purpose of the Walpole Historical Commission is to work toward this goal by planning for and implementing programs for the identification, evaluation and protection of Walpole's historic resources.

The Commission also coordinates with

other local groups whose interests involve history or historic preservation, such as the Walpole Historic Society, Walpole Public Library and the Walpole Public Schools which often have interests similar to those of the Commission in fostering pride in community identity. The Commission serves as a liaison between these groups and the Massachusetts Historical Commission on matters pertaining to historic preservation programs. Finally, it is the local commission's mandate to be the local municipal "watchdog" for State and Federal preservation agencies, alerting them to local preservation issues.

Our Commission meetings are open to the public and are held on the fourth Wednesday of the month (except July and August) at 7:30 PM in the Deacon Lewis House. We urge any citizen of Walpole who has an interest in historical preservation and wishes to join the Commission, to apply to the Walpole Board of Selectmen.

The Walpole Historical Society, Inc.

(Office: 33 West Street)

Debbie Ranaldi, President - Betty Cottrell, Vice President - Dick Holman, Treasurer - Mary Locke, Librarian/Archivist - Karl West, Secretary - Lorraine Keyes, Corresponding Secretary

The Walpole Historical Society was incorporated, by the Commonwealth, on May 23, 1898. The by-laws state: "The objects of the Society are to preserve and perpetuate the history of the Town of Walpole, in Mass., and to collect, hold, and preserve documents, books, memoirs, curiosities and all other matters, relating to its history and the publication of periodicals, tracts and pamphlets devoted to or treating of historical subjects;..."

The Society is fortunate to have a building in which to hold its meetings and house its memorabilia. In the early 1970's, the house at 33 West Street was deeded to the Town and the Town agreed to lease it to the Society. It was agreed to call the building the Deacon Willard Lewis House, not because he was the first owner, but because as owner of the adjacent Lewis Manufacturing Co., later Kendall's, he was one of the more prominent owners of the house.

The Society is a social organization, that is open to the public, for membership, attendance at meetings or for research purposes. The Society has four meetings a year to promote the objects of the group. These meetings are held at 7:30 PM on the second Tuesday of February, April, September and November.

The Society recently included all schools and churches on its mailing list to encourage further involvement by the town's people. All are welcome to attend meetings, donate items that relate to the above mentioned by-laws and/or to leave bequests or trusts to the Society

Conservation Commission

(Town Hall 660-7268)

Peter Baril (1994), Chairman - Charles Hede (1995), Vice Chairman - Al Goetz (1993) - Brian Fiske (1994) - Katrina Joseph (1994) - John V. Wiley (1994) Robert Marini, Conserv. Agent Debbie Driscoll Admin. Sec.

Conservation Commissions are established by cities and towns by authority granted in Massachusetts General Law for the promotion, preservation and protection of the local natural resources and watershed resources. The Conservation Commission has jurisdiction in applying and enforcing the Massachusetts Wetlands Protection Act and the Town of Walpole Wetland Bylaw.

The Walpole Conservation Commission has six full members and one associate member. The valued members are: Peter Baril, Chairman, Charles Hede, Vice Chairman, Albert Goetz, Brian Fiske, Katrina Joseph and associate member Eileen Neilsen. The Conservation Commission encourages any citizen interested in becoming a member to contact the Conservation Commission or the Board of Selectmen. Members of the Commission are appointed by the Board of Selectmen for staggered three year terms. As a member of the Commission, one will attend hearings scheduled on the second and fourth Wednesday of each month at 7:30 p.m. in the Town Hall. Between meetings, members familiarize themselves with pending projects and conduct site visits. The Commission deals with many important environmental issues, and works actively in the preservation of open space and the protection of wetlands and water resources. The Commission was able to hire a part time agent this year who has been able to help the members in defining and locating wetlands on different projects. The agent is available to help anyone who has questions regarding proposed projects.

PRESERVATION OF OPEN SPACE - The Town of Walpole has over 120 parcels of Conservation land with approximately 1010 acres of land. There are also approximately 1037 acres of State Restricted Wetlands within the Town of Walpole, some of which is conservation land.

These conservation areas provide important habitat for wildlife and protect the ecological diversity of both the flora and fauna within the Town of Walpole. The Conservation Commission controls the conservation property and it is their responsibility to regulate, manage, and promote these conservation areas. Some key acquisitions by the Conservation Commission include the Pinnacle, Cedar Swamp, Cobbs Pond, Turner Pond, Clarks Pond, Allen Dam, and Elm Street conservation areas.

The Conservation Commission, the Board of Selectmen, Town Administration, Omega Associates and the Soccer Field Study Committee were involved in lengthy negotiations this past fall in transferring land to the Recreation/Soccer Committees and Omega Associates off Mylod Street. This land is under agreement for various parcels of land to be maintained under Commission control. When this agreement is executed at the state legislative level, one of the land areas will include land formerly owned by Omega Associates around Bird Pond which will provide access for the public to this scenic area. Conservation land acquisitions are otherwise accomplished by purchases, gift of land donations, tax-title transfer and placement of conservation land restrictions. Conservation land is preserved in its natural state and may be used for passive recreation such as nature trails. These conservation areas also provide areas for educational programs, bird watching, cross-country skiing and canoeing. There are several conservation parcels throughout the Town that provide trail systems for the public. Trail maps are available at the Conservation Commission and the Town Clerk's Office. Interested citizens are encouraged to use the conservation lands and to volunteer their time in helping the Town maintain these areas.

PROTECTION OF WATER RESOURCES -
Under the Wetland Protection Act, M.G.L. Chapter 131, Section 40, the Conservation Commission can regulate any activity such as dredging, filling, removing or altering a wetland. By regulating these activities, the Commission is protecting eight important interests of wetlands: protection of public and private water supply and groundwater supply, the enhancement of flood control and storm damage prevention, the prevention of pollution, protection of fisheries and shellfish and the protection of wildlife habitat. The Town of Walpole has also enacted and adopted its own Town Wetland Bylaw which is similar in content to the Massachusetts statute, but its intent is to allow the Commission to create more restrictive Orders of Conditions if the project warrants such protection. There is one public hearing which addresses both the Town Bylaw and Massachusetts statute in connection with each filing and application submitted.

Any person intending to do work within a wetland resource area or within 100 feet from the wetlands (referred to as the 100 foot buffer zone) must file either a Notice of Intent or a Request for a Determination of Applicability with the Conservation Commission. A public hearing will be held within 21 days of receipt of the filing to discuss the project. At the close of the public hearing, the Commission will vote to approve or deny the wetland filing. If the project is approved, an Order of Condition will be issued by the conservation commission to regulate the activities. The D.E.P. (formerly D.E.Q.E) signs seen around the Town at construction sites indicate that there has been an Order of Conditions issued by the Conservation Commission and approved by the Department of Environmental Protection. If a person intends to work within the 100 foot buffer zone and is uncertain whether the activities constitute a filing, they should first contact the conservation office for a determination. The Commission is empowered by the Wetland Protection act to issue Enforcement Orders and/or levy fines against individuals who fail to file with the Conservation Commission for work near or within wetlands.

In 1992, the Conservation Commission reviewed approximately 43 new filings for various projects throughout the Town, while monitoring the construction of past filings.

As larger parcels of buildable upland become scarce in Walpole, increased pressure is placed on buffer zone work and work adjacent to and within wetlands, thereby significantly increasing the responsibility of the Conservation Commission to see that further development is conducted in the best interests of the environment and the Town of Walpole.

The Conservation Commission will continue working on updating the Town of Walpole Open Space Plan of 1987 and encourages any citizen interested in preparing the update to contact the Conservation Commission. The Commission will also be working on the adoption of a "No Net Loss of Wetlands Policy" for the Town. The Commission is attempting to identify and propose significant environmentally valuable resource areas, which include wetlands for ACEC (Areas of Critical and Environmental Concern) designation. They have also been approached to join the Bay Circuit Trail by mapping out and connecting trail systems with surrounding towns to form the "Emerald Necklace" from Plum Island to Duxbury. The Commission has also worked on the identification and eventual certification of valuable vernal pools within the town. Once again, any person interested in lending a hand to the Commission should contact the Conservation Office.

The Conservation Commission has had a successful year in meeting its goals. Strict enforcement of the Wetland Protection Act, preservation of open space, land acquisitions, protection of groundwater and surface water and preservation of conservation lands were all goals addressed this year. The Commission will continue in their efforts to promote the Town's natural resources and will look forward to meeting the goals outlined for 1993.

TOWN SERVICES

Planning Board

(Town Hall 660-7251)

Elizabeth Nashawaty (1993), Chairman - Joseph Manfredi (1993), Vice Chairman - John Conroy (1995), Clerk - David Kearney (1994) - Leroy Jones (1995) Cindy Berube, Administrative Secretary

The Town of Walpole Planning Board meets on the first and third Thursday of each month, in addition to special meetings as required. All Planning Board meetings are open to the public. Each meeting is held in the Main Meeting Room of Town Hall and begins at 7:30 pm unless otherwise posted. In order to hear vital public input and to provide opportunities for citizens to observe and participate in the planning and development process, the Board encourages citizens to attend each meeting.

The deepening recession was evident in 1992. There has been a decrease in the filing of subdivision applications with the Planning Board. The following graph illustrates subdivision activity in Walpole over the last five years:

Only one preliminary plan and two definitive plans were submitted for approval in

1992. A total of \$6,375 in filing fees was collected to process these applications. The two definitive plans are "Farmview Estates" and "Victoria Circle". The Planning Board will act on these in 1993. The Planning Board also acted on 14 "Approval not Required" (Form A) plans in 1992, collecting \$350 in filing fees.

The slowdown in new development activity did not mean an inactive year for the Planning Board, however. Foreclosures, bank failures and bankruptcies put a number of performance guarantees for ongoing subdivisions in jeopardy. The Planning Board spent a considerable amount of time negotiating with various developers and contractors in order to move unfinished subdivisions toward completion. The slowdown also allowed the Planning Board to complete a comprehensive refinement of its Rules and Regulations Governing the Subdivision of Land and the Issuance of Certain Special Permits.

SUBDIVISION PLANS FILED BY YEAR

In January of 1993 the Board will hold public hearings to see if they will amend the Rules and Regulations.

At the Spring Annual Town Meeting the following streets were accepted by Town Meeting; Cobble Knoll Drive, Liberty Lane, Concord Drive, Helen Lane and Skyview Drive.

Funding for the position of Town Planner was eliminated from the FY93 budget. This unfortunate event prevented the Planning Board from hiring a Town Planner. In the need for professional assistance, the Planning Board contracted Mr. Douglas Landry as their Planning Consultant for one year. This position was supported solely by the Kendall Fund.

In May, John Conroy and Leroy Jones were elected to a three-year term on the Planning Board. A reorganization was subsequently held in which Mrs. Nashawaty was elected as chairman, Joseph Manfredi was elected as vice-chairman, and John Conroy was elected as clerk. David Kearney is the other member of the Town of Walpole Planning Board.

Contrary to the somewhat popular belief, planning is not an activity which is only useful during periods of rapid growth and development. Planning is an ongoing function which is best accomplished when there is ample time to clearly evaluate problems and solutions - in short, when there is time to plan! The Planning Board looks forward to an active 1993 in shaping the future development of the Town of Walpole.

Building Inspector/Zoning Enforcement Officer

(Town Hall 660-7324)

David Conley, Agent - Mary Jane Benker, Deputy Zoning Enforcement Officer - Lucy Beaudet

By Massachusetts General Law, this department is responsible for the public safety and welfare in all buildings and structures in the Town. In addition to enforcing the Massachusetts State Building Code, Plumbing, Gas and Electrical Codes, the department enforces all other applicable State Statutes, rules and regulations, as well as local ordinances and by-laws. The department is responsible for the issuance and collection of permits for all types of construction, as listed below, wiring, plumbing and gas.

Construction activity for the year produced an increase in total permits. Total permits issued for the year were 607, up 102 permits from 1991. Single family dwellings increased from 79 permits to 91 permits. 75 permits were issued for condominiums. Residential additions and alterations increased in dollar value from \$1,684,899 to \$2,084,548. The breakdown for 1992 Building permits is as follows:

Type of Construction	Permits Issued	Estimated Dollar Value
Single Family Dwellings	91	\$13,750,935.00
Town House/Condo	75	5,736,725.00
Commercial Buildings	0	0.00
Residential Foundations	31	6,000.00
Commercial Foundations	1	0.00
Permit Renewals	28	0.00
Demolitions	7	1,000.00
Residential Additions/Alterations	265	2,084,548.00
Commercial Additions/Alterations	56	2,891,275.00
Permits Voided	1	0.00
Stove Permits	12	7,575.00
Sign Permits	24	22,820.00
Pool Permits	<u>16</u>	<u>134,202.00</u>
Totals	607	\$24,635,100.00

Annual Inspections of all public buildings, as required under Massachusetts General Laws, have been made along with the regular inspections; 51 persons have been referred to the Zoning

Board of Appeals from relief from our local zoning laws. All alleged zoning violations have been investigated, some leading to litigation in both District and Superior Courts.

Gas/Plumbing Inspector

668-6680

Robert Heavey, Inspector

During 1992, 274 applications for gas permits compared to 242 in 1991. 456 applications were received for plumbing permits

compared to 336 in 1991. All complaints were investigated with regard to gas and plumbing inspections.

Wiring Inspector

660-7326

Alvah Crosby, Inspector

During 1992, 483 applications were filed for wiring permits compared to 416 in 1991. All

complaints were investigated with regard to electrical installations.

Department of Weights and Measures

(Town Hall 660-)

Wayne E. Manson, Inspector

The Department of Weights and Measures is responsible to ensure the accuracies of various weighing scales and balances and other measuring devices such as gasoline pumps, oil truck meters, spot-checking prepackaged foods, etc. The department impartially investigates any customer complaints regarding unit pricing laws or compliance with all weights and measure laws.

Units tested	263
Units Sealed	297
Units Condemned	5
Units not sealed	3
Units Adjusted	34

The cooperation of town departments and business owners was appreciated during 1992.

Department of Public Works

(Town Hall 660-7305)

Martin W. Feeney, Director - Ruth J. Chamberlain, Administrative Secretary

During 1992, the Department of Public Works continued its tradition of being a service oriented unit, providing the most efficient and professional assistance to the residents of the Town of Walpole. We take pride in the many accomplishments of the Department and, during these economic times, are hopeful that we may continue to provide all the services in 1993 as we have in the past.

The Department of Public Works has been actively and directly involved in the following projects during the past year:

1. Reconstruction of Common Street and the installation of a new 12" Ductile Iron Water Pipe from Washington Street to School Street.

2. Asbestos Removal Projects on Robbins Road and South Street.

3. The Central Business District, (CBD), began in the spring of 1992 and is expected to be completed in the spring of 1993.

4. Removal and Reconstruction of West Street Bridges, (W-3-20 and W-3-21), with completion by August of 1993.

5. Chapter 90 Roadway Resurfacing and Chip Sealing Contracts amounted to \$413,000.

6. Installation of new Neponset Well #1.

On behalf of the Department of Public

Works, gratitude is extended to the Town Administration, the Board of Selectmen and all Town Agencies for their guidance and support throughout the past year. Without their assistance and cooperation, our endeavors could not have come to fruition.

Sewer & Water Division Department of Public Works

(Town Hall 660-7307)

Richard E. Mattson, Jr. Sewer & Water Superintendent - Staff: Marjorie Reddy, Judith Bain, Cheryl Lanzoni

The Sewer & Water Division of the Department of Public Works is accountable for the operation and maintenance of the public Water and Sewer Systems within the Town. Concerns of consumer safety and satisfaction remain a top priority of this division by achieving compliance of the continuously changing State and Federal regulations.

The Administrative Section is responsible for overseeing all functional operations as they pertain to the municipally-owned systems. Tasks, such as quarterly billing, record keeping, scheduling and reporting on such programs as the Lead and Copper and Groundwater Under the Influence Rules continued in 1992. The upcoming year will present still another challenge as research and submittal of information for the newly-mandated Phase II Rule begins.

The Distribution Section is delegated the task of repairing and maintaining the entire general piping system, including all associated appurtenances. This system now exceeds one hundred (100) miles of mainline pipe, servicing over 6,000 accounts and approximately 1,000 hydrants and is classified as a large community system. As in past years, water leaks keep this section very active and, while year-end leak reports indicate a slight decrease in the total amount of repairs, eighty-seven (87) services and nine (9) mainlines required attention for leakage. Hydrant flushing and maintenance continued as well, achieving favorable results, as indicated by Fire Protection Flow Tests and some improvement in quality.

The Meter Section continued the reading and recording of all accounts, in addition to meter installations, repair and testing. Through the ongoing Meter Modernization Program, virtually all meters twenty (20) years of age or older have

been replaced, increasing the accountability of the water system. One hundred fifty-three (153) old or otherwise malfunctioning units were removed and seventy-nine (79) meters were installed at newly-constructed houses.

Responding to general consumer calls for assistance, such as routine and emergency shut-offs, pressure and leak checks, etc., is a major service provided by the Sewer & Water Division, as approximately two hundred (200) calls were recorded.

Figures taken from the recently completed annual Statistical Water Report show that 929,190,615 million gallons of water were pumped and treated in calendar year 1992. While primarily responsible for the Pumping, Storage and Treatment Facilities of the Town, other critical duties are routinely performed within the Sewer & Water Division, such as operation and maintenance of the pressure regulator valves that control and separate different zones. To date, both the Carbon Removal System and the H. E. Willis Treatment Plant continue to operate, as expected, providing water that consistently meets all primary standards.

Major accomplishments during 1992 were the activation of both Neponset Well #1 and the newly constructed 3.0 Million Gallon Storage Facility on Old Post Road. Both improvements are welcome additions and will greatly reinforce the capacity of the Distribution System. Another highlight was the replacement of a turn-of-the-century water main on Common Street. This project significantly increased available water to critical areas, including the Central Business District (CBD).

The cooperative efforts of all Departmental employees, Consumers and Boards, were duly recognized by the Commonwealth of Massachusetts Department of Environmental Protection

(DEP), this past year when the Water Department was given the award of "Most Improved Public Water Supply" for its category. It is hopeful that this spirit of cooperation can continue in years ahead leading to even more improvements.

The Sewer Division is responsible for operating and maintaining the Sanitary Sewer System for the Town of Walpole. Administrative duties include billing and reporting of sewer use discharges in accordance with established guidelines. In general, operation of Sewer Ejection Stations and cleaning of manholes and trunk mains are absolute necessities in averting Public Health problems. Another function of the Sewer

Division is the operation of the Septage Receiving Facility. The "state of the art" facility started operating in January of 1992 and review of year-end records show that 962,585 gallons of septage were received and discharged at the site.

The Sewer & Water Division would like to thank all consumers of Walpole for their cooperation and understanding of the past year, particularly those who were inconvenienced during our construction projects. In conclusion, I wish to express my sincere appreciation to the loyal and dedicated staff of people employed within the Sewer & Water Division, as well as other Department of Public Works personnel and Town Officials associated with the operation.

Engineering Division Department of Public Works

(Town Hall 660-7211)

Mark Coviello, P.E. Town Engineer - Margaret Walker, Victor Serena, Mark Jones

The Engineering Division of the Department of Public Works provides guidance and technical assistance to all of the various departments, boards and commissions within Town Government, as well as to the citizens of Walpole.

Updating of town maps and plans, such as the Assessor's Maps, Zoning Maps, Street Maps, etc., is an important duty of the Engineering Department. Maintaining the accuracy of these maps and plans is extremely important for charting and managing growth within the Town, as well as assuring the accuracy of the tax base. This updating process also includes maintaining accurate as-built plans for all road and utility construction within the Town ways and properties.

The Engineering Department, as part of its ongoing duties, provided reports to the Zoning Board of Appeals on approximately thirty (30) cases and on approximately twenty-five (25) filings to the Conservation Commission. This involves a review and analysis of submitted plans and technical reports to assure conformance to local law and town standards.

As part of its subdivision approval process, the Planning Board required the assistance of the Engineering Department in its technical review of proposed subdivisions, calculation of subdivision performance bonds and in the inspection of all active subdivisions. During 1992,

four(4) subdivisions, with a total of eighty (80) potential house lots, were reviewed. Approximately twenty (20) active subdivisions in various stages of completion were inspected.

The Engineering Department also provides technical assistance to the Board of Sewer & Water Commissioners and on request from other Boards, such as the Board of Selectmen, Board of Health, etc.

In addition to the above, the Engineering Department has completed the following during the year 1992:

1. Issued One Hundred Twenty-five (125) Street Opening Permits and provided the necessary field inspections.
2. Prepared seven (7) Street Acceptance Plans and the associated documents.
3. Completed in-house the Design/Construction Contract for the Common Street Water Main Replacement and Road Improvements.
4. Prepared several Construction Contracts for the Resurfacing of Various Town Streets and Sidewalks.
5. Coordinated with the State Highway Department and Town Consultant in the advertisement for Construction of the Traffic Signals and

Intersection Improvements at Washington and High Plain Streets Contract.

6. Prepared the Site Plan for the Robbins Road Composting Site.

7. Pulled the Performance Bond on the Pheasant Hill Subdivision and contracted out to complete the remaining work.

8. Continued to check the accuracy of the Street Light Inventory and to make changes to more cost effective light fixtures. My sincere gratitude to all Town Officials and Town Agencies for their continued support and guidance throughout the past year and to my personnel for their diligence in enabling the Engineering Department to perform a high caliber of efficiency during 1992.

Highway Division Department of Public Works

(Highway Dept. 660-7328)

Walter R. Preibis, Highway Superintendent

The Highway Division of the Department of Public Works is responsible for the maintenance of sidewalks, streets, storm drainage systems, traffic signals, street signs, pavement markings, fences along the roadways and snow and ice control operations.

Under the provisions of the Chapter 90 State Grant, we were able to continue our Roads Program and the following thirteen (13) streets were paved in 1992: Gould Street, Peach Street, Fisher Street, (from Woodruff Road to North Street), North Street, (from Fisher Street to Nightingale Farm Road), North Street, (from Fisher Street to Route 109), High Street, (from North Street to Kennedy Lane), High Street, (from Ridge Road to Homeward Lane), Northwood Drive, Old Post Road, (from Grant Avenue to Pleasant Street), Short Street, South Street, (from Brown Drive to Oak Street), Woodward Road and Washington Street, (from North Lewis Park Drive to High Plain Street).

Also, under the provisions of the Chapter 90 State Grant, the following twenty-one (21) streets were either leveled and chip sealed, or just chipsealed: Appletree Lane, Donna Drive, Deborah Drive, Lois Drive, Adams Road, Coolidge Road, Hoover Road, Burns Avenue, Killeen Road, Pontiac Road, Wampatuck Road, Chicatabut Drive, William Street, Marion Street, Woodruff Road, Francis Road, Pine Street, (from Route One to Town Line), Washington Street Extension, South Street, (from Washington Street to Clinton Avenue) Thomas Street and Cedar Street, (from Main Street to Carl Road). Under the provisions of the Common Street Water Main Contract, we were able to have Common Street bombed and

resurfaced from Lewis Avenue to Washington Street. The Highway Division completed the following asphalt and cement projects during 1992, which included:

ASPHALT SIDEWALKS

1. Sidewalks were resurfaced at the following locations: 125' on Hutchinson Road; overlaid 1,500' on MacDonald Circle; Woodruff Road, (even side); Fisher Street, (from Main Street to Woodruff Road); Clarkson Drive, (even side); Conifer Drive, (both sides); Chandler Avenue, (both sides); 400' section of Cedar Street; High Plain Street, (from Old Post Road to Washington Street); and Woodard Road.

2. Old concrete sidewalks were removed and replaced with new ones at the following locations: 160' at 990 East Street; 450' on East Street, (by Gallo's Greenhouse); 325' on Lewis Avenue, (from Common Street to Greenwood Avenue); 290' on Massachusetts Ave., (at various locations); 160' on Clapp Street, (odd side); 550' on Clapp Street, (even side); Washington Street in East Walpole, (from Chestnut Street to the bridge); 220' at corner of Pleasant Street to House No. 68 on Union Street.

3. New handicap ramps were installed at the following locations: two (2) ramps at the East Walpole Post Office and fourteen (14) on Common Street, (by Senior High School).

4. Bituminous berm was installed at the following locations: 150' of berm along Washington Street, (from Donnell Road to Pilgrim Way); 1,700' of Cape Cod berm was installed on the even side of Pilgrim Way; and 300' was installed

on Coney Street.

The Highway Division performed the following drain maintenance work during 1992: 400' of 12" drain was installed on Oak Street, (from Oak Hill Drive to South Street) along with a new catch basin. At the corner of Lake Avenue and Massachusetts Avenue we installed a new catch basin. We installed new 12" drain lines on Cedar Street and graded gravel road in anticipation of moving gate some 1,200' easterly of Birch Street. On Stony Brook Road, new drains were installed and the roadway was resurfaced. Maintenance was done on fifty-two (52) catch basins and manholes which were either rebuilt or re

paired. On a contract basis, 2500 catch basins were cleaned during the past year.

The following miscellaneous work was performed by the Highway Division: two hundred four (204) signs were either repaired or replaced throughout the town. A Pavement Marking Contract for line painting of crosswalks, center lines, stop lines and parking stalls were applied to twenty-four (24) miles of roadway throughout the town.

In conclusion, I would like to commend my personnel for their consistent "high caliber" of work and to all Departments and Town Agencies for their continued support.

Maintenance Division Department of Public Works

(Vehicle Maintenance 660-7329)

Ben Gove, DPW Maintenance Superintendent

The DPW Maintenance Division of the Department of Public Works is responsible for the repair work and maintenance of the town-owned vehicles and miscellaneous equipment excluding fire trucks. A regularly scheduled Maintenance Program was instituted to perform work on fifty-one (51) motorized pieces of equipment operated by the Department of Public Works during 1992, i.e., Water, Sewer, Cemeteries, Parks, Recreation, Building Maintenance, Highway and DPW Maintenance Departments. In addition, eleven (11) automobiles assigned to various town departments, thirteen (13) Police Department vehicles, two (2) Town of Walpole ambulances, the Animal Control vehicle, the Senior Citizens' van and one Fire Department automobile were also part of this regularly scheduled maintenance program. Also maintained were the following pieces of equipment: the auxiliary engines at nine water pumping stations, three water booster stations and one sewer booster station; sewer rodders and jettas, centrifugal and diaphragm pumps, portable generators, natural gas, diesel engines, welders, flail and rotary mowers were also serviced and repaired.

Major repair work performed during 1992 included the following: thirty-two (32) brake jobs; four (4) rebuilt engines or replacements; five (5) valve jobs or head and manifold gasket replacements; three (3) axle and differential repairs; five (5) transmission overhauls and services; fourteen (14) front end overhauls and repairs; three (3) ring gear and flywheel replacements; six (6) water

pumps; ten (10) power steering overhauls and re-sealing; nine (9) heater cores, radiators and fan clutch replacements; and two 4x4 drive shaft and front end hub repairs.

In addition, four (4) body repairs and door replacements were performed; two (2) rocker panels were repaired; and we painted three (3) trucks. We did a complete paint job on a Police car conversion to a Water Department sedan, as well as doing body work and interior work. Both front end loaders had hydraulic steering motors rebuilt, as well as having both steering cylinders rebuilt. Cutting edges were replaced on the loaders and backhoes. Sand-blasting and painting of all sander units and snowplows were completed, along with repairs and welding of all snow plowing equipment.

The equipment purchased with money from the PEG Grant included the following:

- (a) 35,000 GVW Dump Truck
- (b) 12,000 GVW 4 x 4 Dump Truck
- (c) Elgin Street Sweeper
- (d) Bombadier Sidewalk Tractor
- (e) 9' Reversible Snowplow
- (f) Stainless Steel Sander Unit
- (g) One Ton Patch Roller

All of this equipment was checked out for compliance with Town specifications, i.e., Town Seals and Labels were installed along with Town radios and accessories. Emphasis has continued to

be placed on "Preventive and Routine Maintenance" which has proven to be "cost effective". As a result of this Program fewer breakdowns and less vehicle downtime has occurred. Major repair expenses, both in terms of supplies, parts and labor, have been kept to a minimum.

In conclusion, I would like to thank my

Parks, Recreation and Cemeteries Department of Public Works

(Blackburn Hall 660-7354)

John Cuniff, Superintendent

The Parks, Recreation and Cemeteries Division of the Department of Public Works has a staff of eight (8) full-time employees who are responsible for the grounds maintenance of all town-owned property which includes schools.

The Parks Division mows over sixty-five (65) acres of grass which is spread out over thirty-five (35) separate locations. Our work includes the liming, fertilizing and seeding of lawns, as well as cutting grass and trimming shrubs. In addition, we cut brush and pick up litter along the public roadways. Litter receptacles, which are placed around town, are emptied twice a week.

There are thirteen (13) baseball and softball fields which we maintain on a regular basis. We also line all of the school-owned fields for spring and fall sports schedules, as well as installing and removing football and soccer goals and tennis nets. Maintenance of the Irrigation System at the High School is another one of our responsibilities. During the winter months we check the ice surface at Turner's Pond on a daily basis. We are also responsible for plowing sidewalks and for the hand-shoveling around all town-owned buildings and schools.

The Cemeteries Division maintains five (5) cemeteries totaling approximately ten (10)

personnel for their continued dedication and cooperation throughout the past year, as well as Department Heads and Management for their continued support, all of which have helped to make the DPW Maintenance Division of the Department of Public Works the "finest" in this area.

acres of grass, all of which are limed, fertilized and seeded. These areas are mowed on a regular basis. Shrubs are trimmed regularly; flowers are planted for Memorial Day; and flags are placed on the graves of all veterans in all cemeteries, both public and private. I would also like to add that all burials are taken care of by this Division.

In conjunction with the Board of Health and their Solid Waste Program, the Parks & Cemeteries Division handles the curbside leaf pickup in the fall and the pickup of Christmas trees in January.

In September of 1992, we reaped the benefits of our "leaf composting" efforts. Approximately eight hundred (800) cubic yards of material from 1989 and 1990 were used to rebuild a one (1) acre parcel of athletic field at the Bird Middle School. The removal of leaves from solid waste, and reusing the end product, saved the Town of Walpole in excess of \$10,000.00.

In conclusion, I would like to extend my gratitude to all Town Departments and Agencies for their continued support during this past year. I would particularly like to thank my personnel for the capable assistance they provided to enable the Parks, Recreation and Cemeteries Division to fulfill their duties and responsibilities in 1992.

Building Maintenance Division Department of Public Works

(Town Hall 660-7208)

James F. Clerici, Building Maintenance Superintendent

The Building Maintenance Division of the Department of Public Works maintains a sophisti-

Susan Abate, Secretary

cated woodworking facility with all of the necessary machinery, tools and equipment to provide most of the services needed to keep all of the

town-owned facilities in repair. It is necessary to hire the services of vendors when we have problems in the areas of electrical, plumbing, boiler and HVAC systems. The Building Maintenance Division, however, assists with the above vendor-related repairs and are responsible for the care and upkeep of the physical plant in every town-owned facility. This includes Capital Improvements, Asbestos Management Programs and Oil Tank Replacements.

Energy Conservation, Vandalism Prevention Programs, Asbestos Management, Roofing, Boiler and Burner Replacement and Fuel Tank Replacements are a prime concern and to this end we are constantly updating our knowledge and implementation of new techniques to improve the efficiency and safety of our facilities.

The Education Cooperative Plant Administrators Association consists of twenty-five (25) towns of which the Town of Walpole is a member. We have bid for heating oil for the past fifteen (15) years to acquire the best possible price in order to keep the facilities operating as efficiently as possible. At present, No. 2 heating oil is priced at \$.64 per gallon for the Town.

The Reroofing Program is in its eleventh year. All of the larger roofs on our facilities have been replaced. Roofs were completely stripped of all coal tar, pitch and gravel. Three (3) inches of insulated board was installed and rubber roofing was secured to it. This not only makes the roof water-tight, but adds to the heating efficiency of the buildings as well. Unfortunately, there is no money available to continue this program.

Asbestos, wherever located in the public buildings, is constantly monitored. Great care is taken to protect all persons by a combination of removing, covering or permanently sealing in place asbestos that could possibly become friable. Inspections are made every six (6) months by a qualified licensed inspector. A report is put in the hands of the Building Maintenance Division and any and all potential problems are properly taken care of immediately. All asbestos has been removed from the boiler rooms in the Fisher School and the Plimpton School. Asbestos has been wrapped in the corridors of the Senior High School and the Bird Middle School. Total costs for all projects was \$58,700.00.

Heating fuel oil tank tests were performed on all oil tanks requiring testing. The tanks proved to have no leaks, but are being replaced

because of their age as monies will allow. To date, the following tanks have been replaced: Plimpton School, Johnson Middle School, Boyden School, Center Library, East Walpole Library, Police Station, Center Fire Station, South Fire Station and Town Hall. At the Fisher School the 10,000 No. 2 fuel oil heating tank and the 500 gallon diesel fuel tank have been emptied, thoroughly cleaned and filled with flowable fill according to all laws and regulations. The Building Maintenance Division began a long range plan for burner conversions eleven (11) years ago to convert all No. 4 oil burners to combination gas and No. 2 oil burners. The last buildings to be converted are the following: Police Station, East Library and Center Library with the latter being completed this year.

The Lexan Replacement is an ongoing program. This Division has purchased and installed over five thousand (5,000) square feet of lexan at the Senior High School to replace the fogged lexan at a material cost of \$14,760.00. We are performing a two-fold operation, i.e., as the window sash is removed, unit replacement parts are being replaced to save time repairing them at a later date. The Town Hall, Blackburn Hall and Fisher School have been completed. One quarter of the lexan has been replaced at the Bird Middle School. To date, the Town of Walpole has replaced \$36,149.00 of lexan.

The Bird Middle School has been renovated to make the building "handicap accessible" in accordance with our Handicap Accessibility Program. Funds have not been provided in the Capital Budget, however, to continue this Program. All asbestos has been properly disposed of at the Boyden School. After a sprinkler head let go in the attic, causing damage to the rooms below, new ceiling tiles and carpeting had to be replaced. This facility has now been completely renovated.

Due to the Vandalism Prevention Measures taken by the Building Maintenance Division, the drop in the cost of vandalism has dropped from over \$100,000 in 1973 to \$17,000 in 1992. A countless number of repairs are made on an ongoing basis, such as door checks, rixons, glass replacement, hardware, stairs, shades, drapes, furniture, frames, grilles and major and minor repairs to any part or content of all public buildings.

The Building Maintenance Division performed the following work at various schools and town-owned buildings throughout 1992:

At the Senior High School, we reinstalled louvres in the auditorium; repaired damaged fold door in gymnasium; covered steam pipes with insulation in lower corridor; replaced ropes on smoke doors at ceiling level in auditorium; repaired roof flashing on science wing roof; lubricated pulleys for basketball nets; removed glue from all exterior locks; repaired manhole; repaired floor and ceiling tile; repaired hardware, glass, hinges and all mechanical devices; and repaired broken glass. In addition, the handicap hardware continued to take much of our time for repairs. This consists of levers several inches long, making the pressure on the hardware excessive, causing breakage.

At the Johnson Middle School, we replaced toilet partitions; welded door on milk cooler; cut and installed ply for new bubbler; welded handrail in hall; repaired gym fold door; welded legs on tables; repaired broken lockers in boys' room; built and welded a steel bench for boys' locker room; and we repaired thirty (30) chalk boards.

At the Police Station, we maintained the tower clock, which needs to be reset and rewound by hand; we installed plyscore on second floor meeting room and installed used carpet from Boyden School; we installed radio antenna on cupola and ran wiring; a new air conditioner was installed on the second floor; we installed a scanner TV shelf; we removed treads from front and part of rear stairs and installed filler and new treads; we replaced downspout at rear of building; and we repaired a leak in clock tower.

At Center Library, we repaired lock to breaker panel; we repaired TV camera at handicap ramp; we repaired security system; and we replaced hot water heater.

At Bird Middle School, we repaired floor and ceiling tiles; we installed new building sign on chimney; and we made and installed window screens for 80% of the windows.

At Town Hall, we installed an air conditioner in the School Administration office; vandal grilles were installed in the boiler room; we relocated telephone wires in Planning Board office; a cabinet was installed in the office of the Director of Public Works; we replaced movie screen in Selectmens' Meeting Room; we reversed front door for handicap access; the floor in kitchen was completely stripped and waxed; formica on univent covers was put in several rooms; we

moved several offices to other locations; all stair rails were removed and were stripped, sanded, refinished and then reinstalled; and we completely removed the ceiling in the mens' room for the plumber and replaced same.

At the Department of Public Works Town Garage, we replaced three (3) overhead doors and hooked them up to electric door openers; we made seats for swings; we repaired picnic tables; ramps on Parks Department trailer were installed; the fountain was replaced; and we built "caution barricades" for the Highway Department.

At Blackburn Hall, we purchased extra heavy duty window grilles and installed same; we replaced smashed windows; a partition in Recreation office was installed, as well as installing a handicap ramp at entrance to Recreation office.

At Old Post Road School, we cut, finished and installed plywood for new handicap water bubbler.

At Turner's Pond Cabin, we installed a fire alarm system with direct hookup to the Center Fire Station; we removed oil fired burner and replaced it with gas fired burner; we removed the oil tank and disposed of same; and we also dug a trench for a gas line to the new burner.

At Turco Field, we removed a portion of the seating and replaced same with aluminum.

At Turco Field House, we removed graffiti; and we also repaired roof and rakeboard.

At East Library, we repaired front stairs.

At Grit Chamber, we installed new air conditioner.

At Common Flag Pole, we installed aluminum angle over rope to prevent theft.

At Pools and Bathrooms, we prepared for the swimming season by caulking and painting pools; reconnecting all plumbing and filling pools and having water tested; in addition, we connected all pumps and pressure tested when finished.

The Building Maintenance Division is also responsible for setting up and taking down all voting polls in seven (7) precincts. Our department also made a voting sign for the Center of Town.

In conclusion, I would like to take this

opportunity to thank my personnel and all Depart

ments and Town Agencies for their continued support during this past year.

Permanent Building Maintenance Advisory Committee

(c/o Town Hall 660-7208)

Albert C. Miller - Leo F. Tetreault - Edward Lamore - James Aquilino

The Permanent Advisory Building Maintenance Committee was formed on April 4, 1955. The Committee, appointed by the Town Moderator, consists of no less than six (6) members whose terms of office shall be three (3) years. The Town Administrator is considered a permanent advisor to the Committee. Members serve without per-

sonal remuneration. At least once a year, the Committee makes an inspection of all public buildings and grounds and makes a written report to the Board of Selectmen, with a copy to the Finance Committee, specifying any and all repairs and alterations deemed necessary. This Committee shall also act in an advisory capacity to any building committees.

Personnel Board

(Town Hall 660-7294)

Thomas Bowen, Jr., Chairman - Laura Richall, Vice Chairman -Terry Hogan - Lorraine Shamon - Gary Wallrapp - Valorie Donohue, Secretary

The Personnel Board meets at 7:30 P.M. in the Town Hall on the first and third Wednesdays of the month.

The Board has been in the process of

reviewing and updating job descriptions. During the early winter the annual wage and salary survey of the ten surrounding towns was conducted in preparation for consideration of wage and salary adjustments to be submitted to the 1993 Spring Town Meeting.

Sewer & Water Commission

(Town Hall 660-7307)

Robert Van Ness, Chairman - Robert Barrett, Clerk - Patrick Fasanello - Kevin Muti - William Lestan - Mary Frisbee, Secretary

The Sewer & Water Commission welcomed new Commissioner, William Lestan, and at our first meeting elected Robert Van Ness, Chairman and Robert Barrett Clerk. Patrick Fasanello and Kevin Muti continue to serve on the Board.

The Commission continues to work on improvements of the system. This task is becoming more challenging in light of our difficult economy. In spite of the recession, we were able to replace the 96-year old 10" water main on Common Street with a new 12" pipe which greatly improved water flow. In addition, we have replaced water lines at the intersection of Common and Washington Streets and will be replacing the water mains at the intersection of High Plain and Washington Streets. These improvements are the first steps in improving the Wash-

ington Street distribution system.

Neponset Well #1 was put on line in April and has been a great asset in improving our daily water requirements. As a result of the remedial action on the South Street asbestos site, we were able to replace both sewer and water lines on part of this street which will allow us to loop the system in this area.

We continue to battle with the MWRA on a few fronts. One area which has caused a great deal of concern and has forced the ratepayers additional unjustified rates has been the methodology of determining the sewer assessment for the Town of Walpole. The current formula bases the rate on population rather than by volume. We are hopeful that the ratepayer revolt continues in

many communities and that we will see relief in the near future.

Our new Septage Facility continues to see some improvement in use, and it is able to pay for ongoing operation and maintenance costs. However, for the next few years, our long and short term borrowing and interest is causing a financial short fall.

The Commission would like to thank Jim Merriam, our agent, Marty Feeney, DPW Director, Superintendent Rick Mattson, and his staff for their outstanding work this past year. We share their pride in being chosen the Most Improved Water System for 1992 by DEP. Finally, a very special thanks to our secretary, Mary Frisbee.

Tree Warden

(Town Hall 660-7354)

John Cunniff, Warden

The position of Tree Warden is required by the Acts of 1899, Chapter 330 and the Town of Walpole complies with the Act in accordance with Sec. 4-4 of the Town Charter. The duties of the Tree Warden include the care and maintenance of all public shade trees, and the removal of those trees that are dead or hazardous. In 1992, over 30 stumps were ground down. In the Spring

twenty five trees were planted in various locations as part of a reimbursement program from trees lost during Hurricane Bob in August of 1991. The heavy, wet snowstorm of December 12-13, caused moderate damage to trees around town and required the hiring of private tree contractors to open some roads to facilitate snow plowing.

EDUCATION

School Committee

(c/o Town Hall 660-7200)

Garrett H. Dalton, Chairperson - Dolores Efthim - Gene F. Greene - Jean Hogan - Christopher Jackson - Eugene Reilly - Edward Thomas

As ever in the past the School Committee wishes to express its thanks for the efforts of the entire staff of the Walpole School Department for its part in helping all the students in our district to reach their potential. Thanks are even more to be offered because this past year has seen a continuation of the reduction of resources and financial support of our young people. Our students continue to perform well on those measurements which are measurements from outside the school system. The most common measurements include the Scholastic Aptitude Test (SATs), Comprehensive Test of Basic Skills, a commercial testing device which Walpole uses, and the MEAPs, which is the Mass. Educational Assessment Program given every other year and one in which our students have raised their scores every year. A better index of the educational production in the schools may well be the level of satisfaction of the community in the educational process afforded our young people. This sense of the school department's accomplishment is still strong in the public's eye in our opinion.

This past year has brought to fruition the construction of the long-needed addition to the Old Post Road Elementary School. Although funds have not come from the Commonwealth for the construction of the addition in this calendar year, construction was started in December of 1992. Through the efforts of the Permanent Building Committee, the Town Administration and the School Committee, a plan was presented at a Special Town Meeting on August 31 to borrow funds in advance of the state reimbursement to

start the project. The concept was overwhelmingly approved by Town Meeting members with two major results. The long overdue project was commenced almost immediately and the lowest possible costs for all phases of the project have been realized. The classroom portion of the addition is scheduled for completion August 25, 1993. As the project has been ongoing, the cooperation of all town departments has helped the general contractor move along this project as quickly as humanly possible.

In July of 1992 the School Department was notified that Walpole High School was named as one of the "heirs" in the will of John and Nora Ahearn. Mr. Ahearn was a graduate of Walpole High School, Class of 1934. They left the receipts of their will in four major parts: a. The American Cancer Society; b. The American Heart Fund; c. The Arthritis Foundation; d. Walpole High School. Walpole High School expects to be able to use some of the monies from the trust established in the name of Walpole High School in the spring of 1993. Many thanks are extended in the memory of John and Nora Ahearn for their remembrance of the young people of our town.

Retired Personnel:

James Burke - P.E., High School
Carol Sacerdote - Science, Johnson
Frank Calf - Custodian, High School
Joseph Simonelli - Custodian, Johnson
Shirley Crown - Secretary, Johnson
James Quinn - Math, High School

School Superintendent

(Town Hall 660-7200)

Dr. Thomas M. Cibotti, Superintendent of Schools - Daniel R. Feeney, Assistant to the Superintendent - Alicia Shea, Education Specialist for Special Services/Chapter I - Roseli Weiss, Educational Specialist for Instructional Services

This year's report may be one that is different from last year's report. The very good news is that with the construction of the 12-room

addition at Old Post Road School, the space problem for our elementary youngsters will be alleviated as of Spring of 1993. Despite this

addition, the three elementary schools will be at near capacity upon the opening of the new wing next fall. At this time, however, there is a serious funding issue occurring in our town and in many cities and towns across the Commonwealth relative to proper resources for our students. As this report is written in January of 1993, there appears to be a revenue shortage in this town of at least \$1,000,000. This shortage is being addressed by all the appropriate parties in the town and will eventually be voted on in April at Town Meeting.

This past summer brought a ray of light to the district relative to the financial woes that had been plaguing Massachusetts. Even though the Education Reform Bill did not pass this last year, the Commonwealth did allocate to those communities who met certain criteria -- Walpole being one of them -- \$100 per student to go to

each of the towns for education. This one-time grant of \$302,000 allowed us to have at least the same amount of staff that we had four years ago. If that were not the case, the Walpole schools would have been faced with very serious overcrowding at the middle schools and the high school. Virtually all of this money was used in August to hire additional staff for our schools. The Education Reform Bill is currently being debated on Beacon Hill. If it fails, the \$186,000, 000 in funds, i.e., the \$100 per student, which was distributed last year without a bill, will not be available nor will approximately \$175,000,000 in additional funds be available this coming fiscal year. The bill is complex and has many political ramifications. If the bill were to pass, obviously there would be some fiscal relief to towns like ours and hopefully across the next seven years. Currently there is a discrepancy of approximately 1.2 million dollars between what the town admin-

istration has recommended for the school budget and what the School Committee is requesting. Obviously, if additional funding were coming from the Commonwealth via this bill, that discrepancy would be lessened.

Another aspect which we must address is not the mere efficiency of making a good education available for the students in our town but also the incremental costs which will, of necessity, be incurred because the school district is growing. The list of permits that have been taken out and the houses that have been built in recent months, tell us that our school population will continue to grow. It is our belief that this growth will occur by an increase of at least 5% per annum given current demographics. If our town is to meet the needs of our children, adequate resourc

es must be provided. We must all continue our efforts in attempting to target possible future revenue-producing methods of bringing monies to our town.

There have been many changes in the administration end of the School Department in the past six months. Thomas Cibotti has become the Superintendent, Daniel Feeney has become Assistant to the Superintendent, Roseli Weiss has become Educational Specialist for Instructional Services, Alicia Shea has become Educational Specialist for Special Services/Chapter I and Sandra Esmond has become the Principal of Fisher School.

BOYDEN ELEMENTARY SCHOOL

(660-7216)

The year 1992 for Boyden School was distinguished by the purchase and installation of a new \$22,000 playground. All money was raised by the parents of the Boyden community and the project was spearheaded by Anne Keller, Jan Cohn and Ed Comeau. This playground was designed for wheelchair accessibility and features upper body strengthening events as well as slides, a fire pole and Clatterbridge. The children's excited anticipation of the opening of this playground was finally satisfied in October. With the initial enthusiasm, long lines could be seen at the Track Ride and the slides. Everyone was thrilled and appreciative of the efforts of all who worked on raising the money, site preparation, and actual assembling and placement of the equipment.

Continuing on the theme of Health and Safety, school assemblies were used to remind

and educate students about issues such as ice skating hazards, rabies, and bus safety. Dr. Cohn and Terry Thornton presented a program on nutrition and exercise. Amtrak shared videos and discussion on railroad safety; and Scott Young, a student at Massasoit and resident of Walpole, fingerprinted students for parent records. Programs such as "Kids on the Block," and "I'm In Charge" were presented at various grade levels to help students understand how their body works and how it needs to be cared for. Curtis Coleman was sponsored by the Boyden PAC to present important messages to children through the medium of music.

Many concepts, ideas and reinforcements were presented to students through Cultural Arts programs paid for by the Boyden PAC. The children were delighted by presentations such as "Learning Peace" by Ben Tousley, a program about

conflict resolution and "Opera To Go," a marvelous introduction to the world of opera. Mishelle Michaels from Channel 7's Meteorology Department taught the students about predicting weather and the characteristics of those often-seen weather terms. Joyce Grear taught us about the joys and importance of storytelling, and Leeny Del Seamondes shared her Halloween storytelling in October. In addition, the PAC continued their annual sponsorship of the "What's It Like Program" designed to sensitize children to the physical and mental handicaps that many children and adults function with. Other assembly programs at Boyden in 1992 included: a presentation of Aesop's Fables by Mrs. Kochanek's 4th grade Language Arts class, a recycling talk by Walpole's Robin Chappell, the Bird Middle School Show Choir, and a Boston Edison presentation to our grade 3 students.

The staff was busy throughout 1992 honing their skills and learning new techniques. Eleven teachers continued their exploration of Cooperative Learning Strategies. They traveled to Natick to observe a Cooperative Learning School and ultimately shared what they had discovered at a Wednesday Inservice. Microsoftworks, a computer program course was again offered at Boyden School and our 4th grade team participated in several math workshops led by Ms. Handy and Mrs. Lind designed to increase the use of manipulatives. In addition Mr. Wallace and Mrs. Evans attended the National Science Educators Convention in Boston and demonstrated techniques and experiments for the Boyden Staff. Mrs. Evans attended the annual Fall Elementary Principal's Conference at Holy Cross. All staff were introduced to the concept of full inclusion for Special Education students through discussion and film. Boyden School was very proud to have Ms. Joanne Handy awarded the Golden Apple Teacher Recognition Award from the Patriot Ledger and Fred Laire voted national Elementary Guidance Counselor of the Year. Also, Robin Yonker, a Walpole resident, completed her student teaching assignment from Emmanuel College in Mr. Wallace's 3rd grade classroom. Mrs. Payne, Mrs. Peters and Mrs. Valenti served on the Social Studies Curriculum Revision Committee. Mrs. Kochanek and Mrs. Wallace joined the Grouping Committee and Mrs. Kramer and Mrs. Payne became members of the Developmentally Appropriate Practices Committee.

The fourth grade had a particularly busy year. In preparation for the commemoration of the Columbus voyage, the students of grade four

presented a three act play written by Prof. McCullum from Stonehill College called the "The Vision and The Voyage." Their production was presented to the entire school, to the students in grade 5 from the Bird Middle School and to parents in the evening. This highly professional production was then given in a mini version to the author himself who visited Boyden School and shared his experiences in writing this drama.

In addition, Grade 4 prepared for the transition to Middle School by visiting first to see the production of "Peter Pan" and then a second time to meet the teachers and tour the building. Also, the Principal, Mrs. Gillam and several Bird students came to Boyden for a question and answer discussion about moving up to Middle School.

The Telecommunications unit produced by National Geographic called "Hello" put the 4th grade in touch with schools all across the nation. The data collected was received through a main frame computer in Virginia and was gathered, organized, and graphed in each classroom in the 4th grade. Students learned how to research information, the geography concepts of latitude and longitude, statistics about the town they live in and reinforcement of writing skills. An evening presentation to parents brought comments such as "impressive" and "excellent program for learners".

Because 1992 brought a national election into the forefront of news, Boyden School also conducted its own election. With the help of the Town Election Commission who loaned us a voting box, all students made their presidential choice. The fourth grade helped to organize this election, making political posters, assisting student voters, checking off the voter registration lists and supervising the ballot box. Interestingly, President Bush received 120 votes, Bill Clinton received 119 and Ross Perot 85.

Grade three introduced the new Boyden School Post Office. With the Assistance of the Walpole Post Office and the Brockton District Office, third graders received training and materials to implement their own Post Office. Jobs were listed and job descriptions defined, and students served in various capacities on a rotating basis. Each room had its own zip code and street address. Students chose pen pals and learned how to sort and deliver to the appropriate address. Designed to enhance writing, this new program will ultimately be available to the entire school.

Grades K, 1 and 2 traveled to some interesting educational surroundings on their yearly field trips including Roger Williams Park, The Aquarium and Plimouth Plantation. These field trips, which enriched and enhanced our school curriculum, were paid for by parents and subsidized by our PAC. Classrooms were conducted with a Whole Language philosophy integrating Language Arts skills, and students participated in the annual Reading Incentive Program. In math we celebrated the 100th day, graphed our lost teeth and continued to refine our computation and problem solving skills.

Our music department was in full swing all year presenting grade level concerts in the evening for parents. The instrumental students were also featured in our Friday Assembly Programs as well. And our Kindergarten concert was presented to next year's Kindergarten parents as a means of orienting them to curriculum and program. The string students hosted the Needham Schools string students for a picnic and joint concert at Boyden School.

Kindergarten Orientation for students and parents was held in March. Students visited their next year's school during the day and participated in various classroom activities, the highlight being the opportunity to board a big yellow school bus.

Seventy five students attended. In the evening, parents heard presentations from the staff and PAC about the Boyden School program and community.

In September of 1992 school opened with 348 students, ten more than the previous year. Already filled to capacity, including the two small activity rooms, it was necessary to move our Kindergarten to those small undersized rooms. This necessitated a significant adjustment as these rooms have no sinks or easily accessible water source. Teachers, Mrs. Peters and Mrs. Payne graciously accepted the new challenges. Boyden School looks forward to the relief redistricting and the new addition to OPR will bring us in 1993.

There were so many successful events and activities mentioned in this report that reflect the school culture of Boyden. Field Day, International Week, Boyden Bonuses, Halloween Parade, Business and School Partnership, Giving projects during the Holidays and the Holiday Book Program which this year netted over \$1,500 to buy library books, are some of the equally significant happenings. The year 1992 was indeed a busy time filled with academic successes, personal and professional growth and a close sharing and cooperation between school and community.

FISHER SCHOOL

(660-7234)

September started somewhat differently this year as students and staff returned to school the week before Labor Day. But judging from their excitement at being back, this earlier start was welcomed by both students and staff. Our theme at Fisher this year, which has embraced many of our activities, was introduced to the students on the first day of school. This year we are all trying to follow the theme of "Fisher is W. A. R. M." (Well-mannered, Accepting, Respectful, Multi-cultural). We are a country with many cultures, languages, and differences among people. We are all learning to appreciate the differences while understanding that under the skin we all have the same human feelings of wanting to belong.

We welcomed some new staff in September including Mrs. Nancy Kline as our school nurse, Mrs. Cathy Gleason, Mrs. Joanne Kraus and Miss Michelle Perchard as Chapter I tutors and

Mrs. Nancy Quann as a classroom aide. In October and November, administrative changes took place due to the sudden resignation of Dr. Jane Kline at Central Office. Dr. Roseli Weiss was hired to replace Dr. Kline, leaving the principalship at Fisher vacant. Mrs. Sandra Esmond, who was the Assistant Principal, was appointed principal, and Mrs. Annie Hunter was appointed acting Assistant Principal.

Teachers have been involved with many education goals this year including whole language activities, hands-on math instruction, writing process and inclusion of special education students in the classroom. Of particular excitement has been a group of teachers who have worked together to teach lessons to groups of students representing all 5 grade levels. This has given both teachers and students the opportunity to interact with other grade levels. On-going annual events which contribute to the education

of students have included International Week, multi-cultural December holidays, Thanksgiving feasts, a talent show, Christopher Columbus celebration, Martin Luther King Day, Memorial Day and Flag Day celebrations.

The age of technology has been evident this year at Fisher. Due to some money from a Federal grant, we were able to purchase several Mackintosh LC Computers. These are the foundation of our computer lab which serves as a teaching tool for all of our students. The students are very comfortable using computers and will have many skills in technology when they leave us in grade 4.

This year we have encouraged student leadership and participation in the school. A group of 4th grade students serve as student advisors and help the administration plan events and address student concerns. In December, they helped to collect 1,000 pieces of good quality, used clothing for the Clothes Closet. They worked with staff to implement behavior goals, and they helped to present our ever-popular grade 4 Talent Show.

Fisher School is truly blessed to have an active and supportive PAC. These parents spend many hours to improve the quality of life at our school. In addition to their successful fund-raising, they volunteer hundreds of hours in the

school to make activities run smoothly. Because of their tireless efforts, we are fortunate to have cultural events, the Docent Art program, the What's It Like program, a family carnival, a school dance and field day. Their financial efforts have allowed us to purchase computer carts, library books, teacher supplies and to provide staff development. This year after raising \$20,000, their efforts culminated in the construction of a new playground which is enjoyed daily by our students. Their supports, both financial and emotional, help to make our school an exciting place for children.

Although we have had a very successful year with many experiences, we also will need to say good-bye to some staff, students and parents. Because of the OPR addition, the school boundaries needed to be re-drawn to transfer some students to the new addition. A change in school is never easy, but with supportive plans in place we will work to make this a successful transition for all those involved.

In order to have positive school experiences, it takes the time, talent and support of many people. Fisher School thanks its staff, teachers, custodians, cafeteria, aides, secretaries, nurse, principals, central office - its parents and most of all its students for a wonderful year.

OLD POST ROAD SCHOOL

(660-7219)

The 1992 year was one which found students at Old Post Road School continually involved in learning, sharing and growing. The student body grew to over three hundred students as we welcomed more and more new families into our school. Children and teachers explored new activities and lessons, while maintaining the quality programming that has traditionally allowed our young learners to get off to a fast start in their careers in Walpole Public Schools.

The teamwork between home and school which is consistently strong and positive allowed OPR students to be exposed to many, many fine cultural and fine arts programs. Early in January, Mr. Len Cabral, a nationally-known storyteller who was funded by our PAC, presented his unique stories and experiences to the entire student body. In another parent-funded program, animal trainers from Southwick Animal Farm brought many

exotic and unique animals and provided extremely interesting anecdotes about them. Late in the spring, as a culmination to our International Week activities, parents baked ethnic foods from all over the globe and transformed our cafeteria into a worldwide banquet. Additional programs in the fall sponsored by the OPR PAC involved scenes from famous operas and also Caribbean songs associated with the holiday season. All of these programs have greatly added to our curriculum and proved to be a basis for many follow-up classroom lessons.

Language Arts programs involving all of our students allowed a great deal of sharing and cooperative learning among grade levels. Our annual Reading Incentive Program entitled "Read for the Gold" coincided with the Olympics and found students reading at 'Olympian' Levels. Later in the spring, most of our classes participat-

ed in the statewide Young Authors program. During this long term program, each student created his own bound book complete with illustrations which were then read and displayed in the Walpole Public Library. Third grader Henry Stampfl was chosen to represent Old Post Road School at the statewide Young Authors Convention held at Brandeis University.

Individual classes also were involved in a myriad of language-based activities. Fourth graders participated in a "For Spacious Skies" project in which they composed poems, stories, songs and plays about the environment while sitting and reflecting outside in the playground area. As a culmination to a literature study of the story, "Mr. Poper's Penguins," Miss Weber's fourth grade class presented its rendition of the story to parents and the entire school. Corresponding with other schools continues to be a great vehicle for learning about others and refining writing skills. After having written to students at the Coombs School in Mashpee, MA, the entire second grade visited that school and came away with some lasting memories and new friendships. Grade 3 students 'pen paled' with schools within Walpole and other communities. Third graders also participated in a MA Law Enforcement essay contest on encouraging the wearing of seatbelts. The two students who represented us in the final statewide contest were Sean Crowley and Elizabeth Siegel. Kindergarteners were busy writing and illustrating numerous class books including "Let's Be Friends", "Families at Work and Play" and "Let Us Give Thanks". Finally, in the spring, the entire second grade class performed The Wizard of Oz, complete with spectacular costuming and music.

Holidays often formed the basis of classroom activities. Through learning about holidays in a historical perspective, students grow in their appreciation of customs and traditions that are weaved into the fibre of our society. The second grades participated in their annual Thanksgiving Dinner as a fitting conclusion for their unit of study, "The Colonial Family". Additionally, they read, wrote and illustrated books; constructed timelines, graphs and study maps; and compared cooking methods then and now. Third graders created favors and centerpieces for the Walpole Senior Citizens Thanksgiving and Christmas feasts. Grade One students enjoyed making holiday crafts and then sharing those with their families.

In September, Old Post Road School welcomed four very special needs students and staff members from the TEC Collaborative. In joining our student body, these four fully included students are participating in classes alongside of regular education students and growing in their friendships. The OPR students have grown in their understanding and appreciation of the uniqueness and qualities of all individuals. The Old Post Road staff hopes that they are on the forefront of a growing national trend of full inclusion for all students.

Students involved in resources programs have been involved in many 'hands on' activities designed to improve mastery of concepts. From learning multiplication facts using 'rap music' to following directions by baking a cake using a recipe, these students have learned through real world experiences. Inherent within the program is the belief that students learn best in a supportive environment in which they can easily relate to the materials and procedures that are utilized.

In September, we welcomed back two world travellers. Mrs. Kathy Hildebrandt, a third grade teacher, returned from a yearlong trip which brought her to Alaska, Hawaii, Australia and New Zealand, among other locales. Ms. Jennella Porter returned to OPR from two years of teaching in the American School in Milan, Italy. Their experiences have already served as important parts of classroom lessons. For instance, students have developed family trees and found the countries of their ancestors. They have learned that we are a diverse nation, one in which we must work to create an atmosphere of respect regarding the differences of others.

The conclusion of the year found Old Post Road School busy making final preparations for the construction phase on a twelve room addition to the school. On an early December day following a blizzard, the entire school assembled and participated in a ground-breaking ceremony. Mr. Stephen Fortin spoke about the changes which would occur. He welcomed former Superintendent Donald Burgess, former OPR Principal Harold Varney and Superintendent Cibotti who were very instrumental in bringing about this project.

The entire Old Post Road School family is very excited about its upcoming growth as we soon fill many new classrooms.

BIRD MIDDLE SCHOOL

(660-7266)

During 1992 the administration, staff and parents of Bird Middle School continued to provide a school environment where interaction between adults and students created an encouraging climate for personal growth and intellectual development. Inspired by the guidelines of the National Middle School Association, Bird Middle School provided a positive school climate where educators were knowledgeable about and committed to pre-adolescents. It offered a well balanced curriculum based on the needs of pre-adolescents, and a full exploratory program. A variety of instructional strategies were utilized within the basic organization of interdisciplinary teams. Cooperative planning, continuous progress strategies, and evaluation procedures compatible with the needs of pre-adolescents combined with a comprehensive advising and counseling program ensured that equal educational opportunities were

offered to all students based on their needs, interests, aptitudes and abilities.

In addition to the annual systemwide goals and objectives, the faculty diligently worked on the implementation of a Skills Across the Curriculum program, the refinement of their Advisor/Advisee based homeroom groups, and the implementation of the goals of the Middle School Committee on Grouping which combined tri-level grouping in mathematics and language arts with heterogeneous grouping in all other areas.

The theme for the year was "Champions For Learning" Students earned recognition letters for their many accomplishments with the goal of spelling C-H-A-M-P-I-O-N F-O-R L-E-A-R-N-I-N-G. The following sixty-three students were successful:

Melissa Carrie
Justin Nottingham
Betsy Cobb
Shilpa Gupta
Amanda Sheehan
Marc Todesco
William Kelly
Michael Bielagus
Alisia Cimenio
Mark Galonzka
Michael Mariani
Gary Puglia
Damon Wallace
Susan Black
Susan Killory
Ryan Beltramini
Christina Cox
Sarah Kelly
Jonathan Harrington
Elizabeth Jalkut
Jeremy Kline

Janet Lamb
Hayley Teich
Amy Ahearn
Mark Anzalone
Cathryn Vega
Justin Lutz
Laura Rider
Mark Cullen
Michael Hurley
Stephanie Rowley
Karyn Grolnic
Gregory Kanarian
David Prasse
Beth Sinclair

Michael Black
Linda Doyle
Brian Thomas
Tracy Allen
Kristen Lamb
Leigh Harrington
Carey Krueger
Timothy Keenan
Colleen Fitzgerald
Brooke Baryllick
Frost Hubbard
Michele Mariani
Kenneth Kneeland
Andrew Nixon
Jennifer McSweeney
Laura Orlandi
Gregory Puglia

During 1992 Bird Middle School continued to serve as a model of excellence among middle schools as they frequently entertained visiting teams of middle level teachers. Three staff members, Mrs. Suzanne Gilman, Mr. Timothy Collins and Mrs. Priscilla Arthur, represented Bird's Programs for High Student Involvement and Spirit at the 11th Annual Conference of the New

England League of Middle Schools in Hyannis, Mass. Their presentation was overwhelmingly endorsed by attendees, and they were invited to share their program at an all day workshop for middle school teachers in Rhode Island.

Student accomplishments were highlighted by the participation of Jeremy Kline, grade six,

as Bird School's representative in the Annual National Spelling Bee; and a fifth grade winner in the National Geographic's Geography Bee, Brendan Gaffney. Eight math students represented Bird in its second appearance at the regional MathCounts competition in March. Timothy Keenan was recognized at a top ten finisher. Six memorial awards were presented to graduating eighth graders in June 1992. Michele Mariani was awarded the Leonard Downs Memorial Award for the highest academic average after five years in Bird Middle School. Kristen Lamb received the Laura M. Warcup Award in social studies, and Brian Ellis was presented with the Home Economics Award. Kimberly O'Connell was the recipient of the Suzanne Grimes trophy for participation and enthusiasm in school athletic programs and events, and Frost Hubbard and Kenneth Kneeland were honored with the Jan Ostrum trophy for outstanding school participation, leadership and spirit. The Swenson Award for outstanding overall growth and development was presented to Kevin Callahan. Leslie Nye was presented with the Walpole Friends of Music plaque as the outstanding grade eight musician. First time American Citizenship Awards were presented to Brooke Baryllick and Jennifer McSweeney.

1992 saw the Parent Advisory Council assume the responsibility for after-school pro-

grams no longer able to be funded in the regular school budget. Mrs. Noreen Capone and Mrs. Anne Curley launched this highly successful adventure for students. The Parent Volunteer Program, organized by Barbara Swartz, continued to enrich and support the overall school program with increased participation and new volunteer projects. The 8th Annual Silent Auction, generously supported by the community at large, co-chaired by Melissa Hubbard and Nancy Farris grossed \$6,900 which provided quality enrichment programs for all students and financial assistance to the dwindling school budget. The faculty and staff of Bird Middle School presented an appreciation gift at the Annual Grade Eight Awards Night to Mrs. Melissa Hubbard who was retiring from her many years of service to BMS as she graduated with her youngest child.

1992 was an outstanding year at Bird Middle School. As we continue to work toward our ultimate goal of educating every child to his/her maximum potential, we invite the community to join hands with us as we accept the never ending challenge of striving for a level education excellence so that all the children of Walpole may become Champions for Learning.

JOHNSON MIDDLE SCHOOL

(660-7242)

The past year has been a time of transition, yet stability has been maintained at the Johnson Middle School based largely on the ability of a most competent and veteran staff to keep pace with the changes in contemporary education and maintain a solid course of study.

We have entered our second full year of implementation of grouping changes which has focused our school community on the efficacy of educating our students in a more heterogeneous environment. We have, however, maintained a more traditional homogeneous flavor in the areas of reading and mathematics, and, at this juncture, the combined approach appears to be working to the benefit of students. Within this same area, our work in curriculum continues to be a blend between the new and the tried and true. We successfully piloted and completed the DARE program in the fifth grade, and we are most optimistic this program will become the bulwark of our introductory health and drug aversion

instruction for our middle schoolers in Walpole.

At the eighth grade level, the entire class undertook a unique and significant research project on Eleanor Johnson, the namesake of our school. While DARE and Eleanor Johnson are significantly different pieces of curriculum, they both illustrate some of the new and different approaches to curriculum targeted this year. While we continue to consider and offer different options of instruction to our students, we have also maintained the rigorous structure of our standard curriculum and this will continue to be the primary emphasis of our instructional focus.

Our staff has continued to keep abreast of their commitment to life-long learning and thirteen of our number are presently engaged in a twelve-session seminar on Effective Teaching II which is being offered in the district. We have also been requested by NESDEC to be a laboratory site or heterogeneous models in the content areas

and Barbara Simard, Jim Stapleton, Sally Watters, Dee Silvi, Dianne Frost and Becky Foley will be presenting to visiting teachers in April.

As mentioned in the opening paragraph, this has been a year of transition. This transition is most pronounced in our staffing. Both Grace Rooney and Mary Powell from the Resource Room took sabbaticals and they have been replaced by Mary Collins and Angela Gerth, respectively. Kathy Fanning from the seventh grade left on a career move to head up the media/library department for Stoughton. She was replaced by Michelle Mullin. Jim Gable decided to enter private industry in December and his place in the Industrial Arts Department was taken by Warren Weed- en. In guidance, Peg Randall was replaced for the first half of the year by Judy Glassman. As a result, despite the number of changes, all of our programs continued to function and we were most fortunate to have found such able replacements.

On a congratulatory note, a number of our students distinguished themselves with noteworthy accomplishments in art contests, spelling bees, college bowl competitions, music performances and community programs which enabled our school to expand the boundaries of the classroom and provide for students' individual talents to emerge.

Budgeting considerations, which often pose a threat to programs, have been somewhat

ameliorated by the strong support of our Parents Advisory Council led by co-chairs Mrs. Sharon Carleton and Mrs. Priscilla Perkins. Through the efforts of the PAC, we have been able to maintain our cultural arts offerings and also support other initiatives such as Camp Calumet for our sixth graders and other grade-level offerings. We also plan to offer, once again, our two foreign language trips, but the financing for both of these trips will be borne completely by the students.

Philosophically, we view our mission as a school to be far more than just a place where youngsters learn a body of knowledge. Rather, our role is to provide the nexus by which all of our youngsters reach for the true potential and surpass themselves in their achievement. To that end, we view our responsibility to students to be flexible to the demands of higher education while we maintain a nurturing and fulfilling environment as children make the transition into adolescence.

The year 1993 promises to be another year of renewed commitment to maintaining our place as a quality, first-class school system. We will expand our foreign language program, continue to offer higher mathematics to more students, require more independent reading and research, and hopefully structure more viable alternatives for learning and success for our students. Our ultimate end is to foster life-long learners who will be competitive leaders in the 21st century.

HIGH SCHOOL

(660-7257)

Walpole High School graduated 174 seniors in June, 1992. Eighty-four and four tenths percent (84.4) of the graduating class continued on to post-secondary education.

The Academic Decathlon team qualified for the state finals for the eighth year in a row placing in the top ten schools, overall, in the large school division.

Two faculty members retired concluding sixty-nine years of dedicated service to the Walpole Public Schools. James Burke (35) and James Quinn (34).

Art students received 8 awards in the Scholastic Art Awards competition. Two were awarded Honorable Mention and displayed in the regional

show. Two were awarded Gold Keys and exhibited in both the regional and state exhibits. Two received Blue Ribbons. Two portfolios were selected as semi-finalists.

Two junior students were nominated and accepted to the Art All State Festival which selects 150 outstanding high school junior art majors in Massachusetts.

Five students were accepted to the High School Honors Class at the Museum School of Art, with four attending on Walpole Arts' Council Lottery grants. Ten students exhibited their work in the State Youth Art Month Exhibit at the Worcester Art Museum. Two students' works were chosen for the Youth Art Month exhibit at Symphony Hall.

One hundred sixty one pieces were exhibited in Bird Park in conjunction with the "Day in the Park" celebration. This show was judged by the Walpole Arts Council and, 1st, 2nd, 3rd and Honorable Mention ribbons were awarded in eight categories to twenty five students.

The works of twenty two students were exhibited in March and eighteen in April at the Town Hall. Two students participated in a Saturday illustration course at the Art Institute - one with a scholarship.

An Arts Lottery Grant was obtained for a guest artist to work with the Art II classes. This project was documented and will be submitted to the National Art Education National Conference Committee for presentation at the 1993 conference.

3-D art class students painted the front of the snack bar adjacent to the football field. The Art Club assisted the student council by painting a mural for the Haunted House; painted a mural across two store fronts at the Walpole Mall; painted a winter scene for a childrens' Christmas party commissioned by Microcom Inc.; and painted windows of the First Sandwich Shop for the holidays.

Five students were selected to participate in the Boston University Saturday Morning art class; Nine senior students had one man shows at the Walpole Public Library sponsored by the Walpole Arts Council.

Seven of the Music department's performing groups competed in the April Music Showcase Festival in New Jersey and were rated against national standards of performance. Receiving awards were Orchestra - a Silver Medal and an Excellent rating; Chanson's Women's Chorus - a Silver Medal and an Excellent rating; Show Choir - a Gold Medal and a Superior rating; Madrigals - a Gold Medal and Superior rating; Mixed Chorus - a Gold Medal and a Superior rating and also a 1st place in Division 2; Jazz Ensemble - a Silver Medal and an Excellent rating with a special award going to the Saxophone section as Outstanding; Concert Band - a Silver Medal and an Excellent rating and 1st place ties in Division 2, and Overall Grand Championship.

Individual awards were also won by the following people: Outstanding Jazz Soloist - Rich Croft; Outstanding Instrumental Soloist Award - Jaime Ceruti; Outstanding Vocal Soloist Award Joy Waldron.

Eight choral students were selected to perform in the SEMSBA music festival; three to perform in the All-State Choir; five to perform in the District Festival; five to perform in the Junior SEMSBA Festival; one student to perform in the Junior District Festival; and one to perform in the All Eastern Chorus.

The high school Drama Club opened its fall season with two one act plays. The "Conference of the Birds" and "The Dining Room" on November 5, 6, 14 and 15, 1992, and is currently preparing for its February musical, "Carousel". Last spring, the club presented "Into the Woods" in front of sell-out audiences. Senior Michael Duff received The Footlighters Award.

In Foreign Language, one student was a state winner in the National Spanish Exam - a Level III, and one student was a state winner in the National French Exam - Level V. 76% of all students in the Latin program received recognition for their performance on the National Latin Exam, almost double the number last year. There were 21 medal winners total, 18 silver, 1 gold - 36% of testees.

One Latin II student was recognized for his creative writing in two national essay contests. Brian Martin placed 6th in the Junior Classical League National Essay Contest and received Honorable Mention in the Monmouth College Creative Mythology Essay Contest. The highest number of students ever, (7) took the Spanish AP exam. French teacher, Charlotte Cole gave a workshop both at the MAFLA state conference and at the Northeast Conference in New York on the Evaluation of Productive Skills.

Department chairman, George Watson, gave a workshop at the MAFLA fall conference on Interdisciplinary Collaboration between Foreign Language and Social Studies Departments.

Two foreign exchange students successfully graduated; one from Spain, the other from France. Both were brought to Walpole through our own programs. Nine students were sent to France during the summer.

George Watson was elected to the Board of Directors of the Mass Bay Chapter of the AATSP (American Association of Teachers of Spanish and Portuguese). He is the state coordinator of the National Spanish Exam this year. The enrollment in foreign languages increased by 86 students in 1992 - 84% of the student body for an 8% in-

crease in one year.

In the Science department, environmental teacher, Lou Droste, received a Dwight Eisenhower Grant to develop a slide portfolio of environmental pollution problems. He has been going up in an airplane and has produced some aerial photographs under this grant.

Physics and chemistry teacher, Thomas Brown, received a special honor being named in the state program, "Terrific Teachers Making a Difference".

Department chairman, Douglas Grant, received an associateship to return to the U.S. Army Research and Development Laboratory in Natick. Doug did advanced analytical chemistry work during the summer.

Rebel athletic teams continued to excel in the Bay State League and state-wide with eight teams qualifying for post-season action, six capturing league titles and one earning the distinction of

state champion: Boys' Cross Country - Bay State League Herget Division Champions plus Division III State Champions; Field Hockey - Bay State Herget Division Champions; Girls' Tennis - Bay State Herget Division Champions; Girls' Soccer - Bay State Herget Division champions; and Girls' Cross Country - Bay State Herget Division Co-Champions.

Walpole High School athletes demonstrated excellence in the classroom with 29 athletic teams maintaining a 3.0-4.0 grade point average, eight achieving 2.5-2.99 grade point average. During the 1991-92 School year, 591 of 737 students or 80.2% of our student body, participated in at least one extracurricular activity (class officer, club or sport).

Of Walpole High School parents, 64.9 per cent attended the November, 1992 Parent-Teacher Conferences. Seventy-one students received perfect attendance awards for the 1991-1992 school year.

STATISTICS FOR THE CLASS OF 1992

Walpole High School will graduate 171 students in June of 1992. One hundred fifty-one have made application through the guidance office for further study, The table below illustrates the placement of the class with a comparison of the placement of classes for the past five years.

	1987	1988	1989	1990	1991	1992
Four Year Private Colleges	38.2%	41.8%	35.2%	40.7%	51.2%	50.2%
Four Year State Colleges	19.7%	23.4%	17.8%	19.8%	20.1%	15%
Two Year Private Colleges	10.8%	7.0%	6.2%	7.7%	7.5%	9.2%
Two Year State Colleges	8.1%	7.8%	17.6%	11%	5.2%	5%
One Year Programs	3.9%	1.6%	2.7%	6.6%	1.1%	4%
Nursing School	.4%	-	-	-	-	1%
Preparatory Schools	-	.8%	.7%	.5%	2.9%	-

This is a total of 84.4% of this year's students. For these students and for past graduates, the Guidance Department processed 950 applications.

	1987	1988	1989	1990	1991	1992
Full Time Employment	14.3%	14.3%	16.7%	11%	8.6%	10%
Armed Services	4.2%	.8%	2.4%	.5%	2.3%	2%
Undecided	-	2.0%	-	2.2%	-	2%
Travel	.4%	.4%	.7%	-	1.1%	1%
	18.9%	17.5%	19.8%	13.7%	9.9%	15%

FALES, LEACH AND ROGERS SCHOLARSHIPS - 1992

The Fales, Leach and Rogers Scholarship Committee has awarded fifty-six scholarships with a total sum of \$42,671. Those receiving Fales Scholarships are:

Brian Bain - Bryant College
David Barron - Boston College
Kristen Bernier - U.Mass/Amherst
Kelly Britnall - U.Mass/Dartmouth
Lauren Buckland - Tufts Univ.
Kerry Casey - U.Mass/Lowell
Colleen Cassidy - St. Anselm College
Victoria Coburn - Parsons School of Design
Kenneth Collins - St. Anselm College
Dennis Connelly - Worcester Polytechnic Inst.
Jane Connelly - Worcester Polytechnic Inst.
Jeffrey Cook - Univ. of Rhode Island
Brian Crowell - Dartmouth College
Jennifer Crowell - Union College
Nancy Darish - Boston University
Kathleen Dwyer - Univ. of New Hampshire
Greg Friedholm - Colgate Univ.
Ellen Gallahue - Regis College
Anne Gamache - Columbia Univ.
Karen Griffin - Lesley College
Nicole Gunning - Univ. of New England
Andrew Harris - Boston College
Melissa Hood - U.Mass/Amherst
Lisa Huck - Fairfield Univ.
Mary Regen Jamieson - Univ. of Rhode Island
Geoffrey Keenan - Univ. of Scranton
Michael Kivi - Williams College
Nancy Lee - Stonehill College

Jessica Little - Univ. of Vermont
Elizabeth Low - Colby College
Kara McElhinney - American Univ.
Laurie Niss - Univ. of New Hampshire
Jill Palleiko - RI School of Design
Scott Palleiko - Purdue Univ.
Jennifer Perchard - Providence College
Gareth Peters - Univ. of New Hampshire
Jennifer Prasse - Univ. of New Hampshire
Alisa Sabatini - Stonehill College
Amy Thompson - James Madison Univ.
Laurie Trudeau - Univ. of Miami
Christopher Valle - Holy Cross College
Matthew Wassel - Worcester Polytechnic Inst.

Those receiving Leach Scholarships are:

Jennifer Buckland - Skidmore College
Leanne Demers - Worcester Polytechnic Inst.
Edward Dionne - Wesleyan Univ.
Hannah Gilmore - Syracuse Univ.
Kathleen Jackson - Hobart/Smith College
Kerry Jackson - Skidmore College
Patricia Lee - Colby College
Douglas MacBride - Mass. Inst. of Technology
Elizabeth O'Leary - College of William & Mary
Denise Palleiko - Lehigh University
James Raker - Northwestern Univ.
Matthew Reardon - Univ. of New Hampshire
Michelle Weber - Virginia Polytechnic Inst.

The person who received the Rogers Scholarship:

Tina Staley - Holy Cross College

College Acceptance List 1992

The following is a list of schools from which our students received acceptances with the number from that school. It does not necessarily mean students matriculated to that school.

Tri-County Regional Vocational Technical School District

(Town Hall 660-7200)

William A. Vellante, Chairman - Louis E. Hoegler, Walpole - Janice Young, Walpole
Pupil Personnel Services

In July 1992 the School Committee reorganized and elected the following officers: William Vellante (Millis) Chairman, Janice Young (Walpole) Vice Chairman, and Charles Mucciarone (Franklin) Secretary.

The school Committee conducted its regularly scheduled meeting on the first and third Wednesday of each month at 8:00 P.M. in the Committee Meeting Room at the school. From the beginning of November until the end of January, the Budget Sub-Committee meets on the second and fourth Wednesdays specifically for the purpose of budget development. Other sub-committee meeting are scheduled as needed.

Graduation

On May 31, 1992, 159 students were graduated in an impressive afternoon ceremony. William Vellante, Chairman of the School Committee, delivered the welcome address to more than one thousand guests. Music was provided by the Millis High School band.

Mary Fleming, Director of Pupil Personnel Service, presented scholarships and awards totaling more than \$35,000 to deserving senior students. Students receiving awards were: Yeasah Pell (Class Valedictorian), Mark Bardol, Jennifer Derry, James Genoa, Matt Allard, Kara Shea, Heidi Decker, Rachelle Lallier, Tracey Carita and Keith Boyce of Franklin. Medfield students receiving awards were Robert Donovan and William Setterlund. Medway students receiving awards were Brian Long and Michael Bourbeau. Millis award-ees were Brian Bourque (Class Salutorian), Mark Pitts, Jeffrey Neal, Jeffrey DeRosa, Joseph Mc-Morrow and Joseph Wallace. North Attleboro students receiving awards were Joann LaFleur, Joseph Lavalley, Amy Audette, Chris Thibert, Trinda Yurek, Brian Homsy and Mark Medeiros. Walpole students receiving awards were Brian Burt, Joanne Webber, Erik Schwarz and Gregory Ward. Also receiving awards at graduation were Nicole Roesilli of Seekonk and Todd Labagh from Norfolk.

In September 1992 Tri-County welcomed approximately 735 students to the new school year. Of that number, 47 were Walpole residents.

Because of the Co-operative Employment Program at Tri-County forty-two students started early employment in industry. By June of 1992, 95% of the graduating class was employed. 70% of the students were working in their vocational area. Approximately 30% of the class will attend colleges. Among the colleges they have enrolled in are: Worcester Polytechnic Institute, University of Massachusetts Amherst, University of Massachusetts Dartmouth, Northeastern University, Wentworth University, Johnson & Wales University and Springfield College.

Three Tri-County seniors were recognized by national organizations. Yesah Pell of Franklin was one of six students nationally invited to compete in Electronics in Chicago by the International Vocational Clubs of America. Joseph Lavalley of North Attleboro received the Elks National Foundation Vocational Grant to continue his education in Machine Design and Kara Shea of Franklin received a four-year tuition grant at the National Distributive Education Clubs of America Convention in California.

Tri-County administered the PSAT's for the College Board. Additional achievement testing was administered for all Grade 9 students by the Guidance Department. Tri-County counselors, parents and students joined other area towns for a Higher Education Evening in Walpole with over 200 college co-op/vocational counselors to work with them on job placement, co-op and for college.

The Pupil Personnel Department developed an evening program for 1991-92 centered around the theme of "Adjusting to school". The Guidance Department continued its Peer Helpers program to assist with school adjustment and to introduce Vocational Education to junior high students in the community. The department

continued its programs for parents on Financial Aid, College selection and Special Needs. Tri-County hosted Open Houses for Grade 9 students and their parents on November 24 and February 23 and continued to hold guided tours at the school on Tuesday for the public. Hundreds of parents took the opportunity to tour their vocational technical high school.

In November 1991, Tri-County sponsored two Career Days for its member towns. This year Grade 8 students from the sending towns had the opportunity to see and to hear career options centered on eighteen vocational and technical areas and to view the vocational technical component of the Walpole School System housed at Tri-County.

Academic Programs

During the 1991-92 school year the teachers at Tri-County began work on a refocusing of our academic curriculum in order to make certain courses more applicable to our students' learning strengths. While we have always coordinated our vocational/technical programs with our academic programs, it is now necessary for us to expand this in order to ensure that necessary academic instruction is incorporated in vocational and technical courses.

It is also evident that more and more of our students are choosing to enter college directly after high school and we must therefore make sure that the academics are not merely limited to basic studies or directly related applications.

While implementing an applied academic program we are still emphasizing thinking and reasoning skills as well as the study of those academic subjects necessary for further education.

Vocational Programs

Tri-County's vocational programs continue to provide numerous services to both individual and community members of the Tri-County School District.

The Auto Shop is responsible for maintaining, repairing and servicing all of our school vehicles. We also provide services and repairs to the people who reside in Tri-County's district towns. The Auto Repair program has received ASE Master Certification from the National Automotive Technicians Education Foundation, Inc. (NATEF). This certification is nationally recog-

nized and considered to be the highest achievement known in the Automotive Industry. The Master Certification was awarded to the following areas of Automotive Service: Automatic Transmission and Trans Axle, Brakes, Electrical Systems, Engine Performance, Engine Repair, Heating and Air Conditioning, Manual Drive Train and Axles and Suspension and Steering.

Since the addition of Tri County's new "Down Draft Spray Booth", our complete paint jobs have been rated as equal to that of any top Auto Body Repair Shop. Student placement rates remain high in this much needed profession.

The Machine Shop curriculum is designed to meet the needs of industry. Industry is seeking students with vertical and horizontal milling machine experience. Industry is also desirous of hiring graduate students that have experience setting up and operating computer numerical control machines. Tri-County graduates have experienced 100% job placement over the past several years.

The Metal Fabrication/Industrial Technology program trains our graduates in all phases of welding and cutting. Students are able to be tested and receive Welding Certification that will help them to gain employment after completing school. Industrial Technology students are trained to do residential and commercial wiring and perform small engine repair. Industrial Technology trains some of our select students to become "Equipment Technicians" and to gain employment with Texas Instruments at its highest salary level. This successful program has been in operation for three years.

The Plumbing program continues to provide students with the necessary skills and habits to become licensed journeymen. In the Plumbing Shop there are simulated house and apartment mock-ups where our future plumbers are trained in all aspects of the Plumbing trade.

The simulated shop job activities and the correlated theory program within our Electrical program prepare our graduate students for the state journeymen examination.

Both the Carpentry and Masonry shops prepare our student graduates for the construction trades. Many of our graduates are employed doing carpentry and masonry work in the building industry. Many of our Tri-County Alumni operate their own businesses.

Our construction trade programs are again in 1992 working with the Town of Franklin to construct a low and moderate income housing unit.

Technical Programs

The new playground structure became a reality for the Tri-County Child Care program this past spring. With the start of a new school year the pre-school enrolled in the nursery school program are anxiously awaiting their turn to explore on this challenging, fun piece of equipment.

The Commercial Art shop includes Desktop Publishing as part of their curriculum. Students learn computer layout, design and graphics.

Due to the increased demand for well-trained licensed cosmetologists, Tri-County has expanded its cosmetology program. With the addition of another certified cosmetology teacher and the opening of an ultra-modern salon-shop area featuring the latest in equipment, the cosmetology program is now accepting more students.

This expansion has allowed the restructuring of the cosmetology course so that one salon-shop area is used to introduce the program to 9th grade students and also provide basic education to 10th grade students who chose to major in the subject. The larger salon-clinic area offers sufficient space for the 11th and 12th grade students to work from individual stations when performing services. A separate clinic room has been created away from the main hair-care salon to offer private skin care treatments such as facials, waxing and make-up.

Culinary Arts has added a new computer to their program. The students are learning to operate and program the new point of purchase computer at Tri-County's student-operated restaurant, Gerry's Place. Gerry's Place and Bake Shop are open to the public for lunch during the school year.

The Electronics Technology program prepares students for entry level positions in the electronic and computer industry. The course includes instruction in basic AC/DC Circuit, solid state technology and digital circuits. Consumer product service has recently been added to the Electronics curriculum.

Graphic Arts continues to provide its printing services to many nonprofit organizations throughout the Tri-County district while preparing students for entry level employment in the field.

The students in the Marketing/Office Technology program have expanded their word processing skills by mastering computerized accounting, data based management, spread sheets, personal filing system and Lotus 1-2-3. Students taking the marketing and banking track receive hands on training by working at the Dean Cooperative Bank located at Tri-County. The Bank is open to the public during the school year for all banking services.

The Medical Careers program continues to grow as it enters its second full year. Students in all grades receive training in order to take the new state exam to become certified Nursing Assistants. We are currently affiliating with three area nursing homes where students can apply skill of patient care and recreational activity. Students also receive basic health care knowledge which enable them to pursue career choices such as EMT, Medical Assistant and Nursing.

Adult Education

The Adult Education Program has enrolled approximately 700 students for the 1992-93 school year. Nursing Assistant, Introduction to Computers, Low Fat Cooking, and Baking & Cake Decorating have been added to the program due to increased interest by the residents of the district. The Adult Education program of studies will continue to include carpentry, cosmetology, electrical code, esthetics, HVAC&R, introduction to CAD, welding and woodworking. The Mandatory Code Review Course for licensed electricians will be held on selected Saturdays throughout the year.

The Adult Education Division has expanded the cosmetology program by offering the opportunity for area residents to attend during the school day. A separate salon has been constructed to accommodate adult residents of the community for this 1000 hours of instruction.

Athletics

The Fall season saw the soccer team make its first post-season play in many years, losing to Division II Rockland. Cross country and volleyball finished strong seasons with much to look forward to in 1992. The Winter season was most

impressive during 1991-92. The girls and boy basketball teams both made it to the state tournament. Meanwhile, the wrestling team finished with a 14 and 4 record, with six wrestlers qualifying as sectional place winners. The cheerleaders continued their support for the fall and winter.

In the spring season the baseball team went to the second round of the state tournament, losing to a strong Abington. Softball and track & field had an increase in participation with young team coming up the line.

The new Hall of Fame had its first induction of five former athletes and one past coach. Over one hundred people attended the induction ceremony. This induction marks the first of a new Tri-County tradition.

Student Activities

Tri-County has an active Student Council that sponsored two dances and a teacher appreciation breakfast. The Student Council also con-

tributes time and donations to various community projects, including an annual blood drive.

In the fall of 1991 and spring of 1992, Tri-County was involved in a cultural and technical exchange program with the Rene Cassin Technical School located outside of Paris, France. Potential future exchanges are being explored with schools in Ireland and Germany.

Tri-County has an active VICA Chapter (Vocational Industrial Clubs of America). Over ninety students participated at the local, state and national levels.

Summary

As we move into 1993 and continue to provide for the educational needs of our students, we wish to thank the District residents for their support and cooperation. We intend to maintain in the future the high educational standards that have earned Tri-County that support in the past.

Walpole Scholarship Foundation

(Suite #9,3 West Street)

Michael Viano, President - Joseph Coburn, President Elect - Theodore Tucker, Treasurer - James Manninen, Assistant Treasurer - Pat Cappelletti, Secretary - Robert Hoey, Financial Secretary - Edward Turley, Executive Director

The purpose of the Walpole Scholarship Foundation is to "aid and encourage residents of Walpole to obtain post-secondary cultural, vocational or professional education". This purpose is met through the creation of an endowment fund from which scholarships are awarded to students in recognition of scholastic excellence, merit or need.

In June of 1992, the Foundation awarded \$57,000 to 58 graduating and post graduate residents from a variety of high schools and colleges.

This is the ninth year of the incorporation of the Foundation. Since its inception, 264 students received awards totaling \$338,550.

Library Trustees

(c/o Main Library 660-7340)

Linda Gilmore (1995), Chairman - Gail Scavuzzo (1994) - Robert MacDonald (1995) - David Munro (1994) - Paul Cesary (1993) - Nancy Chagnot (1993)

Walpole Public Library

(Common Street 660-7340)

Jerry Romelczyk, Director - , Pat Randhawa, Administrative Assistant - Michael Wofsey, Technical Services Librarian - Norma Jean Cauldwell, Reference Librarian - Ruth Mahan, Children's Librarian - Leslie Loomis, Assistant Children's Librarian

Personnel

- Part-Time Clerks: Barbara Carlson, Betty Ann Connor, Mary Feldman, Joyce Gardner, Elizabeth Masalsky, Daisy Pierce, Majorie Pyne, Jane Rus-sau, Stella Walsh, Ruth White and Barbara Bryant

- Pages: Ellen Gallahue, Kathryn Marzelli, Daniel Hunt, Martin Baker, Bonnie Haberlin, Amy Wil-son, Brian Burns, Shiela Muldoon, Mary Jo Ellen-wood, Erin Muldoon, Elizabeth Gallahue & Jona-than Hansen

Schedule

Hours: Children's Room (Downstairs)

Mon-Tues-Thurs 10-9

Friday 10-6 Sat 10-5

Main Area (Upstairs)

Mon-Tues-Wed-Thurs 10-9

Friday 10-6 Sat 10-5

Closed Saturday from Memorial Day to Mid-September

Services

Children's books, records, videos, cassettes ... Children's room Apple computer ... Programming and story hours ... Fiction & non-fiction ... News-papers & magazines ... Books-on-tape ... Videos ... Records, cassettes and compact discs ... Large-print books ... Literacy referrals ... Home-bound deliveries ... Reference services in person or by phone ... Job-hunting information ... School & college planning information ... Medical informa-tion ... Consumer information ... General research information ... Business information ... Investing information ... Best-sellers ... Copying machines ... Back issues of newspapers and magazines ... Computerized data-bases ... Public access micro-computers ... Public typewriter ... Microfilm reader-printer ... Common meeting room ... Tax forms ... Young adult services ... Local history collection ... Art displays ... Educational displays

and programs of interest ... and more.

In 1992 we continued the process of strengthening the library. Hours were restored and services improved and added to. The re-sponse of the community continued strong as once again we saw record use. This year we will be focusing on the future as we plan on how to provide the service demanded in aging and in-creasingly restrictive building. Highlights of the year included:

- Reopening the library on Mondays

- Opening the Children's Room on Monday, Tuesday and Thursday evenings.

- Addition of the Health Reference Center which provides in-depth, up-to-date medical and health information. Funds for this resource were provid-ed through the generosity of many in the commu-nity.

- Continuation of an LSCA collection develop-ment grant to provide money for books and other material.

- Addition of important new reference resources such as the Boston Globe on CD-ROM and ex-panded Magazines ASAP which offers the full-text of magazines instantly available on a computer workstation.

- Wide variety of children's programs and another record attendance at our summer reading pro-gram.

- Continued growth of the Friend's of the Library group.

- Expansion of the library computer center in-cluding the addition of new equipment and software.

- Start-up of Word Perfect computer courses.

Special thanks to: Mary Locke, Carol Kingsbury, Bob Poletto, Evan Gessman, Pam Kinsman, the Trustees, the Friends of the Library-..... and the many other people of the community who contributed their time, effort and good will to the library.

Friends of the Library

(c/o Library 660-7340)

Ann Bruce, President - Tom Littleton, Treasurer - Ann Oulton, Secretary

The "Friends" are an organization with one shared interest: the love of books. The "Friends" also share the belief that the Public Library is the intellectual heart of the town.

During 1992, the "Friends" membership roster reached an all time high of 356. It is expected that this number will climb beyond 400 in 1993. That growth is indeed fortunate in these times of tight budgets and restricted funding. The group receives funds primarily from membership dues, but also receives contributions from civic organizations and several corporations with offices in the Walpole area.

During 1992, funds provided by the "Friends" filled many needs:

- Phone line and charges for the Library fax machine. During 1993 line charges will also include connection to many on-line services available to the Library's computer system.

- Subscription for the software which supports the Library's Health Reference Center.

- Children's programs throughout the year, including crafts classes and seasonal instructional entertainment.

- Entertainment for the "Day in the Park" program.

- Underwrote expenses for the Library Open House.

- Purchased computers and software for the computer classes sponsored by the "Friends". This program is especially valuable as it generates additional funds.

- Purchased not only books, but also CD's, audio and video tapes and even furniture for which town budgeted funds were not available.

- Established a magazine exchange so that Library patrons can donate magazines, and pick up others for a \$.25 contribution.

The Officers of the "Friends" work frequently with Director, Jerry Romelczyk, to determine needs which can be filled by the "Friends" for the benefit of all users in the community. Anyone interested in becoming a member of the "Friends" should contact Jerry at the Library on Common Street.

FINANCE

Treasurer - Collector Department

(Town Hall 660-7311 -7299)

Cynthia D. Moore, Finance Director - Marjorie Meehan, Assistant Treasurer Staff: Laurel Denmore, Patricia Crane, Madelyn Conroy, Elizabeth Cianci, Karen Boyden, Lois Conway

The Treasurer-Collector Division of the Finance Department is responsible for the receipt, investment and disbursement of all Town funds, billing and collection of all taxes and utilities, Town payroll administration and custodian of the Town's Trust Funds.

The Treasurer-Collector is appointed as the Finance Director. In this capacity, the division also is responsible for debt management, overseeing the accounting operation and working with Town Administration on fiscal planning.

Investment income in FY92 decreased from the previous fiscal year, earnings of \$186,034 were credited to the General Fund. Investment income for the Town is highly dependent on two major factors: the average cash balance available for investment and short-term interest rates. The average cash balance has decreased over the past few fiscal years as reserves have been depleted, and short term interest rates have

declined to their lowest in 30 years. These two factors have contributed to the reduction in annual investment income.

Tax Collections during FY92 totaled \$18,993,970, this is 3.6% more than the prior year. The delinquency rate on the FY 92 tax levy was 2.33%, the total dollar amount was 420,000. During FY92 \$21,860. was transferred to Tax Title accounts, which establishes a priority on the Town's behalf for unpaid taxes. The Tax Title balance at June 30, 1992 was 873,165.

The Collector's office was able to implement a marking system in conjunction with the Registry of Motor Vehicles during this fiscal year. This means the Town now has the capability to flag a taxpayer's license and registration for non-renewal if the taxpayer has any outstanding excise bills due to the Town. Excise Tax Collections during FY 93 totaled \$1,302,924, this is up 4% from the previous year.

Trust Fund Committee

(c/o Town Hall)

James Manninen (1994), Chairman - John Carter (1995)- David Monroe (1993)

The purpose of the Trust Fund Committee is to oversee the investments of the various trust funds assigned to the Town of Walpole in accordance with the directions dictated by each fund donee. The members are appointed by the Board of Selectmen. Most investments are corporate type bonds.

The Committee meets formally quarterly on the third Monday of March, June, September and December at the Town Hall. In the interim, as dictated by maturity dates of any of the investments involved, telephone conference meetings are held for appropriate action.

Town Accountant

(Town Hall 660-7317)

Dolores Giordano, Town Accountant - Janice Walker, Assistant Town Accountant - Dorothy Jennings

I am pleased to submit the following financial report for the Town of Walpole's Fiscal Year ending June 30, 1992.

Anyone who wishes to review a more detailed report on revenues and expenses may do so at the office of the accountant.

The Commonwealth of Massachusetts has approved school construction assistance to the town. The assistance program which is administered by the School Building Assistance Bureau provides resources for future debt service of general obligation school bonds outstanding. During 1992, the Town received \$282,536 of such assistance.

Board of Assessors

(Town Hall Room 115, 660-7315)

Clement Boragine (1995), Chairman - James Driscoll (1994), Clerk - John Fisher (1993) Professional Staff: John D. Foster, MAA, Appraiser/Ass't Assessor - Georgianna Fitzgerald, Administrative Clerk - Pamela Spence, Principal Clerk - Adriela Fernandes, Principal Clerk

The assessing department is one of complex and diversified duties. The main priority of the office is to produce fair and equitable valuations for the purpose of taxation. The Town currently values all real and personal property. Motor vehicles are valued by the State Department of Revenue.

Calendar year 1992 was a year of change in the assessors office. Numerous projects, once

contracted to outside firms, are now being accomplished in house. The Town has entered into its second year of data collection for the fiscal year 1996 revaluation. In the past year, the Assessors have been supervising the re-numbering of all maps and lots. These tax maps are an indispensable aid to the assessing process.

The Board meets on Tuesday evenings. Please call the office for appointments.

Summary

Parcel Type	Number of parcels		Assessment by Class	
	F/Y 92	F/Y 93	F/Y 92	F/Y 93
Residential	7,055	7,117	\$1,222,173,000	\$1,177,747,600

Capital Budget Committee

(c/o Town Hall)

Joseph Deneen (1994), Chairman - John Hasenjaeger (1993) - Norman Fine (1995) - John Hill (1995) - Carol Lane (FINCOM), Vice Chairman - Elizabeth Nashawaty (Planning Bd.)

The Capital Budget Committee was established by a vote of the 1971 Annual Town Meeting. The composition of the committee was amended on April 6, 1987 as follows: There shall be a Capital Budget Committee of seven voters, two of whom shall be members of the Finance Committee chosen by it, one of whom shall be a member of the Planning Board chosen by it, and four of whom shall be appointed by the Moderator.

A capital project is generally considered to be a physical betterment or item of equipment having a substantial useful life (in excess of four years) the total cost of which exceeds \$5,000.

It can be more specifically defined as a non-recurring expenditure, financed in whole or in part by town funds for the construction, reconstruction, replacement, major repair, extension or

other improvement of a public building, highway, bridge, playground, land, park or the like, and public works or other facility, structure or utility appurtenant.

The Capital Budget Committee shall consider all matters relating to proposed expenditures of money by the Town for capital projects, and may make recommendations to the Town board, officer or committee, related to such matters.

The various Town boards, officers or committees charged with the expenditures of Town money shall, at a reasonable time before the end of each calendar year, prepare detailed estimates of the amounts deemed by them advisable for the Town to expend for capital projects annually for a period up to six years as determined by the Capital Budget Committee, together with explan-

atory statements providing such additional information about each proposed capital project as may reasonably be requested by the Committee.

The Capital Budget Committee shall duly consider the same and may confer with said Town boards, officers or committees, and shall hold hearings, if they deem it advisable.

Finance Committee

(c/o Town Hall 660-7276)

Clifton K. Snuffer (93), Chairman - Susan Maguire (93), Vice-Chairman (93) - Carol Lane (94), Secretary - James Cappelletti (94) - Thomas Doherty (95) - Mary Hickey (95) - Robert N. Hoey - Philip Jenkins (94) - Kenneth Jones (94) - Ralph Knobel (94) - Richard J. Lacana (93) - Ronald Mariani (95) - John D. Murphy (95) - Catherine Winston (93) - Clare P. Abril, Clerk (resigned during 1992 Anthony Autori - John Higgins - Theresa M. Kerns - Louise B. O'Leary)

The Finance Committee, appointed by the Town Moderator, is empowered by Town Charter to advise the 150 Town Meeting Representatives elected from seven precincts as to its studied judgement on all articles and budgets. The Committee is comprised of 15 volunteer men and women of diverse backgrounds, thus allowing for common sense as well as sound fiscal judgement.

This year's committee created the first ever "Budget Day". Held on the first Monday of the new year, it brought Department Heads, Municipal and School Administrators, Selectmen and Fincom members together at the main Town Hall meeting room to hear the full budget message of the Town, ask questions and in general

The Committee shall report to, and meet with, the Appropriation Committee before preparing its final report. The Committee shall make a report annually of the matters so considered by it with recommendations or suggestions relative thereto, and their said report shall be published and distributed, as part of the annual report of the Appropriation Committee.

observe the "bigger picture".

While this Committee continues to strive for balanced budgets, this is more and more difficult. Under its present Chairman, several discussion sessions were held asking the question "What is our vision of Walpole" and how does that apply to the budgets.

The Fincom will endeavor to acquire as much citizen input as possible and will undertake a cooperative effort to obtain this input through a published survey in the Walpole Times. It meets on Mondays and Thursdays, prior to town meetings, at the Town Hall, and as required by its duties at other times.

Fiscal Review Committee

(c/o Town Hall)

David Martin, Chairman - Andrew Colamaris, Vice Chairman - Robert Hoey - James O'Connell - JoAnn Sprague - Thomas Bowen - Terri Thorton - Betty Nashawaty - Delores Efthim - Robert Van Ness - James Laurino

The Fiscal review Committee is an adhoc committee created under Article 1 of the Annual Town Meeting of April 15, 1992. The purpose of the committee is to review the financial operation of Walpole and make recommendations from their review and studies.

Briefly, the following conclusions summarize the recommendations to be provided in a report to be given in 1993.

- Walpole's Selectmen must direct the person or persons best equipped to cut budgets, if necessary, to do so, in order to bring spending in line with our current revenue stream.
- Significantly broaden the level of departmental line item information provided to Walpole's Town

Meeting Members.

- Planning and zoning should become progressive toward ideas from property owners that will increase property value and taxability while retaining the community's integrity, in order to enhance the tax base of the community.
- Planning and zoning must strive to keep pace with changing family sizes, domicile requirements, land area requirements, economic, environmental and social factors, and conduct their business cognizant of these ever changing variables.
- Insurance requirements should be extensively re-evaluated from year to year.
- Revitalize the Insurance Advisory Committee with emphasis on recruiting members with insurance industry backgrounds.

Gross Salaries of Town Employees

The following is a list of the gross salaries of Town employees for 1992. The information was obtained from the treasurer's computer run. We would like to stress that these are not necessarily

straight time earnings and may include overtime, stipends and in some cases income from more than one department.

TOWN MODERATOR

Town Moderator

(c/o Town Hall)

Stephen Sullivan, Moderator

The Town Moderator has the responsibility to preside over the Representative Town Meeting. Each year, Walpole holds two Annual Town Meetings, one in April and another in October. Although either session can consider monetary articles, the April meeting is reserved for the presentation of Walpole's operating budget for the coming fiscal year. In addition to the scheduled annual meetings, the Board of Selectmen may call a number of Special Town Meetings throughout the year. The Moderator's duties at all Town Meetings include organizing the support structure of tellers, microphone carriers, projection equipment and lighting. During the Town Meeting, the Moderator presides over the meeting, ensures that the proper procedures are followed, that discussion on each article is orderly, that all parties are

afforded an equal opportunity to speak on the issues and after the Town Meeting members vote, declares the outcome of that vote.

The Moderator has another important responsibility to fulfill through the appointment of members to volunteer boards such as the Finance Committee, Capital Budget Committee, Personnel Board and the Permanent Advisory Building Maintenance Committee. Many of these appointments require a significant time commitment by the members and Walpole is very fortunate to have citizens willing to dedicate the time necessary to serve on these advisory boards. Through their dedication and efforts, the taxpayers of Walpole have a strong voice in the operation of their town.

Town Meeting Rules Committee

Precinct: 1 Barbara M. Tuson - 2 William T. Goode - 3 John F. Campbell - 4 Francis X. Quinn - 5 Ronald A. Fucile - 6 Stephen R. Hemmen - 7 Stephen Stone

The Town Meeting Rules Committee, selected by a caucus of each precinct, meets to review the rules of Town Meeting and make

recommendations regarding these rules to the full body of the Meeting for their disposition. No report was provided for 1992.

TOWN RECORDS

Town Clerk

(Town Hall 660-7296)

Louis E. Hoegler, Town Clerk - Mildred Rockwood, Assistant Town Clerk
Deborah Bering

Staff: Patricia McGrath,

The Town Clerk's office is the principal record collecting, keeping and maintaining department of the town. It has the responsibility of issuing licenses such as marriage licenses, fishing licenses, dog licenses, etc., and collection of the related fees. It is responsible for census taking and reporting.

The Town Clerk's office is the depository for Planning Board applications and Board of Appeals filings with the legal timetable monitoring requirements associated with such applications and filings to ensure compliance with Town Bylaws and State laws.

Records of Town Meeting proceedings are kept by the Town Clerk. These records, along with several other kinds of records such as voting and census, are appropriately reported within the Town and to the Secretary of the Commonwealth and/or the Attorney General of the Commonwealth as required by Massachusetts state law.

The Town Clerk's office, beyond all of its formal and legal responsibilities, is the "front door" to Town government where citizens or others having business with the Town get their first directions on whom to see or where to go to get information or action on any particular problem they may have.

Registrars of Voters

(c/o Town Hall 660-7296)

Louis E. Hoegler (R), Clerk - Charles Boothby (R) - John Farrell (D) - Gene Farrell (D)

The Board of Voter Registrars is composed of two members each selected by the two principal political parties, Democrat and Republican, Town Committees. The Board oversees all elections to ensure compliance with applicable laws.

Records of the elections are kept by the Clerk and become a part of the Town Clerk's records for reporting to appropriate agencies and the public. These records for 1992 are reported later in this section.

Special Note

The following data from the Town Clerk's records is believed to be complete and accurate, however, like any material of this kind, it cannot be guaranteed. Any questions in this regard may be directed to the Town Clerk's Office where original documentation is on file. Any comments or corrections here or elsewhere in the Report should be directed (in writing please) to the Clerk's Office or to the Annual Report Committee (c/o Selectmen's Office).

TOWN CLERK

1992

FISH & WILDLIFE LICENSES

Resident Citizen Fishing	350

TOWN MEETING ABSTRACTS

Commonwealth of Massachusetts

Commonwealth of Massachusetts

TOWN OF WALPOLE

TOWN OF WALPOLE

PRESIDENTIAL PRIMARY WARRANT

PRESIDENTIAL PRIMARY MARCH 10, 1992

Norfolk, ss.

Norfolk, ss.

To any Constable in the Town of Walpole

GREETING:

In the name of the Commonwealth you are hereby required to notify and warn the inhabitants of said town who are qualified to vote in the Primaries in their respective precincts as follows: The qualified voters in Precinct 1 to meet in St. Mary's Hall, the qualified voters of Precinct 2 to meet in the Old Post Road School; the qualified voters of Precinct 3 to meet in the Senior Center; the qualified voters of Precinct 4 to meet in the Boyden School; the qualified voters of Precinct 5 to meet in the Senior Center; the qualified voters of Precinct 6 to meet in the New Fisher School; and the qualified voters of Precinct 7 to meet in the New Fisher School on

Pursuant to the foregoing warrant, the inhabitants of Precinct 1 qualified to vote in Presidential Primaries met in St. Mary's Hall; the qualified voters of Precinct 2 met in the Old Post Road School; the inhabitants of Precinct 3 met in the Senior Center of Town Hall; the qualified voters of Precinct 4 met in Boyden School; the qualified voters of Precinct 5 met in the Senior Center of Town Hall; the qualified voters of Precinct 6 and Precinct 7 met in the New Fisher School for the purpose called for in the warrant.

The meeting in Precinct 1 was presided over by Evelyn Foley, duly qualified for office. She was assisted by the following duly qualified Election Officers; Ann Ayer, Helen Capone, Eugene Donaldson, Rita Donaldson, Edith Rocket, Alice Kiesling, Nancy O'Keefe, Craig Olson, Gladys Rice, Larry Sundberg and Ruth Sundberg.

TUESDAY, THE 10TH OF MARCH 1992

ANNUAL TOWN MEETING WARRANT Spring Session

TOWN OF WALPOLE Commonwealth Of Massachusetts

Norfolk, ss.

To any Constable in the Town of Walpole,

In the name of the Commonwealth of Massachusetts, you are hereby directed to notify the inhabitants of the Town of Walpole, qualified to vote in elections and town affairs, to meet in the Auditorium of the Eleanor N. Johnson Middle School Building in said Walpole on the

**FIRST MONDAY IN APRIL, 1992, IT BEING THE
SIXTH DAY OF SAID MONTH, AT 7:30 P.M.**

In accordance with the Charter of the Town, then and thereto see if the Town will vote to amend the By-laws and Zoning By-laws of said Town and to act on the following articles:

ARTICLE 1. To hear and act on the report of any committee or to choose any committee the Town may think proper and transact any other business that may legally come before the town. (Petition of the Board of Selectmen)

ARTICLE 2. To see if the town will vote to appropriate a sum of money to engage a Certified Public Accountant or firm of accounts to audit all the accounts of the Town in accordance with Article VI, Section 6-10B of the Walpole Home Rule Charter, or do or act anything in relation thereto. (Petition of the Board of Selectmen)

ARTICLE 3. To see if the Town will vote to approve the amendments to the Personnel By-laws. (Petition of the Personnel Board)

ARTICLE 4. To see if the Town will vote to approve the new pay schedule as recommended by the Personnel Board. (Petition of the Personnel Board)

ARTICLE 5. To see if the Town will vote to appropriate a sum of money to defray certain salary expenses as recommended by the Personnel Board in the new salary schedule. (Petition of the Personnel Board)

ARTICLE 6. To see if the Town will vote to fix the salary and compensation for elected officials of the Town as provided for by the General Laws, Chapter 41, Section 108, for their

services for the fiscal year commencing July 1, 1992 and to see what sum of money the town will appropriate or transfer from available funds to defray departmental and incidental expenses of the Town for the fiscal year commencing July 1, 1992, not otherwise provided for. (Petition of the Board of Selectmen)

ARTICLE 7. To see if the Town will vote to appropriate a sum of money for Veteran's pensions under Chapter 32, Section 59A of the Massachusetts General Laws. (Petition of the Board of Selectmen)

ARTICLE 8. To see if the Town will vote to appropriate a sum of money to print the 1991 Town Report (Petition of the Board of Selectmen)

ARTICLE 9. To see if the Town will vote to appropriate, borrow and/or transfer a sum of money to make capital improvements to certain municipal buildings, or do or act anything in relation thereto. (Petition of the Board of Selectmen)

ARTICLE 10. To see if the Town will vote to appropriate, borrow and/or transfer a sum of money to resurface and reconstruct certain streets, and sidewalks, or do or act anything in relation thereto (Petition of the Board of Selectmen)

ARTICLE 11. To see if the Town will vote to appropriate, borrow and/or transfer a sum of money to purchase equipment for the Department of Public Works, or do or act anything in relation thereto. (Petition of the Board of Selectmen)

ARTICLE 12. To see if the Town will vote to appropriate, borrow and/or transfer a sum of money to purchase and/or refurbish equipment for the Fire Department, or do or act anything in relation thereto. (Petition of the Board of Selectmen)

ARTICLE 13. To see if the Town will vote to appropriate, borrow and/or transfer a sum of money to purchase classroom furniture and/or other equipment for the School Department, or do or act anything in relation thereto. (Petition of the School Committee)

ARTICLE 14. To see if the Town will vote to appropriate, borrow and/or transfer a sum of money to purchase vehicles and equipment for the Police Department, or do or act anything in relation thereto. (Petition of the Board of Selectmen)

ARTICLE 15. To see if the Town will vote to appropriate, borrow and/or transfer a sum of money to construct and/or reconstruct certain sidewalks, or do or act anything in relation thereto. (Petition of the Board of Selectmen)

ARTICLE 16. To see if the Town will vote to appropriate, borrow and/or transfer a sum of money to engage the data collection services of consultant Charles B. Shea to honor the second year of his contract. (Petition of the Board of Assessors)

ARTICLE 17. To see if the Town will vote to appropriate, borrow and/or transfer a sum of money to engage a mapping firm to update, renumber and establish a cross indexing system of the Town's tax maps bringing them into conformity with the recommendations of the Department of Revenue. (Petition of the Board of Assessors)

ARTICLE 18. To see if the Town will vote pursuant to M.G.L. c44, Section 53E1/2 to authorize the use of a revolving fund for the purpose of a Department of Environmental Protection Cross Connection Control Program, said Revolving Fund shall be credited with receipts from Inspection Services under the authority and direction of the Sewer & Water Commission; such expenditures not to exceed \$15,000 or take any other action relative thereto. (Petition of the Sewer and Water Commission)

ARTICLE 19. To see if the Town will separately vote a septage charge and a cross connection control charge for purposes of permitting the Town to impose a lien on real property located within the Town for any such local charge or fee that has not been paid by the due date, pursuant to M.G.L. c.40, Section 58, or take any other action in relation thereto. (Petition of the Sewer & Water Commission)

ARTICLE 20. To see if the Town will vote to accept the provisions of Section 22F of Chapter 40 of the Acts of 1991 regarding the setting of fees and charges for permits, licenses and certificates, or take any other action in relation thereto. (Petition of the Board of Selectmen)

ARTICLE 21. To see if the Town will vote to amend its By-laws, Article XIII, Police Regulations, Section 4 as follows:

Section 4. Discharge of firearms, release of arrows, on, over public property:

No person shall discharge any gun, fowling piece, pistol, or firearm **or release an arrow from a bow or hunt or trap** or set fire to any material known as fireworks, or other combustible matter, in any of the public ways, streets or places of the Town, **including but not limited to conservation land and other Town owned property**, or within one half of a mile of the South Walpole Common, the Walpole Town Hall or the East Walpole Square, or within one half of a mile of any of the wells or water tanks or other structures operated for the purpose of supplying and storing drinking water for the people of the Town; or within one half of a mile of any one of the public schools of the town; except on such occasions and of such character and mind as the Chief

of Police may, with the approval of the Board of Selectmen, by public notice, permit, provided, however, this section shall not apply to any person abating a nuisance or in the exercise of duty required by law.

Section 4A. Discharge of firearms, release of arrows, or over private property:

No person shall, except with the written consent of the landowner or his authorized agent and where not otherwise prohibited by law, fire or discharge any firearm of any caliber or gauge, or a CO2 or an air rifle, or release an arrow from a bow on any private property or hunt or trap in the Town; provided, however, that the provisions of this by-law shall not apply to Police Officers in the performance of their duties, or not the use of such weapons at any military exercise or at an established shooting range, or sportsmen's club, or in the lawful defense of the person, family or property of any citizen, or except as otherwise authorized or required by law.

Section B. Hunting and trapping on private property:

No person while hunting or trapping on private property in the Town shall discharge any gun, fowling piece, or other firearm, or release an arrow from a bow within 150 feet of any road or within 500 feet of any dwelling in use, or violate any other applicable state hunting or trapping law. No person shall hunt or trap on private property except when in possession of the carrying for inspection all licenses, permits, and stamps required for hunting or trapping under state law as well as written permission from the landowner or his authorized agent to hunt or trap on the property in question. (Petition of the Board of Selectmen)

ARTICLE 22. To see if the Town will vote to amend its By-laws, Article XIII, Police Regulations, Section 7, to read as follows:

"No person shall throw or drop in or upon any public footpath, sidewalk, way, street or place, or private way to which the public has a right of access as invites, any piece of wire, metal, mineral, glass or other material, including the discharge of water, ice or snow that might or would be a source of nuisance, as defined in the Town's nuisance by-law, Article X Health By-laws or danger to anyone lawfully passing over or using the same; or that may prove injurious in any respect to the hooves of animals, the tire of bicycles or the rubber tires of automobiles and other vehicles or the feet of people. (Petition of the Board of Selectmen)

ARTICLE 23. To see if the Town will vote to release the conservation use insofar as necessary with respect to a parcel of land described as Lot D2-208-3, and to petition the legislature to enact the following legislation, or take any other action relative thereto:

Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same as follows:

Section 1. Notwithstanding the provisions of any general or special law to the contrary, the Walpole Conservation Commission is hereby authorized to lease a portion of land acquired by the Town of Walpole for conservation purposes and described as Lot D2-208-3 for recreational or for agricultural purposes.

Section 2. The lease may allow the lessee to conduct site work to grade and prepare fields for recreation and may also allow for the construction of such gravel access ways and parking areas as are deemed expedient. No permanent structures or impervious surfaces shall be constructed on the land.

Section 3. The lease may be for an initial term of five years, renewable at the sole discretion of the Conservation Commission for up to four (4) additional five year terms and shall be exempt from the provisions of General Law Chapter 30B, the "Uniform Procurement Act."

Section 4. The terms of the lease may be negotiated by the Walpole Conservation Commission, but the lease will be subject to the review and approval of the Walpole Board of Selectmen. (Petition of the Conservation Commission)

ARTICLE 24. To see if the Town of Walpole will vote to accept the provisions of Clause Forty-First C of Section 5 of Chapter 59 of the General Laws as most recently enacted by Chapter 653 of the Acts of 1982, which provides for exemptions of certain amounts of real estate taxes for certain qualifying elderly property owners in the Town or to accept any other legislation providing tax exemptions or abatements for the elderly or take any action related thereto. (Petition of the Council on Aging)

ARTICLE 25. To see if the Town will vote to transfer to the Board of Selectmen for the purpose of conveyance and to authorize the Board of Selectmen to sell a parcel of Town-owned land described as Assessors Parcel E933 totaling 11,834 square feet +/- off Norfolk Street or do or act anything in relation thereto. (Petition of the Board of Selectmen)

ARTICLE 26. To see what disposition of the Town will make of the unexpended balances in certain specified accounts. (Petition of the Finance Committee)

ARTICLE 27. To see if the town will vote to rescind portions of their action taken at Town Meetings regarding authorizations to borrow, as listed below, or take any other action in relation thereto:

S.A.T.M. A38 April, 1983 Sewer Construction

S.T.M. AI December 15, 1986 Conservation-Land Acquisition
S.A.T.M. A25 April, 1986, Phase II Sewer Construction
S.A.T.M. A29 April 4, 1988, Phase III Sewer Construction
S.T.M. A9 June 19, 1989, Sybil Street Reconstruction
(Petition of the Board of Selectmen)

ARTICLE 28. To see if the town will vote to accept Cobble Knoll Drive from Station 10+00 to its terminus at Station 20+42.85, including any easements and utilities appurtenant thereto. (Petition of the Planning Board)

ARTICLE 29. To see if the Town will vote to accept Liberty Lane from its beginning at Station 0+00 to Station 2+11.21, including any easements and utilities appurtenant thereto. (Petition of the Planning Board)

ARTICLE 30. To see if the town will vote to accept Concord Drive from its beginning at Station 0+00 to its terminus at Station 15+09.91, including any easements and utilities appurtenant thereto. (Petition of the Planning Board)

ARTICLE 31. To see if the Town will vote to accept Helen Lane from its beginning at Station 0+00 to its terminus at Station 4+82, including any easements and utilities appurtenant thereto (Petition of the Planning Board)

ARTICLE 32. To see if the Town will vote to accept Skyview Drive from its beginning at Station 0+00 to its terminus at Station 4+96.24, including any easements and utilities appurtenant thereto. (Petition of the Planning Board)

ARTICLE 33. To see if the Town will vote to transfer a supplemental sum of money to fund the FY92 Fire Department Operational Budget or do anything in relation thereto. (Petition of the Board of Selectmen)

ARTICLE 34. To see if the Town will vote to accept an Equal Educational Opportunity Grant for Fiscal Year 1993 in the amount of \$101,062, under the provisions of General Laws, Chapter 70A, Section 5 as inserted by Chapter 188 of the Acts of 1985; said grant shall be expended by the Tri-County Regional Vocational Technical School District Committee for direct Service Expenditures, or act in any manner relating thereto. (Petition of the Tri-County Regional Vocational Technical School District Committee)

And you are hereby directed to serve this warrant by posting attested copies thereof in at least two public places in each precinct in said Town not less than seven days before the day appointed for said meeting.

Hereof fail not and make due return of this warrant with your doings thereon to the Town Clerk before the day set for said meeting.

Given under our hands and the seal of the Town this 28th day

of January, nineteen thousand nine hundred and ninety-two.

Walpole Board of Selectmen (signed): Joseph P. Germano, Joanne F. Damish, William T. Hamilton, Paul A. Palermino, William J. Maloney, Jr.

By virtue of the within warrant, I have notified the inhabitants of the Town of Walpole, qualified to vote in elections and town affairs to meet at the time and place and for the purpose mentioned in said warrant by posting attested copies thereof in at least two public places in each precinct of said town not less than seven days before the day appointed for said meeting.

A true Copy
Attest: Joseph Petro

SPECIAL TOWN MEETING WARRANT

TOWN OF WALPOLE

Commonwealth Of Massachusetts

Norfolk, ss.

To any Constable in the Town of Walpole,

In the name of the Commonwealth of Massachusetts, you are hereby directed to notify the inhabitants of the Town of Walpole, qualified to vote in elections and town affairs, to meet in the Auditorium of the Eleanor N. Johnson Middle School Building in said Walpole on the

LAST MONDAY IN AUGUST, 1992, IT BEING THE THIRTY-FIRST DAY OF SAID MONTH, AT 7:30 P.M.

in accordance with the Charter of the Town, then and thereto see if the Town will vote to amend the By-laws and Zoning By-laws of said Town and to act on the following articles:

ARTICLE 1. To see if the Town will vote to rescind all or a portion of Article 6 of the Annual Town Meeting held on April 15, 1992 and/or to appropriate and/or transfer a supplemental sum of money relating to salaries and expenses of the Town for the fiscal year that began July 1, 1992 or take any other action in relation thereto. (Petition of the Board of Selectmen)

ARTICLE 2. To see if the Town will vote to appropriate a sum of money for fiscal year 1993 raises for non-union personnel or do or act anything in relation thereto. (Petition of the Board of Selectmen)

ARTICLE 3. To see if the Town will vote to appropriate a sum of money to the Stabilization Fund or do or act anything in relation thereto. (Petition of the Board of Selectmen)

ARTICLE 4. To see if the Town will vote to amend the vote passed under Article 26 of the Warrant for the April 1, 1991 Annual Town Meeting, relating to the appropriation of \$3,410,000 for renovations and an addition to the Old Post Road School for which a Proposition 2 1/2 debt exclusion was approved on May 4, 1991; by providing that the borrowing authorized thereunder can be issued under GL C44S7 or Chapter 645 of the Acts of 1948, which would allow for construction to proceed without any Commonwealth of Massachusetts School Building assistance; or to take any other action relative thereto. (Petition of the School Committee)

ARTICLE 5. To see if the Town will vote to authorize the Board of Sewer and Water Commissioners to accept, upon such terms and conditions as it shall determine, the grant of a permanent sewer easement, for the purposes of installing, repairing, operating and maintaining sewage facilities, in, along, upon and across the property shown as Sewer Easement Parcel A, Sewer easement Parcel B Sewer Easement Parcel C, Sewer Easement Parcel D. and Utilities Easement Parcel E as shown on a plan entitled "Easement Plan of Land in Walpole, Mass.", Scale: 1"-40', dated June 2, 1992, prepared by Norwood Engineering Co., Inc., which plan is on file with the Walpole Town Clerk; and to further see if the Town will vote to authorize the Board of Sewer and Water Commissioners to accept, upon such terms and conditions as it shall determine, the grant of a permanent drain and storm sewer easement for the purposes of installing, repairing, operating and maintaining storm drainage facilities in, along, upon and across the property shown as Utilities Easement Parcel E on the aforementioned "Easement Plan of Land in Walpole, Mass.", or take any action relative thereto. (Petition of the Sewer and Water Commissioners)

ARTICLE 6. To see if the Town will vote to abandon all rights and interests in a portion of a sewer easement across land n/f of B.I.M. Investment Trust and Shaffer Realty Nominee Trust, as shown on a plan entitled "Easement Plan of Land in

Walpole, Mass.", Scale: 1" 40', dated June 2, 1992, prepared by Norwood Engineering Co., Inc., as Parcels G and H, which plan is on file with the Walpole Town Clerk; and to further see if the Town will vote to transfer control of said easement to the Board of Selectmen for purposes of effectuating said abandonment, or take any other action relative thereto. (Petition of the Sewer and Water Commissioners)

ARTICLE 7. to see if the Town will vote to appropriate, borrow and/or transfer a sum of money to address the United States Environmental Protection Agency's draft unilateral Administrative Order for removal action at the Robbins Road Superfund Site dated August 6, 1992 or take any action relative thereto. (Petition of the Board of Selectmen)

And you are hereby directed to serve this warrant by posting attested copies thereof in at least two public places in each precinct in said Town not less than fourteen days before the day appointed for said meeting.

Hereof fail not and make due return of this warrant with your doings thereon to the Town Clerk before the day set for said meeting.

Given under our hands and the seal of the Town this 11th day of August, nineteen thousand nine hundred and ninety-two.

WALPOLE BOARD OF SELECTMEN: Joseph P. Germano, Joanne F. Damish, William T. Hamilton, William J. Maloney, Jr., James O'Connell

Commonwealth Of Massachusetts

TOWN OF WALPOLE

SPECIAL TOWN MEETING AUGUST 31, 1992

Pursuant to the Warrant of August 31, 1992, the Special Town Meeting was called to order at 7:35 P.M. in the Eleanor N. Johnson Middle School Auditorium by Moderator Stephen E. Sullivan. All rules and regulations concerning the call of a Special Town Meeting were fulfilled and a quorum was present, Town Clerk, Louis E. Hoegler attested to proper return of the Warrant.

The Assembly pledged allegiance to the Flag.

James P. Driscoll, a member of the Board of Assessors read a Proclamation.

**A PROCLAMATION
AUGUST 31, 1992**

On behalf of the Representative Town Meeting Members and the Town of Walpole we would like to take this opportunity to thank ANTHONY J. BRUNO for his years of dedicated service to the Town of Walpole.

Tony has served as a Representative Town Meeting Member since its beginning in 1971.

Served as a member of the Sewer and Water Commission Study Committee, a member of the Permanent Building Committee, the Town Charter Study Committee, a member and Chairman of the Town By-Laws Study Committee and Hearing Officer for the Town of Walpole.

Served as Chairman and Member of the School Committee;

Served as Chairman and Member of the Board of Assessors.

Now, Therefore, we, the Representative Town Meeting Members, on behalf of the Town, do hereby thank Anthony J. Bruno for his years of dedicated services to the Town of Walpole and wish Tony and his wife, Joan, many years of happiness in Mattapoisett.

ANNUAL FALL TOWN MEETING WARRANT

TOWN OF WALPOLE

Commonwealth Of Massachusetts

Norfolk, ss.

To any Constable in the Town of Walpole

Greetings:

In the name of the Commonwealth of Massachusetts, you are hereby directed to notify the inhabitants of the Town of Walpole, qualified to vote in elections in town affairs, to

meet in the Auditorium of the Eleanor N. Johnson Middle School Building in said Walpole on the

NINETEENTH DAY OF OCTOBER, 1992

at 7:30 p.m. then and there to see if the Town will vote to amend the By-laws and Zoning By-laws to said Town and act on the following articles:

ARTICLE 1. To see if the Town will vote to authorize the Board of Selectmen to appoint a committee for the purpose of studying various sections of the Zoning By-Law, particularly Section 7 (Site Plan Review), in order to recommend possible changes to the By-Law at the 1993 Spring Annual Town Meeting. Said committee to be comprised of the following:

2 members of the Planning Board
2 members of the Board of Selectmen

1 member of the Sewer and Water Commission
 1 member of the Zoning Board of Appeals
 1 member of the Conservation Commission
 1 member of the Board of Health
 1 member at-large

The Board of Selectmen may appoint ex-officio members to the committee as it deems necessary. Said committee shall report its findings and recommendations in writing to the Board of Selectmen by February 28, 1993.

(Petition of the Planning Board)

ARTICLE 2. To see if the Town will vote to amend its Zoning By-Law by deleting subsection “iii” in Section 3-B(3)-d and renumbering the existing subsection “iv” as “iii”.

(Petition of the Planning Board.)

ARTICLE 3. To see if the Town will vote to amend its Zoning By-Law in order to clarify the Schedule of Use Regulations and Schedule of Dimensional Regulations as they pertain to uses accessory to permitted main uses, as follows:

1. The Zoning By-Law shall be amended by substituting the following language for the existing language of Section 3-B-(3)-s:
 - s. Accessory use incidental to a permitted residential use, including the following: detached private guest house, greenhouse, detached garage, tool/storage shed, boathouse, stable, playhouse, or recreational court.”
2. The Zoning By-Law shall be further amended by adding the following new Section 3-B-(3)-t, which use shall be permitted as a matter of right (A) in all Residential Districts as defined in Section 2-A of the Zoning By-Law:
 - t. Outdoor swimming pool accessory to a permitted residential use, provided that:
 - i. the pool shall be subject to the same front yard, side yard, and rear yard setbacks required under Section 4-B(Schedule of Dimensional Regulations) for buildings in the zoning district in which the pool will be located; and
 - ii. a fence at least four (4) feet high with a self-closing and self-latching gate shall completely surround the pool area; and
 - iii. any illumination of the pool area shall be shielded from direct view from all streets and adjoining properties; and

iv. a building permit is issued for its construction and installation”

3. The Zoning By-Law shall be further amended by adding the following new Section 3-B-(6)-b, which use shall be permitted as a matter of right in all zoning districts:
 - b. Antenna (exclusive of antenna designed for normal rooftop installation) or tower fifty(50) feet or less in height or satellite receiving dish fifteen(15) feet or less in height, accessory to a permitted main use, provided that:
 - i. the antenna, tower, or satellite receiving dish shall not be located nearer to any exterior street line than the principal building and shall be subject to the same side yard and rear yard setbacks required under Section 4-B(Schedule of Dimensional Regulations) for buildings in the zoning district in which the antenna, tower, or satellite receiving dish will be located; and
 - ii. the antenna, tower, or satellite receiving dish shall be permanently secured to the ground; and
 - iii. a building permit is issued for its construction and installation.”
4. The Zoning By-Law shall be further amended by adding the following new Section 3-B-(6)-c, which use shall be allowed by Special Permit Type 1(SP1) in all zoning districts:
 - c. Antenna (exclusive of antenna designed for normal rooftop installation), tower, or satellite receiving dish, accessory to a permitted main use, where the provisions of Section 3-B-(6)-b pertaining to the height or location of such a device prevent or substantially impair its proper function.”
5. The Zoning By-Law shall be further amended by changing the words”... a detached accessory building...”to”...an accessory use or structure...” in explanatory notes(b), (c), and (d) of the Chart for Schedule of Dimensional Regulations (Section 4-B).

(Petition of the Planning Board)

ARTICLE 4. To see if the Town will vote to amend its Zoning By-Law by allowing the uses under Section 3-B-(4)-q by a Special Permit Type 1 (SP1) in the Business (B) District. The Zoning By-Law shall be further amended by deleting Section 3-B-(4)-p in its entirety and by re-number-

ing the existing Sections 3-B-(4)-"q" through cc" as Sections 3-B-(4)-"p" through "bb".

(Petition of the Planning Board)

ARTICLE 5. To see if the Town will vote to amend its Zoning By-Law by substituting the following language for the existing language of Section 6-F-(3):

- (3) Notwithstanding the provisions of Section 4-C-(9), the Building Inspector may permit the erection of a standing sign if the Building Inspector finds that the sign complies with Section 6-B and with the purposes of this By-Law. If such permission is granted, the purposes of this By-Law; provided, however, that no such sign shall exceed forty (40) square feet in area and said sign shall be subject to the same side yard and rear yard setbacks required under Section 4-B(Schedule of Dimensional Regulations) of the Zoning district in which it will be located.

(Petition of the Planning Board)

ARTICLE 6. To see if the Town will vote to amend its Zoning By-Law by substituting the following language for the existing language of Section 5-D parking regulations.

5-D EXCEPTIONS

Notwithstanding the other provisions of this section, off-street parking spaces need not be provided for any retail business, or dwelling units, or service use within the area in Walpole Center bounded as follows:

1. on the east, by a line one hundred ten (110) feet easterly of, and parallel to, the center line of Main Street.
2. on the north by East Street,
3. on the west, by a line one hundred ten(110) feet westerly on West Street and on Main Street north of its intersection with West Street.
4. on the south, by Elm and Common Streets.

(Petition of the Downtown Business Association
of Walpole)

ARTICLE 7

Section 1

To see if the own will vote to authorize the Board of Selectmen, upon such terms as said board deems appropriate, to accept the conveyance from Omega Associates of two parcels of land of approximately 14+ acres in fee for

consideration of one dollar (\$1.00), said parcels being shown as assessors parcels A08-0803 and D07-0742;

Section 2

and to authorize the Conservation Commission upon such terms as said commission deems appropriate, subject to the approval of the Board of Selectmen, to accept the conveyance from Omega Associates/Home Building Company Inc. of seven parcels of land totaling approximately 17.35+ acres in fee for consideration of one dollar (\$1.00) said parcels being shown as parcels D08-0816-5, C14-1405-1, D01-0194, C13-1307-28B, C13-1307-1-A, C13-1307-1-b-3, and C13-1307-1-b-4 on a plan entitled "Plan of Land dated September 2, 1992, prepared by John R. Anderson and Associates and on file with the Town Clerk.

Section 3

and further to see if the town will vote to authorize the Board of Selectmen, upon such terms as said board deems appropriate, to accept the grant of a 20 foot wide access easement or easements by Omega Associates and Anna Bird along Bird Pond as shown on a plan by Kimball Chase/Caler Calantano Inc., dated October 17, 1987, for the purpose of accessing, Assessors Parcels d207-1, a404-1,d209-a and the Bird Drive southerly sidewalk to Washington Street.

Section 4

and further, to see if the town will vote to transfer the care, custody and control of the parcel of land to the Board of Selectmen for the purpose of conveying said parcel of approximately 17+ acres and to authorize the Board of Selectmen to convey said parcel to Omega Associates in fee for one dollar (\$1.00), said parcel being shown on the above-referenced plan as parcel d208-3 subject to approval of the legislature in accordance with Article 97 of the Massachusetts Constitution and subject to compliance with or special legislation exempting said transaction from any applicable provisions of Chapter 30B of the General Laws and further to such end to see if the Town will vote to authorize the Board of Selectmen to petition the Massachusetts General Court to approve the sale of said conservation land shown as parcel D208-3 on said plan pursuant to Article 97 of the Massachusetts Constitution and further that the Town of Walpole retain a 20 foot wide access easement along Bird Pond.

Section 5

and further, to see if the Town will vote to amend the Zoning By-Laws of the Town of Walpole by amending the official zoning map, latest revision 10/21/91 by changing the designation of the land shown as parcel D208-3 on a plan entitled "Rezoning Map of Walpole, Mass., dated September 1, 1992", prepared by Mark Coviello, Town Engineer, and described as follows:

a certain parcel of land in Walpole, Massachusetts, described as Parcel B on a plan entitled "conveyance plan of land off Mylod Street," by Peter Boghossian, Town Engineer, dated November 12, 1980, and recorded in Norfolk Registry of Deeds as Plan #62 of 1981 book #5832, page 495 and located on the southerly side of Mylod Street in that portion of Walpole known as East Walpole in said county and bounded and described as follows:

s18-06-20e a distance of 44.21 feet, thence running
s27-09-58e a distance of 69.14 feet, thence running
s23-02-15e a distance of 238.92 feet, thence running
s23-05-36e a distance of 269.35 feet, thence running
s23-05-36e a distance of 375 feet more or less to the high water mark in Bird's Mill Pond in the Neponset River, the above described courses being along a stone wall; thence turning and running

westerly and southwesterly about one thousand eight (1,080+) feet more or less along said high water mark to a stone wall; and land now or formerly of the Old Colony Council, inc. Boy Scouts of America, thence turning and running

N19-26-00w a distance of 85 feet more or less along a stone wall, and further in nearly the same course a distance 199 feet, thence turning and running

easterly a distance of 244 feet, a portion of which is along a stone wall; thence turning and running

northwesterly a distance of 70 feet, and further northwesterly a distance of 52.5 feet, and still further northwesterly a distance of 26.5 feet, the last three courses being along a stone wall; thence turning and running

n57-11-33e a distance of 26.4 feet; thence running
n64-07-33e a distance of 76.1 feet; thence running
n69-00-03e a distance of 108.9 feet; thence turning and running

n07-29-33e a distance of 33.3 feet; thence turning and running

n09-11-27w a distance of 70 feet; thence running
n10-03-27w a distance of 215 feet; thence running
n12-31-27w a distance of 210 feet; thence running
n09-56-27w a distance of 125 feet; thence turning and running

n83-03-12w a distance of 473.23 feet by parcel "a" to the point of beginning.

said parcel contains 17+ acres.

for grantor's title see deed dated April 24, 1980, and recorded in Norfolk deeds book 5729, page 731 and 732.

on file with the Town Clerk, from Limited Manufacturing to Residence A

Section 6

and further to see if the Town will vote to authorize the Board of Selectmen, upon such terms as said Board deems appropriate, to enter into a tripartite agreement with the Youth Soccer Association and Omega Associates for the purpose of delineating the use of Parcel A08-0803 and improvements to be made thereto at the expense of the Youth Soccer Association and Omega Associates. And further, to see if the Town will vote to authorize the Board of Selectmen, upon such terms as said Board deems appropriate, to lease a portion of said Parcel A08-0803, shown as "Exhibit B plan of recreation and conservation use" on said Plan, to the Youth Soccer Association for consideration of one dollar (\$1.00) annually for a period of up to twenty (20) years, renewable every five (5) years, to be used for recreational purposes.

Section 7

and further, to see if the Town will vote to petition the Massachusetts General Court to exempt all of the transactions set forth in Article 7, Sections 1-6 from any applicable provisions of Chapter 30B, Chapter 7, Sections 38A 1/2-380 (Designer Selection Laws) and Chapter 30, Section 39M, Chapter 149 and 44A-44M (Public Bidding Laws) of the General Laws.

or to take any other action relative thereto.

(Petition of the Walpole Youth Soccer Committee)

ARTICLE 8. To see if the town will vote to amend the Zoning By-Laws of the Town of Walpole by changing the designation of the land shown on zoning map latest revision 10/21/91 and shown as parcel D-209 on a plan entitled: rezoning plan of land in Walpole, Ma., dated August 31 1992," prepared by John R. Anderson & Associates, and described as follows:

beginning at an angle point on the southeasterly sideline of Mylod Street, and being about 910 feet southwesterly of the Norwood-Walpole Town Line; thence running

northeasterly, by the southeasterly sideline of Mylod Street, about 102 feet, to the existing residential zone; thence

southeasterly, by the existing residential zone line, about 745 feet; thence

westerly, along an existing property line, about 436 feet to the property line between assessors' parcels d208-2 and d209; thence

southerly, along the existing property line, about 37 feet, to the northeast corner of assessor's parcel d208-3; thence

westerly, along the existing property line between assessor's parcels d208-2 and d208-3, about one foot, to the existing residential zone line; thence

northerly, along the existing residential zone line, about 697 feet to the southeasterly sideline of Mylod Street; thence

northeasterly, along the southeasterly sideline of Mylod Street about 99 feet, to the point of beginning, and containing about 5.0 acres.

on file with the Town Clerk, from Limited Manufacturing to Residence A and further to see if the Town will vote to authorize the Board of Selectmen, upon such terms as said board deems appropriate to accept a grant of a 20 foot wide access easement along Bird Pond from Seabeam Instruments Inc. as shown as parcel D209 on said plan, or do or act anything in relation thereto.

(Petition of Seabeams Instruments Inc.)

ARTICLE 9. To see if the Town will vote to transfer or borrow a sum of money to conduct a Water Quality Pilot Study for the School Meadow Brook/Neponset Wells or do or act anything in relation thereto.

(Petition of the Sewer and Water Commissioners)

ARTICLE 10. To see if the Town will vote to borrow or transfer a sum of money to replace water mains and appurtenances in the intersection of Washington and High Plain Streets and on South Street or do or act anything in relation thereto.

(Petition of Sewer and Water Commissioners)

ARTICLE 11. To see if the Town will vote to transfer a sum of money from the Ambulance Revolving Account for the purpose of engaging a private collection agency to collect delinquent ambulance service bills, or do or act anything in relation thereto.

(Petition of the Board of Selectmen)

ARTICLE 12. To see if the Town will vote to accept the provisions of Section 22F of Chapter 40 of the Acts of 1991 regarding the setting of fees and charges for permits, licenses and certificates, or take any other action in relation thereto.

(Petition of the Board of Selectmen)

ARTICLE 13. To see if the Town will vote to transfer a supplemental sum of money relating to salaries and expenses of the Town for the fiscal year that began July 1, 1992 or take any other action in relation thereto.

(Petition of the Board of Selectmen)

ARTICLE 14. To see if the Town will vote to approve the monetary items in an agreement between the Town of Walpole and the Massachusetts Coalition of Police PUPA (AFL-CIO) Local 115 Walpole and to transfer a sum of money to defray the cost of said agreement for the period of July 1, 1991 through June 30, 1993, or do or act anything in relation thereto.

(Petition of the Board of Selectmen)

ARTICLE 15. To see if the Town will vote to approve the monetary items in an agreement between the Town of Walpole and the Walpole Permanent Fire Fighters Association and to transfer a sum of money to defray the cost of said agreement for the period of July 1, 1991 through June 30, 1993, or do or act anything in relation thereto.

(Petition of the Board of Selectmen)

ARTICLE 16. To see if the Town will vote to approve the monetary items in an agreement between the Town of Walpole and the American Federation of State, County and Municipal Employees, AFL-CIO, State Council 93, local 1957, Department of Public Works and to transfer a sum of money to defray the cost of said agreement for the period of July 1, 1991 through June 30, 1993, or do or act anything in relation thereto.

(Petition of the Board of Selectmen)

ARTICLE 17. To see if the Town will vote to approve the monetary items in an agreement between the Town of Walpole and the Federation of State, County and Municipal Employees, (A.F.S.C.M.E), State Council 93, Local 1957, Town Hall Clerical employees and to transfer a sum of money to defray the costs of said agreement for the period of July 1, 1991 through June 30, 1993, or do or act anything in relation thereto.

(Petition of the Board of Selectmen)

ARTICLE 18. To see if the Town will vote to approve the monetary items in an agreement between the Town of Walpole and the American Federation of State, County and Municipal Employees, AFL-CIO State Council 93, Local 1957, Library Employees and to transfer a sum of money to defray the cost of said agreement for the period of July 1,

1991 through June 30, 1993, or do or act anything in relation thereto.

(Petition of the Board of Selectmen)

ARTICLE 19. To see if the Town will vote to transfer a sum of money to print the 1992 Annual Town Report, or do or act anything in relation thereto.

(Petition of the Board of Selectmen.)

ARTICLE 20. To see if the Town will vote to accept Notch Road from its beginning at Station 0+00 to its end at Station 3+86+, including any easements and utilities appurtenant thereto.

(Petition of the Board of Selectmen)

Commonwealth Of Massachusetts

TOWN OF WALPOLE

**ANNUAL TOWN MEETING
(FALL SESSION)**

OCTOBER 19, 1992

Pursuant to the Warrant of October 19, 1992, the Annual Town Meeting (Fall Session) was called to order at 7:35 P.M. in the Eleanor N. Johnson Middle School Auditorium by Moderator Stephen E. Sullivan

The Assembly pledged allegiance to the Flag.

Town Clerk, Louis E. Hoegler, attested proper return of the Warrant.

It was Moved, Seconded and
VOTED:

To waive the reading of the Warrant.

It was Moved, Seconded and
VOTED:

That all Motion of the Finance Committee be the Main Motion.

TELLERS: Stephen Stone, Ronald A. Fucile, Janice A. Young and William F. Abbott.

On Motion of the Finance Committee,
It was Moved and Seconded:

That action on Articles 7, 8, 14, 15, 16, 17 and 18 be postponed until Wednesday, October 28, 1992 at 7:30 P.M. and that action on Articles 7 and 8 be the first order of business.

MOTION WAS: SO VOTED

ARTICLE 1

On Motion of the Finance Committee,
It was Moved and Seconded:

That the Town take NO ACTION.

MOTION WAS: SO VOTED

ARTICLE 2

On Motion of the Finance Committee,
It was Moved and Seconded:

That the Town amend its Zoning By-Laws by deleting subsection "iii" in Section 3-B-(3)-d and re-numbering the existing subsection "iv" as "iii".

On 2/3 Voted Required:

MOTION WAS: DEFEATED UNANIMOUS

ARTICLE 3

It was Moved Seconded and
VOTED:

To divide ARTICLE 3 into 5 parts.

On Motion of the Finance Committee,
It was Moved and Seconded:

That the Town amend its Zoning By-Law in order to clarify the Schedule of Use Regulations and Schedule of Dimensional Regulations as they pertain to uses accessory to permitted main uses, as follows:

1. The Zoning By-Law shall be amended by substituting the following language for the existing language of Section 3-B-(3)-s:
 - s. Accessory use incidental to a permitted residential use, including the following: detached private guest home, greenhouse, detached garage, tool/storage shed, boathouse, stable, playhouse, or recreational court."

On 2/3 Vote Required:

MOTION WAS: DEFEATED UNANIMOUS

2. The Zoning By-Law shall be further amended by adding the following new Section 3-B-(3)-t which use shall be permitted as a matter of right (A) in all Residential Districts as defined in Section 2-A of the Zoning By-Law:
 - t. Outdoor swimming pool accessory to a permitted residential use, provided that:
 - i The pool shall be subject to the same front yard, side yard, and rear yard setbacks required under Section 4-B (Schedule of Dimensional Regulations) for buildings in the zoning district in which the pool will be located, and

TOWN OF WALPOLE

ADJOURNED ANNUAL TOWN MEETING (FALL SESSION)

OCTOBER 28, 1992

Pursuant to the foregoing adjournment of October 26, 1992, the Town Meeting was called to order by Moderator Stephen Sullivan at 7:30 P.M. All rules and regulations concerning the call of an Adjourned Annual Town Meeting were fulfilled and a quorum was present.

The Assembly pledged allegiance to the Flag.

TELLERS: Janice A. Young Thomas F. Hazlett, Jr., Ronald A. Fucile and Stephen Stone.

RESOLUTION

On Motion of Joseph C. Moraski, Town Meeting Member Precinct 7, Seconded by Ronald A. Fucile
It was Moved, Seconded and VOTED:

That the board of Selectmen, Finance Committee, Town Administrator and Finance Director review the status of the Town's free cash balance in an effort to reverse the effect of the Teacher's Deferred Salary option previously accepted by the Town and/or in an effort to prepay bonds in order to reduce the Town's debt.

AND

That the Finance Committee report its recommendation to Town Meeting at the Spring Annual Town Meeting in 1993 by sponsoring an article which will appear first on that Warrant.

ARTICLE 7

On Motion of the Finance Committee,
It was Moved and Seconded:

That the Town approve —

SECTION 1. To see if the town will vote to authorize the Board of Selectmen, upon such terms as said board deems appropriate, to accept the conveyance from Omega Associates of two parcels of land of approximately 14+ acres in fee

for consideration of one dollar (\$1.00), said parcels being shown as assessors parcels A08-0803 and D07-0742;

SECTION 2. and to authorize the Conservation Commission upon such terms as said commission deems appropriate, subject to the approval of the Board of Selectmen, to accept the conveyance from Omega Associates/Home Building Company, Inc. of seven parcels of land totaling approximately 17,35+ acres in fee for consideration of one dollar (\$1.00) said parcels being shown as parcels D08-0816-5, C14-1405-1, D01-0194, C13-1307-28B, C13-1307-1-A, C13-1307-1-b-3 and C13-1307-b-4 on a plan entitled "Plan of Land dated September 2, 1992, prepared by John R. Anderson and Associates and on file with the Town Clerk.

SECTION 3. and further to see if the town will vote to authorize the Board of Selectmen, upon such terms as said board deems appropriate, to accept the grant of a 20 foot wide access easement or easements by Omega Associates and Anna Bird along Bird Pond as shown on a plan by Kimball Chase Caler Calantano inc., dated October 17, 1987 for the purpose of accessing, Assessors Parcels d207-1,a-404-1,d209-a and the Bird Drive southerly sidewalk to Washington Street.

SECTION 4. and further, to see if the town will vote to transfer the care, custody and control of a parcel of land to the Board of Selectmen for the purpose of conveying said parcel of approximately 17+ acres and to authorize the Board of Selectmen to convey said parcel to Omega Associates in fee for one dollar (\$1.00), said parcel being shown on the above-referenced plan as parcel d208-3 subject to approval of the legislature in accordance with Article 97 of the Massachusetts Constitution and subject to compliance with or special legislation exempting said transaction from any applicable provisions of Chapter 30B of the General Laws and further to such end to see if the Town will vote to authorize the Board of Selectmen to petition the Massachusetts General Court to approve the sale of said conservation land shown as parcel D208-3 on said plan pursuant to Article 97 of the Massachusetts Constitution and further that the Town of Walpole retain a 20 foot wide access easement along Bird Pond.

SECTION 5. and further, to see if the Town will vote to amend the Zoning By-laws of the Town of Walpole by amending the official zoning map, latest revision 10/21/91 by changing the designation of the land shown as parcel D208-3 on a plan entitled "Rezoning Map of Walpole, Mass., dated September 1, 1992", prepared by Mark Coviello, Town Engineer, and described as follows:

a certain parcel of land in Walpole, Massachusetts, described as Parcel B on a plan entitled "conveyance plan of land off Mylod Street," by Peter Boghossian, Town Engineer, dated November 12, 1980, and recorded in Norfolk

Registry of Deeds as Plan #62 of 1981 book #5832, page 495 and located on the southerly side of Mylod Street in that portion of Walpole known as East Walpole in said county and bounded and described as follows:

s18-06-20e a distance of 44.21 feet, thence running
s27-09-58e a distance of 69.14 feet, thence running
s23-02-15e a distance of 238.92 feet, thence running
s23-05-36e a distance of 269.35 feet, thence running
s23-05-36e a distance of 375 feet more or less to the high water mark in Bird's Mill Pond in the Neponset River, the above described courses being along a stone wall; thence turning and running

westerly and south easterly about one thousand eighty (1,080+) feet more or less along said high water mark to a stone wall; and land now or formerly of the Old Colony Council, Inc. Boy Scouts of America, thence turning and running

N19-26-00w a distance of 85 feet more or less along a stone wall, and further in nearly the same course a distance 199 feet, thence turning and running

easterly a distance of 244 feet, a portion of which is along a stone wall; thence turning and running

northwesterly a distance of 70 feet, and further northwesterly a distance of 52.5 feet, and still further northwesterly a distance of 26.5 feet, the last three courses being along a stone wall; thence turning and running

n57-11-33e a distance of 26.4 feet; thence running
n64-07-33e a distance of 76.1 feet; thence running
n69-00-03e a distance of 108.9 feet; thence turning and running
n07-29-33e a distance of 33.3 feet; thence turning and running
n09-11-27w a distance of 70 feet; thence running
n10-03-27w a distance of 215 feet; thence running
n12-31-27w a distance of 210 feet; thence running
n09-56-27w a distance of 125 feet; thence turning and running
n83-03-12w a distance of 473.23 feet by parcel "a" to the point of beginning.

said parcel contains 17+ acres.

for grantor's title see deed dated April 24, 1980, and recorded in Norfolk deeds book 5729, page 731 and 732

on file with the Town Clerk, from Limited Manufacturing to Residence A

SECTION 6. and further to see if the Town will vote to authorize the Board of Selectmen, upon such terms as said Board deems appropriate, to enter into a tripartite agreement with the Youth Soccer Association and Omega Associates for the purpose of delineating the use of Parcel A08-0803 and improvements to be made thereto at the expense of the Youth Soccer Association and Omega Associates. And further, to see if the Town will vote to authorize the Board of Selectmen, upon such terms as said Board deems appropriate, to lease a portion of said Parcel A08-0803, shown as "Exhibit B plan of recreation and conservation use" on said Plan, to the Youth Soccer Association for consideration of one dollar (\$1.00) annually for a period of up to twenty (20) years, renewable every five (5) years, to be used for recreational purposes.

SECTION 7. and further, to see if the Town will vote to petition the Massachusetts General Court to exempt all of the transactions set forth in Article 7, Sections 1-6 from any applicable provisions of Chapter 30B, Chapter 7, Sections 38A 1/2-38O (Designer Selection Laws) and Chapter 30, Section 39M, Chapter 149 and 44A-44M (Public Bidding Laws) of the General Laws.

On Motion of the Moderator,
It was Moved and Seconded:

That Section 1, 2, 3, 4, 6 and 7. be voted

On 2/3 Vote required,

MOTION WAS: SO VOTED YES — 97 NO — 16

On Motion of the Moderator,
It was Moved and Seconded:

That Section 5 be voted

On 2/3 Vote Required,

MOTION WAS: SO VOTED YES — 99 NO — 11

ARTICLE 8

On Motion of the Finance Committee,
It was Moved and Seconded:

That the Town amend the Zoning By-Laws of the Town of Walpole by changing the designation of the land shown on zoning map latest revision 10/21/91 and shown as parcel D-209 on a plan entitled: rezoning plan of land in Walpole, MA., dated August 31, 1992, prepared by John R. Anderson & Associates, and described as follows:

beginning at an angle point on the southeasterly sideline of Mylod Street, and being about 910 feet

southwesterly of the Norwood - Walpole Town Line; thence running

northeasterly, by the southeasterly sideline of Mylod Street, about 102 feet, to the existing residential zone; thence

southeasterly, by the existing residential zone line, about 745 feet, thence

westerly, along an existing property line, about 436 feet to the property line between assessors' parcels d208-2 and d209; thence

westerly, along the existing property line between assessor's parcels d208-3, about one foot, to the existing residential zone line; thence

northerly, along the existing residential zone line, about 697 feet to the southeasterly sideline of Mylod Street; thence

northeasterly, along the southeasterly sideline of Mylod Street, about 99 feet, to the point of beginning, and containing about 5.0 acres

on file with the Town Clerk, from Limited Manufacturing to Residence A and further to see if the Town will vote to authorize the Board of Selectmen, upon such terms as said board deems appropriate to accept a grant of a 20 foot wide access easement along Bird Pond from Seabeam Instruments Inc. as shown as parcel D-209 on said plan.
